

DAVENPORT DOTS

The ready-print war had a very interesting feature yesterday in the shape of the serving of the first federal injunction that has been taken out by Davenporters for many years. United States Marshal Harry Fulton was in the city in the afternoon serving the papers. The injunction was granted by Hon. Smith McPherson, of the United States court at Keokuk, on the petition of A. E. Hutchings, by Chamberlain & Petersen, against S. F. Smith, Robert Kereheval, Warwick Saunders, Claude Woodruff and J. A. Hanley, reciting the conditions at the Davenport ready-print headquarters, and asking for injunctions against the defendants and for \$15,000 damages for unlawful interference with the plaintiff's business. Judge McPherson granted the injunction, pending final hearing, as follows: Restraining the defendants from any further exercise of the rights of stockholders; from further violation of the rights of A. E. Hutchings as sole owner and stockholders of the plant; from any further concealment of the books and records of the corporation; from all acts interfering with Hutchings' operation of and continuing of the business. Hutchings furnished a \$20,000 bond when the injunction was granted.

The implement and vehicle stock of Stafford & Laycock, the well-known business house of Le Claire, has been turned over to B. F. Cox, of that place, as assignee for the benefit of creditors. The members of the firm are long-time residents of the county, and have been in the business which they are compelled to drop since 1900. The liabilities are \$3,350, and assets \$2,530.

Manager Fred Kuehl, of the Turner hall, has formally resigned from the management, the same to become effective March 1. Mr. Kuehl's determination to leave the management of Turner hall was announced several months ago. He expects to assume the management of Schuetzen park this season, in company with his brother-in-law, Mr. Bruchmann, who now operates the Cross Country buffet, annexed to the Illinois theatre, in Rock Island.

Louis and Joseph Ochs, of John Ochs' Sons, have returned from the south, leaving Hon. George T. Baker and Melville Bunker, of this city, down there, and the big deal all closed whereby a company in which the controlling interest is held by Davenporters has added 60,000 acres of fine timber land to the interests centered in this city. Mr. Baker returns in a few days, but Mr. Bunker, as secretary of the new company, will transfer his business headquarters to the company's property at Yellow Pine, Ala., setting up his home there or at Mobile, 60 miles south, at an early day.

At her home, 505 East Seventh street, Thursday occurred the death of Mrs. Mary Nolan, widow of Patrick Nolan, for 34 years a resident of this city. Deceased was a native of Ireland in 1849. There survive one son and two daughters, John E. and Ella

Nolan and Mrs. J. King, all of this city.

At the home of its parents, Mr. and Mrs. Charles F. Sallady, on Sixth street and Tremont avenue, Thursday afternoon occurred the death of their 10-month-old babe, Charles P., who succumbed to convulsions. The father is employed here as the manager of the Armour Packing company's plant.

At 10 o'clock yesterday morning the ambulance was called to the C. R. I. & P. yards, where a Greek named Joe Shostone, or some such patronymic, was taken to St. Luke's hospital suffering from a severely scalded leg. The man was employed in the yards and inadvertently stepped into a box into which the exhaust steam from the boilers was projected. The superheated steam fairly cooked the flesh from the top of his shoes to the knee, so that the skin slipped off when the unfortunate's trousers were lifted from the scalded limb for examination. Shostone, or Shoshone, as he is called, is about 22 years of age, a member of the Greek colony here.

At 10 o'clock Thursday night the 12 men who went out at the preceding noon to deliberate the verdict in the case of C. W. Neal, administrator, vs. the C. R. I. & P., brought in a sealed verdict, which was opened in court at 9 o'clock yesterday morning. It read as follows: "We, the jury, find for the plaintiff, C. W. Neal, administrator of the estate of the late Joseph C. Frew, and fix the amount of his recovery at \$2,500." The case was one in which the estate of the minor sued to recover \$5,000 because of the alleged carelessness of the defendant in employing an alleged defective switch in which young Frew got his foot caught and led to his tragic death in the darkness.

MOLINE MENTION

W. H. Stend, of Ottawa, candidate for nomination as attorney general on the republican ticket, was in the city yesterday and met a number of the local republicans and party leaders. He was accompanied by Senator Gardner, of Ottawa, his political manager, and was piloted about the mazes of Moline by W. A. Meese, assisted by Hon. L. M. Magill and City Attorney A. H. Kohler.

