

SSS THE BEST TONIC

In S. S. S. Nature has provided a tonic suited to every requirement of the system when in a debilitated, run-down condition. It contains no strong minerals or drugs, but is a pleasant vegetable preparation. You can find no better remedy for toning up the nerves and bringing refreshing, restful sleep.

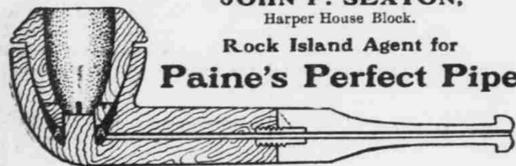

S. S. S. improves the appetite and digestion, and its good effects are seen almost from the first dose. It acts promptly in cases of chronic dyspepsia, indigestion and all stomach troubles, and does away with the uncomfortable fullness, shortness of breath, drowsiness and dizziness that so often come after eating. S. S. S. is not only the best tonic, but possesses alternative or purifying properties, and if there is any taint, humor or poison in the blood, it searches it out and removes it. Many times a low state of health is due to a bad condition of the blood and can only be remedied by such a remedy as S. S. S.

DAVENPORT DOTS

A game of baseball will be played Saturday afternoon at the Davenport baseball park between a team representing the lawyers of the city and another team representing the doctors. A supper will follow the game at Schaeffer park. Those in charge of the event hope to have every lawyer and doctor in the city attend the game and to participate in the supper which will follow at the park.

This week the Riverside mill, on East River street, will again be a scene of hustle and activity, as the grinding of wheat will be commenced by the new owners of the plant, the Western Flour Mill company. After the machinery commences to turn the output of the mill will steadily increase until it is considerably larger than it was before the Western mill company took hold of and enlarged and modernized the plant. Thirty or more hands will be given employment, and a substantial and welcome addition to the industrial concerns of the city will have been made.

There was one James Adams, a foreman on the D. R. I. & N. W. bridge gang who left here two years ago for Colorado to be cured of consumption. It may be possible that he afterwards went to Kansas and is the man who died in a dugout.

At her home, 1165 West Fifth street, Saturday afternoon, occurred the death of Henry Wieggers, aged 72 years. Deceased was a native of Schleswig-Holstein, where he was a resident until 1855 when he came to this country and to Scott county. There survive his wife and six children.

Hayes Muhs, Davenport's well known prize fighter, went to Muscatine yesterday afternoon to meet Jack Carey of Chicago in a six round match.

W. W. L. Allen had to make his visits to patients for two hours on foot Saturday. He tied his horse and buggy in front of a house on Fifteenth and Ripley streets, and when he came

out after attending his patient it was no where in sight. Believing the rig to have been stolen the doctor hastily notified the police department and the officers soon found it.

Davenport athletes did not get anything in the Olympic games at the fair. This is probably on account of the fact that Reinhard Wagner was injured.

Miss Alice French of this city has received the news that George Schuyler Schaeffer, son of the late President Charles Ashmead Schaeffer of the University of Iowa, has been seen alive in India and is probably now with his mother in England. The first news from the missing young Philadelphian came to Iowa through Miss Alice French. Miss French is the intimate friend of Mrs. Schaeffer and it is understood that the latter wrote Miss French the particulars of the discovery of the missing man.

Mrs. Edward Wenks, a former resident of Buffalo, died in Des Moines Thursday night and the burial took place in Buffalo, this county, yesterday. Deceased was a daughter of Mrs. Cass one of the old settlers of Scott county, residing at Stuart, Iowa. Mrs. Wenks was about 34 years of age. Besides her mother, she is survived by a husband, one daughter 1 1/2 years of age and two sisters. She was a niece of Mrs. Charles Rowan, and in her girlhood days was one of the most attractive and popular of the young people of Buffalo township.

Saturday Mr. and Mrs. John F. Falk celebrated the golden anniversary of their wedding which occurred in Germany on July 2, 1854, half a century ago. The auspicious event was observed with the solemnity as a family reunion, which was held at the home of a son of the jubilarians, Theodore Falk, 918 West Sixth street. The aged couple are still in robust health. The groom of 50 years ago has been in the employ of the C. R. I. & P. in the local shops for the greater portion of his residence in this city. The celebration Saturday was attended by all the children and grandchildren of the venerable couple.

NOTABLE EVENTS THAT HAVE HAPPENED ON JULY FOURTH

The Fourth of July is not a distinctly American institution. To be sure, it happens to be Independence day for the United States, and more than a century and a quarter of observations of that great event have brought it about that the signing of the charter of American liberties in the old state house in Philadelphia on that date overshadows all else when the holiday arrives. But there are other anniversaries which fall on the fourth day of the seventh month, some of them quite as much by chance as did the signing of the Declaration itself, some of them because it was the Fourth of July, but all of them of sufficient importance to hold their places in the records of history or science or literature, as the case may be.

