MOLINE MENTION.

Yards at East Moline.

People in East Moline are wonder-
ing why surveyors have been busying
themselves with laying out lines in
East Moline the last few weeks. Now
it is reported that the Burlington road
has decided to build a roundhouse and
yards in East Moline. The Burlington
is handicapped to a great extent, hav-
ing really no yards of any great capac-
ity in the city, and it has become neces-
sary to furnish them some place. Now
it is planned to utilize some of the
railroad property the Burlington owns
north of its right of way in East Mo-
line.

Of Phillipsburg, Mont., Tells How She
Was Cured of Dandruff.

Mrs. Mary Gregovich, of Phillipsburg,
Mont., under the date of Nov. 26, 1899,
writes: "I had typhoid fever this sum-
mer, consequently was losing my hair
terribly, and my head in places was
perfectly bald. Newbro's Herpicide
had just come into use in Phillipsburg,
and the doctor strongly recommended
it to me. After three or four applica-
tions my hair stopped falling out, and
is coming in again quite thick. I used
to be troubled greatly with dandruff, of
which I am now quite cured." Kill the

Rock Islanders Arrested.

Detective Schleuter, of the Davenport
police force, was called to Grand Isle
Sunday, where he placed under arrest
three men charged by Manager Kuehl
with trespass. The men gave their
names as William De Smith, Charles
De Smith and Charles Doblen. Each
had a gun and they were engaged in
hunting squirrels. Shooting upon
Grand Isle is strictly prohibited by
the management, hence the arrest of
the violators of the rules and regula-
tions posted conspicuously at various
places upon the island. The men and
their guns were taken to the police
station. There the men were booked
and allowed to go upon leaving their
guns as security. This they did and
agreed to appear for trial yesterday.
They failed to appear, and unless they
do so, the guns will be forfeited. It
was at first thought that the men de-
cided to forfeit their guns rather than
to take any chances in having the game
warden bringing proceedings against
them. Officer Schleuter, however,
states that when arrested the men had
no game in their possession and had
merely shot at some squirrels, but
failed to bring any of them to the
ground. All three men are residents
of Rock Island and are employed at
the plant of the Rock Island Plow
works.

Enjoins a Saloon.

The first injunction taken out in
Davenport or in Scott county, under
the present nictet law, was put on
record in the court house yesterday af-
ternoon when Judge James W. Bollinger
signed a decree closing permanent-
ly the premises on East Fifth street
adjoining the Kemmerer block. Some
time ago T. H. Kemmerer filed an ap-
plication for a temporary injunction,
to be made permanent later on,
against the Rock Island Brewing com-
pany, George Walker, Orey Janssen,
agent of the Rock Island Brewing com-
pany, and C. H. Merchant, with Walk-
er & Merchant, asking that the saloon
operated by Walker & Merchant be
declared a nuisance and suppressed
according to law. Judge Bollinger
signed the decree, which effectually
closes the establishment permanently,
and prevents the property from ever
again being used in the liquor traffic.
It is now under lock and key and will
not be opened for any business what-
ever except upon the court's being
satisfied that the business will be a
legitimate one.

Stricken While on Visit.

Mrs. A. P. Doe suffered a stroke of
apoplexy a few days ago, at the home
of her daughter, Mrs. Alice Butler
field, at Norfolk, Neb., and is in a very
serious condition. Mr. Doe has gone
to her bedside and word received
from him by Davenport friends, is not
very encouraging. Mrs. Doe went to
Norfolk early in December, to visit
her daughter, and had been there ever
since.

W. O. W. Meeting.

The head camp of Jurisdiction R.
Woodmen of the World, opened here
today for a two days session. The
meetings are being held at Redmen
hall and there are 100 delegates in
this city from various parts of the
state. The address of welcome to the
city was delivered by Mayor Phillips
and from the local Woodmen camps
by George W. Scott. The response
was given by Sovereign Commander,
Joseph C. Root.