Plans for the annual banquet of the Retail Merchants' association have been changed. Instead of the association paying the cost the individual members will be asked to pay \$1 a plate for the feast. The entertainment committee appointed to manage the affair found that the association did not have funds for the extra expense and so the change has been made. Arrangements are being made for a banquet at the Manufacturers hotel, if enough members take a ticket for a banquet March 1. The committee in charge consists of C. F. Dewend, S. S. Hoffman, F. W. Rank, John Swanson and Arthur Vander Venet.

The pupils of the kindergarten school in the Garfield building were frightened Thursday morning when a large amount of plaster fell to the floor from the ceiling. Fortunately none of the children were injured. A space over 3 feet square is now bare in the school room.

A baseball team has been organized which will be known as the City team of Moline and Rock Island. The team expects a clean record this season as they put up a game last season. They are now open for dates. Joseph Ed. of Moline was elected manager and William Bennett, of Rock Island was made captain. Easter eve an Easter ball will be given at the Industrial Home hall in this city.

A unique entertainment—probably the first of its kind ever to be given in this city—will occur at Industrial Home hall Tuesday evening, Feb. 16. The entertainment is to be given by the Belgian Holland club of this city, and it is to be a comedy drama, interspersed with musical and literary selections—the whole to be given in the Belgian language. The comedy drama will, in all probability, be the work of some Belgian dramatist, while the musical selections and literary numbers will be the work of Belgian authors and composers.

The ladies of the east end of the city have formed an auxiliary to the East End Athletic club and will use the club rooms one evening out of each week for social purposes. Later they may go into athletics. The ladies held a meeting and elected these officers: President, Ada Pruessing; secretary, Minnie Swanson; treasurer, Jennie Cheney; board of directors, Emma Olson, Mrs. Mary Truxell, Mabel Johnson.

Gratifying is the success of the public school savings bank system, fathered by Supt. Smith. He reports that \$174.80 was deposited by the pupils in the schools, which is \$82.47 more than the first deposits made last Friday.

The amount deposited by each school was as follows: Garfield, \$14.43; Erierson, \$22.51; Grant, \$30.42; Irving, \$23.45; Lincoln, \$38.23; Washington, \$20.42; Willard, \$24.54.

F. G. Rollinger has accepted a position as clerk at the Manufacturers' hotel, and will alternate with Mr. Peal in taking care of this part of the service. Mr. Rollinger comes from Cedar Rapids where he was employed as clerk in the Grand hotel.

Architect Cervin has completed plans for an 11-months' trip abroad. He will spend part of the time at the Kneipp institute in Germany or a similar one in Sweden, to take a thorough course of treatments for headaches. The rest of the time he will spend in the study of the architecture of Europe and attending to business in connection with the settlement of the estate of his aunt, who died in Sweden last year. Mr. Cervin is commissioned to gather material for several magazines concerning the new development of architecture in the Scandinavian countries. It is a very artistic and individual as well as national expression of the building art, considered by many to be in advance of the modern architecture of the other European countries.

Mrs. Laura S. Webb,

Vice-President of Women's Democratic Clubs of Northern Ohio.

THERE ARE MANY

sickly women between the ages of 45 and 55, but there are very few invalids over 55 and 60 years of age. The change of life coming to a woman near her forty-fourth year, either makes her an invalid or gives her a new lease on life. Those who meet this change in ill health seldom live ten years afterward, while a woman who lays aside the active duties of womanhood in health seldom fails to live on in happiness, years after she has passed 60. This is truly a critical time.

Mrs. Laura S. Webb, of Toledo, Ohio, recognizes the change of life as a dangerous period and she also has faith in Wine of Cardui. She writes:

"As I had always been troubled more or less at the menstrual period, I dreaded

Mrs. Laura S. Webb.

the change of life which was fast approaching. While visiting with a friend I noticed that she was taking your Wine of Cardui, and she was so enthusiastic about it that I decided to try a bottle. I experienced some relief the first month, so I kept on taking it for three months and now I menstruate with no pain and I shall take it off and on now until I have passed the climax. I do not dread it now, as I am sure that your Wine of Cardui will be of great benefit at this time."

Wine of Cardui is the remedy to re-inforce a woman against the shock that comes with the change of life. It re-establishes healthy functions after years of suffering. In doing this it has saved thousands of sufferers just in time. Do not wait until suffering is upon you. Thorough preparations should be made in advance. Begin the Wine of Cardui treatment today.

A million suffering women have found relief in Wine of Cardui.
