CORNELL MAKES PLUCKY BATTLE

But Augustana Was Too Many by Odds of 25 to 6.

GAME IS HOTLY FOUGHT

Costly Fumbling On Both Sides—Moline Defeats Davenport Saturday.

In a spirited game on Erickson field Saturday afternoon, Augustana football team defeated the team of Cornell college, of Mount Vernon, Iowa, by a score of 25 to 6.

The game was one of remarkable interest, and at no time until the last few minutes of play could it be said with certainty that Augustana had secured the victory. The Cornell boys, though slightly handicapped in weight, fought a sturdy game, and compelled Augustana to earn every inch of ground.

The game was witnessed by a large crowd and the sidelines were lined with enthusiastic rooters for both teams. Cornell kicked off, Lofgren returning the ball 25 yards. Short gains kept the ball in the possession of the Augustana boys, and by a series of swift and successful plays the ball was sent across the line, carried by Lofgren.

Sensational Run by Matthews.

Again Cornell kicked off to Augustana. The locals held the ball for a short time, when a fumble lost the ball to Cornell. Captain Matthews, of the visiting team, secured the ball, and made the sensational run of the day, scoring the only points for the Cornell team. He kicked the goal, and the score stood 6 to 5 in favor of the visitors, the goal kick having failed on Augustana's first touchdown. The local boys went into the game with added energy, and from that time on Cornell's gains were few. Fumbling on the part of the local players twice lost the ball and netted the visitors gains of from 40 to 45 yards. Once when the ball was lost to Cornell in the first half, a good run was made by Captain Matthews. On the first play called, however, he himself lost the ball to Augustana on a fumble. The locals followed their advantages rapidly, and Purn, Lofgren and Swanson were sent through Cornell's line for touchdowns.

Visitors Long on Punting.

The visitors several times were compelled to resort to punting, a feature of the game at which they slightly outclassed their local opponents. Nelson, the big half back of Cornell, and Cap-

tain Matthews, who, by the way, was during the summer a professional baseball player with the Rockford league team, were the star features of the game. Bergren did the individual star work for the locals, though all of the members of the team performed in a manner that was deserving of commendation.

The fumbling, on both sides, was the only disagreeable feature of the game. This is one particular in which the Augustana team is weak, though the handling of the ball was better last Saturday than in former games.

How Teams Are Composed.

The lineup of the two teams is as follows:

Augustana	Cornell
Lofgren	Maxwell
Hall	Collins
A. Johnson	Comblek
Benson	Beadle
Neustrom	Hughes
Swenson	Nelson
Oberg	Slack
Esley Johnson	Matthews
Erick Johnson	Dyer
Purn	Phillips
Bergren	Irvin
Summary: Augustana—Touchdowns, Purn, Bergren, Lofgren, Swenson; safeties, Swenson; goal, Esley Johnson, 3; Cornell—Touchdowns, Matthews, 1; goals, Matthews, 1. Umpire—Brown. Referee—Williams. Head linesman—Fred Peterson.	

To Play Monmouth Thanksgiving.

Thanksgiving day the team of Augustana will meet Monmouth college at Monmouth, and arrangements are being made to take a special train from Rock Island for the accommodation of the students who wish to go. It is expected that several hundred rooters will accompany the team.

MOLINE DEFEATS DAVENPORT.

Iowans Are Blanked 38 to 0—One-Sided Contest.

The Moline high school football team on Saturday afternoon defeated the Davenport high school team in a decidedly one-sided battle on the Moline field. The score at the end of the game stood 38 to 0. Over two thousand people witnessed the contest, which was anticipated to be one of the closest of the season. Moline kicked to Davenport, but after a few line plunges the visitors lost the ball. Moline made fast gains, until on Davenport's 15-yard line they were held for downs. A punt by Davenport gave Moline the ball, and again the steady gains brought the ball back to the line, and Hedin was sent over the line for the first touchdown. From that time on, the game was but a series of rapid plays, Moline's ball, and another touchdown had been secured. Moline was several times penalized for offside plays. Only one fumble was made that resulted seriously for either side. In the punting game Davenport had

somewhat the best of the argument, though neither side resorted to this method of advancing the ball to any extent. Moline's work on offense was remarkable, and considerable improvement was noticed since the game with Rock Island.

Superior Work by Moline.