Hit a Peddler.

At 1 o'clock yesterday afternoon the
local passenger enroute from Walcott
to this city ran down a peddler at a
crossing six miles northwest of this
city. The peddler had turned from
the road across the track before he
saw the swiftly approaching train.
The horse was struck squarely by
the locomotive and killed, the animal
being disemboweled by the blow. The
wagon was converted into kindling
wood, while its occupant was hurled
to one side of the track escaping with
out injury. Beyond the fright and
shock he wasn't at all hurt. He was
taken on board and brought into
town.

Obituary Record.

At his lodging on Second and Green
streets at 1 o'clock yesterday after-
noon occurred the death of A. V.
Schultz, a man of about 60 years who
at one time had been connected with
the German theatrical company at
tached to Claus Groth hall. He was
born in Germany.

Sunday at her home, 2115 West Fifth
street, occurred the death of Mrs. Mar-
garetha Dau, nee Baasch, aged 71
years. Deceased was born in Ger-
many, Feb. 10, 1834, and came to
America in 1856, when she was united
in marriage to John F. Dau, who sur-
vives her with five sons, Henry, John,
George, Frank and Otto Dau.
Yesterday at his home 11 and a
quarter miles northeast of the city,
occurred the death of Hans Mundt
aged 70 years. Deceased was born in
Probstel, Schleswig-Holstein and 17
years ago moved upon the farm
whereon he died. He is survived by
his wife, Cecelia, and two children,
Mrs. Bertha L. Schroeder and Robert
Mundt.

At his home, 412 1/2 Brady street,
Sunday night occurred the death of
Alexandey Blaine at the age of 79
years. The fatal ailment was pneu-
monia.

SPORTING NOTES

Death of a Great Horse.

Lexington, Ky., March 14.—J. R.
Keene's Commando, b. h., 7 years old,
by Domino, out of Emma C., by imp.
Darebin, died at Castleton stud here
yesterday of lockjaw. No price ever
had been put on the stallion, but it is
said \$100,000 would not have been
taken for him. He picked up a stone
while being exercised ten days ago.
Until Saturday, since which time a
veterinary has been in constant at-
tendance, the injury was not thought
to be serious. Commando started nine
times, was first seven and placed
twice, winning \$58,880. The oldest of
his get are 2 year olds, which largely
compose the Keene string this year.

Milwaukee, Wis., March 14.—Kid

of Chicago have been matched to fight
at Hot Springs.

Sullivan Loses to Herman.

Hot Springs, Ark., March 14.—"Kid"
Herman was given a decision over
Dave Sullivan in the ninth round by
Referee "Kid" McCoy amidst a wild
scene at the Whittington Park Athletic
club last night. The round began with
Sullivan coming out of his corner
seemingly none the worse for his ear-
lier punishment. After a few light ex-
changes Herman landed a right up-
percut to Sullivan's jaw, which did not
appear to have the necessary force to
send Sullivan to the floor, but the lat-
ter deliberately went down and took
a count of nine. On arising he went
to a clinch, and on the break received
a right and left swing to the jaw. He
appeared a bit wobbly, but covered up
effectively and Herman sailed in
and began fighting wildly. A light
swing again landed to Sullivan's jaw
and the fighter went to the floor. His
chief second, Benny Murphy, threw a
sponge into the ring as a token of de-
feat. Kid McCoy promptly kicked it
out and ordered the seconds, who had
attempted to climb into the roped in-
closure, out, meanwhile waving the
fighters to continue. After partial or-
der was restored the men resumed
fighting and Herman landed a light
punch on Sullivan's chest. The latter
deliberately dropped to his knees and
permitted McCoy to count him out.
McCoy had no hesitancy in declaring
after the fight that Sullivan quit cold.

NEW ZEALAND ILLUSTRATED

With Song, Pictures and Music at the
Y. M. C. A. Auditorium.