MOLINE MENTION

All arrangements have been completed for the 43rd annual picnic of the local molders' union which will be celebrated in this city this year at Concordia park tomorrow. The exercises will comprise a parade in the forenoon, music, speaking and dancing in the afternoon and dancing in the evening. The molders will form at 10 o'clock and march in a body through the business streets and thence to the park. Only the molders, the speakers in carriages, and the band will march. Upon arriving at Concordia about 11 o'clock preparations for dinner will be made and the exercises will be resumed at 2. Attorney C. J. Searle, of Rock Island, and Mayor Crolius, of Joliet, will deliver speeches and the Light Guard band will give a concert. Dancing will be enjoyed throughout the afternoon and evening.

Albert Jacobs, living at 1921 Sixth avenue, experienced the sensation of an aerial artist and also that of a football player Friday night in a lively runway down Third avenue. Near the Manufacturers hotel his buggy collided with another, precipitating him to the street. Friends picked him up in an unconscious condition and he was taken inside the hostelry, where Dr. Arp found that he had broken three ribs and sustained other serious bruises. He was taken to the hospital. It seems as though after supper he decided to go buggy riding, so he secured a horse and carriage from a down town livery. This outfit, however, was not swift enough for Mr. Jacobs, so he substituted it with an outfit from another livery. This horse proved too much.

The People's Savings Bank & Trust company has awarded its prizes offered for the best essays on savings produced by the pupils in our public schools. John Lindberg, of 613 Eleventh street, was awarded the first prize. For second prize there was a tie between Esther Nelson, of 645 Eleventh-and-a-half street, Lily Skogh, of 1363 Sixth avenue, and Archie Butler, of Eleventh avenue and Sixth street. Therefore the money for the second and third prizes was divided among the three. The judges were George H. Webster, president of the Chicago Savings bank; Orson Smith, president of the Merchants' Loan & Trust company, and Edwin A. Potter, president of the American Trust & Savings bank, all of Chicago.

A meeting of the Delta Gamma Phi was held with Miss Cora Ford and the annual business of the society was transacted. Officers were elected, the balloting resulting as follows: President, Miss Grace Eastman; vice president, Miss Etta Beal; secretary-treasurer, Miss Cora Ford.

In a spirit of mischief boys set fire to a field of grass at Twelfth avenue and Third street, south of the old Swensson home Saturday. The grass was tall and dry; it burned fiercely and half an acre of ground was swept by the flames before the fire department succeeded in extinguishing them.

The reception committee appointed to meet the student chorus from Lund, Sweden, will meet at the Manufacturers hotel about 2 o'clock in the afternoon on July 8 and will go in a body to the depot and escort the visitors to the hotel. After this all will go to Augustana college, where a banquet will be given in honor of the students, to which the ladies have been invited.

DOVECOTS IN SCOTLAND.

According to Law, No One May Build More Than One.
It is not universally known that the right of erecting a dovecot was a privilege only to be enjoyed in England by the lords of the manor, and the law was vigorously enforced on this point. But in Scotland, according to a statute still held in observance, nobody has a right to build a cot in either town or country unless he is the owner of land yielding about 900 imperial bushels of produce per annum, and this property must be situated within at least two miles of the dovecot or pigeon house. A further enactment also states that on the above named conditions only one cot shall be built.
A distinguished authority on husbandry estimated that in 1828 there were 26,000 dovecots in England and that, allowing 500 pairs to each house, the damage wrought by the birds in devouring corn would work out at no less than 12,000,000 bushels—that is, an allowance of four bushels yearly to each pair. Any one who destroyed a cot was guilty of theft and is held at the present time in Scotland (the act was passed in 1679), while a third offense of dovecot breaking was capital punishment. Perfect specimens of these cots are becoming scarcer every year.—Hour Glass.

Night Was Her Terror.

"I would cough nearly all night long," writes Mrs. Charles Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 55 pounds." It is absolutely guaranteed to cure coughs, colds, la grippe, bronchitis and all throat and lung troubles. Price, 50c and \$1. Trial bottles free at Hartz & Ulmeyer's drug store.

CHOICE LOTS FOR SALE

In order to close up an estate I am authorized to sell at a great sacrifice 14 of the finest lots in the city. These lots are on Twenty-first and Twenty-second streets. They are high and dry. They have water and sewer facilities, and also electric light. These lots are 50 feet front by 145 feet deep, and they are on the Longview street car line, and can be bought for less than you can buy unimproved acre property in the same vicinity for platting purposes. This is an exceptional chance for any person desiring property for a home or investment purposes.

Schlitz Beer is Good for You

The malt is a food; the hops a tonic. The alcohol—only 3 1/2 per cent—is an aid to digestion; a healthful stimulant. Schlitz Beer is brewed with the extreme of cleanliness—cooled in filtered air—and every bottle is sterilized. It is one of the best things in the world for you. It does not ferment on the stomach, because it is aged—aged for months in refrigerating rooms before it is marketed. It gives you beer without biliousness. Ask your doctor what he thinks about drinking Schlitz beer. Ask for the Brewery Bottling.