The Moline boys outlasted their opponents in weight and outplayed them at almost every point of the game. Judging from the results of the game in Moline Saturday, Rock Island will close the season with a victory from Davenport on Thanksgiving day. The lineup was as follows:

Moline	Position	Davenport
Hedgson	line	Bromlee
Bas	line	Barnhardt
Dewrose	line	Bruggeman
Limburgh	line	Cambie
Moline	line	Gronen
Alberston	line	Davis
Griffin	line	Preston
Bergren	line	Holliday
Hedin	line	Porter
Mortenson	line	Kenison
Towndrow	line	Hindrickson
Summary—Touchdowns, Hedin, 3; Towndrow, 1; Alberston, 2; Griffin, 1; goal kicks, Bergin, 3.

BRIDE FOR ONE THOUGHT WEDDED

Ralph R. Georgia Flies With a Pretty Woodmen Office Clerk.

ARE MARRIED AT GALESBURG

Leave Behind One Who Had Been Looked On as Wife For Four Years.

Leaving behind one who had been looked on as his wife since he came to Rock Island four years ago to take a position as an auditor at the head office of the Modern Woodmen society, Ralph R. Georgia went to Galesburg Thursday evening of last week and was married to Miss Janice Golden, daughter of Mr. and Mrs. Frank Golden, of Barstow.

The announcement of the marriage caused a sensation among the employees at the Woodmen headquarters and in the circles in which Georgia had moved with the woman passing as his wife. Georgia and his young bride, after the ceremony at Galesburg, departed for Muncie, Ind., his former home, and where they will remain probably.

Wooes Her at Woodmen Office.

The affair between Georgia and the young woman that he has just wedded had its beginning over the desks in the big building down on Fifteenth street and Third avenue, where both were employed. She was a brown-eyed beauty, lately out of school, and accomplished musically. When the reports of the devotion that the young woman from Barstow was receiving from Georgia reached his domicile at 323½ Twentieth street, where he lived with his supposed wife and her sister, there were scenes that resulted in the temporary estrangement of the couple that had been admired by their friends as one of the happy young married pairs of the city.

Head Clerk C. W. Hawes, never questioning that Georgia was married, when he learned of his escapades with the young brown-eyed clerk from Barstow, notified the latter, who was then on vacation, that she need not return to her duties until sent for through him, believing this to be the easier method of terminating an unfortunate situation. But this did not end the love affair.

Georgia On Indefinite Leave Also.

There were clandestine meetings in the evenings, and a clerk at the Woodmen office this morning recalled a foot race on the Fifteenth street side of the Woodmen building a few weeks ago in which Georgia and the two women were the participants. Georgia asked for a 60-day leave of absence, which was granted, with the understanding that he was not to return until notified to do so, which in effect was a dismissal the same as in the case of Miss Golden.

At the Woodmen office the impression is that Georgia will not be back here again. He is a son of a former member of the society's auditing committee. He was considered one of the most efficient clerks at the head office.

Has Obtained a Divorce.

An Argus reporter called at Georgia's former home on Twentieth street, this afternoon, and was told that Mrs. Georgia was free to marry again, having obtained a divorce from his first wife. "I do not care to enter into the details," said the former Mrs. Georgia. "There has been enough talk on scandal, and for the present, at least I prefer that there be nothing further said. Mr. Georgia and I are no longer man and wife. Some weeks ago, when away from the city, he secured a divorce, and hence was free to marry the young woman with whom he left the city, and to whom I understand he was wedded at Galesburg. Later on I may have more to say publicly."

BISHOP HARTZELL SEES GREAT FUTURE FOR AFRICA

Tells of Dark Continent in a Sermon at First Methodist Church Here.

Bishop Hartzell, missionary to Africa from the Methodist Episcopal church, delivered the morning sermon at the First Methodist church in Rock Island yesterday, and at the First Methodist church in Moline last evening. The bishop is a former resident of this county, and his aged mother still resides in Moline. During the summer Bishop Hartzell has been in the United States, having attended the general conference of the church at Los Angeles, Cal. He has been spending the last few months in travel about the western states, and leaves shortly to resume his work in central Africa.

The bishop yesterday morning reached a missionary sermon, taking as his text, the eighth verse of the second Psalm, "Ask of me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possessions."

The bishop declared this to be the only place in the bible where there is a command to pray. The bishop preached a powerful sermon from the text and introduced many little incidents of his experience in the heart of Africa. He gave the audience accurate sketches of the people, and declared that for centuries Africa has been the "dark continent." He declared that