Rev. Wherahiko Rawel, the cultured
and gifted native missionary from
New Zealand, who is at present at-
tracting immense congregations in
Davenport with a remarkable recital
descriptive of South Sea Island life, is
certainly an up-to-date and strenuous
public speaker. On Sunday last, he
occupied the pulpit of the Davenport
First Presbyterian and Calvary Baptist
churches, morning and evening re-
spectively, and during the same day
spoke to a great crowd of young peo-
ple at our local Y. M. C. A. auditor-
ium. Then at 6:30, he addressed an
enormous audience at St. John's M.
E. church in Davenport concluding a
hard days' work with a powerful
evangelistic service at Calvary Baptist
church, in which he was assisted, how-
ever, by Dr. Rowlands the pastor.

Last night at this same church, he
addressed an audience which taxed the
seating capacity of the large building
to the utmost extent, giving a most
wonderful and thrilling address with
strange pictorial and musical illus-
trations descriptive of his remarkable
country and its native people.

Tomorrow evening, he commences a
series of three recitals at Rock Island
Y. M. C. A. auditorium to which the
public are cordially invited. No regu-
lar charge will be made for admission,
entry being obtained by any silver
contribution at door to defray expen-
ses incurred in visiting the city.

THE LAXATIVE OF KNOWN QUALITY

There are two classes of remedies; those of known qual-
ity and which are permanently beneficial in effect, acting
gently, in harmony with nature, when nature needs assist-
ance; and another class, composed of preparations of
unknown, uncertain and inferior character, acting tem-
porarily, but injuriously, as a result of forcing the natural
functions unnecessarily. One of the most exceptional of
the remedies of known quality and excellence is the ever
pleasant Syrup of Figs, manufactured by the California
Fig Syrup Co., which represents the active principles of
plants, known to act most beneficially, in a pleasant syrup,
in which the wholesome Californian blue figs are used to con-
tribute their rich, yet delicate, fruity flavor. It is the remedy
of all remedies to sweeten and refresh and cleanse the system
gently and naturally, and to assist one in overcoming consti-
pation and the many ills resulting therefrom. Its active prin-
ciples and quality are known to physicians generally, and the
remedy has therefore met with their approval, as well as with
the favor of many millions of well informed persons who know
of their own personal knowledge and from actual experience
that it is a most excellent laxative remedy. We do not claim that
it will cure all manner of ills, but recommend it for what it really
represents, a laxative remedy of known quality and excellence,
containing nothing of an objectionable or injurious character.

There are two classes of purchasers; those who are informed
as to the quality of what they buy and the reasons for the excellence
of articles of exceptional merit, and who do not lack courage to go
elsewhere when a dealer offers an imitation of any well known
article; but, unfortunately, there are some people who do not know,
and who allow themselves to be imposed upon. They cannot expect
its beneficial effects if they do not get the genuine remedy.

To the credit of the druggists of the United States be it said
that nearly all of them value their reputation for professional
integrity and the good will of their customers too highly to offer
imitations of the

Genuine—Syrup of Figs

manufactured by the California Fig Syrup Co., and in order to
buy the genuine article and to get its beneficial effects, one has
only to note, when purchasing, the full name of the Company—
California Fig Syrup Co.—plainly printed on the front of every
package. Price, 50c. per bottle. One size only.

MUNICIPAL MATTERS.

City Council Room, Rock Island, Ill.,
March 13, 1905.—The council met in
regular session at 8 p. m., all the al-
dermen present and Mayor McConochie
presiding.

The clerk read an ordinance direct-
ing the city collector to make a re-
port to the council of all the lands,
town lots and real property on
which he has been unable to recover
taxes, by the first of April, 1905. The
ordinance was considered, and adopted
on motion of Ald. Anderson.

Ald. Westbay, from the street and
alley committee, recommended accept-
ance of the plat of C. Schmecht's addi-
tion. Report adopted by unanimous
vote.

Ald. Westbay, from the street and
alley committee, recommended accept-
ance of the plat of Heidemann & Das-
so's addition, and that a bond of \$1,000
be filed to provide for the drainage and
grading of the tract. Report adopted.

Ald. Westbay, from the street and
alley committee, in reporting on the
complaint of property owners, recom-
mended that the pond at Fourteenth
street and Twelfth avenue be drained
into the sewer on Fourteenth and a-half
street. Report adopted.

Ald. O'Connor read a communication
from C. F. Gaetjer, commissioner of
Longview park, asking settlement of
his claim for services rendered on a
basis of \$250, a reduction of \$100 from
the amount allowed by a vote of the
council. Ald. Oberg moved that Mr.
Gaetjer be returned his bill and re-
quested to render an itemized state-
ment. Carried.

Ald. Oberg moved that the health
and finance committees, mayor and
city engineer be instructed to investi-
gate, as to the feasibility of installing
a garbage crematory. Carried.

Ald. Eckhardt moved that the fire and
light committee take steps looking to
the disposition of the old horses no
longer useful to the fire department.

Council adjourned on motion of Ald.
Brooks.

H. C. SCHAFFER, City Clerk.

DESERTER UNDER ARREST

Frank Miller, Henry County Man, Pris-
oner at Arsenal.

Frank Miller, a deserter from the
United States army, was captured at
Geneseo Sunday, and taken to Rock
Island arsenal to be turned over to
Uncle Sam's officers. Miller is a
Henry county boy who has seen con-
siderable service in the army. He had
served one term of enlistment in the
army, and had been honorably dis-
charged, and had served one year of
his second term of enlistment. His
regiment is stationed at Monterey,
Cal., and Miller left on a furlough that
expired Jan. 9.

Under the regulations Miller had
ten days after the expiration of his
furlough, before his absence would be
counted desertion, but he allowed this
time to expire.

TO THE PEOPLE OF ROCK ISLAND

Open Letter From Kind Hearted Ohioan.

The following letter will be of great
interest to our readers. It breathes
the true spirit of charity, of helping
others. May it do the good that Mr.
Carpenter hopes for:

"To the People of Rock Island:
Although I may be unknown to you,
yet I hope my experience will carry
the weight that earnestness always
should. I believe in doing good to my
fellow men, and in no way can I help
them better than in pointing out the
road to health.

Hyomei, the treatment that cures
catarrh without stomach dosing, has
done me so much good that I want
everybody to know of its merits. I
had a very bad case of catarrh, and
Hyomei completely cured me. I have
recommended it to my neighbors, and
they, too, have been cured. Now I
want everybody in all parts of the
country to know what Hyomei has
done for me."

George W. Carpenter,
Vincent, Ohio.

Hyomei contains the healing bal-
sams that are found in the air upon
the mountains, where catarrh is un-
known. It destroys all catarrhal germs
in the air passages of the head, throat
and lungs, and makes complete cures.
A complete outfit costs but \$1, while
extra bottles can be obtained for 50
cents. Ask H. O. Rolfs to show you
the strong guarantee under which he
sells the treatment.

GOLD IS FOUND IN ANDALUSIA ROCK

Quartz Assays \$8 a Ton, Not
Enough to Pay For
Working.

Gillmore Hobert, who lives on his
farm a couple of miles below Andalu-
sia on the Coal creek hill, for some
time has been of the opinion that there
was gold in a certain kind of rock that
underlies his land. So much faith had
he in his theory that he decided to
send a sample to an assayer. The re-
port he has received shows that there
is gold there but hardly in quantities
that would pay to work for. It would
assay about \$8 per ton, which would
not yield any profit after the expen-
ses of assaying are deducted. Mr. Ho-
bert found that with the gold in his
quartz there is also silver and other
baser metals. If the gold were loose
in the soil it could be profitably work-
ed for \$8 a ton by hydraulic process.
