

Long Lived Tools

Keen Kutter quality tells in the long life of Keen Kutter Tools as well as in better work and greater satisfaction. It is not an unusual thing for Keen Kutter Tools to be passed down from father to son, so long do they last.

The long life of Keen Kutter Tools compared with the short term of service of inferior brands makes Keen Kutter Tools by far the most expensive tools that you can buy. The

KEEN KUTTER

trademark covers every kind of tools so that you may always be sure of highest quality by insisting upon Keen Kutter Tools.

An example of the Keen Kutter excellence is found in Keen Kutter Hatchets and Handled Axes. These are made of the highest grade of steel, on the most approved lines, and by the best workmen. Every Keen Kutter Hatchet and Axe has the handle wedged with the Grellner Patent Everlasting Wedge which positively prevents the head ever flying off or working loose, and is sharpened ready for use. These are exclusive Keen Kutter features.

Some of the other kinds of Keen Kutter Tools are: Axes, Adzes, Hammers, Hatchets, Chisels, Screw Drivers, Auger Bits, Files, Planes, Draw Knives, Saws, Taps and Dies, Shovel Bits, Knives, Grass Hooks, Corn Cutters, Eye Hooks, Trivets, Pruning Shears, Tinners' Snips, Scissors, Shears, Hair Clippers, Horse Shavers, Razors, etc., and Knives of all kinds. If you dealer does not have Keen Kutter Tools, write us, and we will see that you are supplied.

Every Keen Kutter Tool is made under this Mark and Motto:

"The Recognition of Quality Remains Long After the Price is Forgotten."

NERVOUS DEBILITY, sleeplessness, weakness of men, falling memory, mental depression, catarrh, dyspepsia, asthma, bronchitis, blood diseases, scrofula, piles and kidney diseases.

WOMEN suffering from nervous exhaustion, headache, backache, constipation, neuritis, palpitation of the heart, or any other disease peculiar to the sex should consult Dr. Walsh and get the benefit of his vast experience.

YOU KNOW that Dr. Walsh is the only specialist who ever remained in the tri-cities over ten years. You also know that he has been located in Davenport 11 years. You must know that Dr. Walsh remains permanently because he cures his patients.

VIBRATION AND ELECTRICITY—Twenty years' experience has made Dr. Walsh a master of these methods of curing chronic diseases. He uses all forms of electricity, including Faradism, Galvanism, Cataphoresis, Sinusoidal, Static and High Frequency Currents.

VARICOCELE is a frequent cause of nervous and physical decline. Why treat months with others when we can positively cure you in from one to three treatments with our method.

DR. WALSH'S PRICES FOR TREATMENT ARE WITHIN THE REACH OF ALL.

THE QUESTION OF YOUR HEALTH is a vital one, therefore you cannot afford to place your case in the hands of those who have had little or no practical experience in the treatment of chronic diseases.

DR. WALSH'S large private practice, and extensive experience as surgeon-in-chief of St. Anthony's Hospital, together with the fact that he has cured hundreds who were pronounced incurable by others during the 11 years he has been located in Davenport, proves conclusively that he is the specialist that you should consult if you want to get well.

DAVENPORT DOTS.

New Seven-Story Building.—The Schick Brothers' Express company have plans under way for the erection of a fine seven story warehouse building next spring which will prove a fine addition to their business. This company, which is new concern, will start business on Dec. 1, with their offices located at 111-113 Ripley street. They will conduct a general express, transfer and storage business.

No News of Reese.—John Reese, the young man who so mysteriously disappeared on the eve of his wedding day, several weeks ago, is still among the missing. Not a clue has yet been found of him. His friends and relatives now believe that he must have committed suicide. Several indications pointed to that theory from the first, but the reason it has not been generally accepted before this is that no adequate reason could be found for the deed.

Auto Man Promoted.—James C. Bayliss, the well known automobile dealer, will remove to Chicago with his family about the middle of this week. Mr. Bayliss has just signed a contract with the Pardee-Ulmann company of 1218-20 Michigan avenue, Chicago, probably one of the largest dealers of automobiles in the west, and will have the position of sales manager for the Franklin line of cars. Mr. Bayliss will have charge of the entire business of Chicago and vicinity, including Milwaukee.

To Discuss Smoke.—The Davenport association No. 7, National Association of Stationary Engineers, have called an open meeting at G. A. R. hall on Nov. 25, when the subject to be brought up for discussion will be "the heavy smoke which now prevails so much in our cities." The subject is one which should interest every manufacturer in the tri-cities.

Only Members May Attend.—At the regular meeting of the board of directors of the Davenport Outing club, the question of allowing gentlemen guests of the three cities who are not members to attend club functions was brought up and a thorough understanding was reached. It was decided that no gentlemen guests be allowed to attend.

Will Appeal Telephone Case.—Justice Henry Ditzen has rendered a decision in the case of the Union Electric Telephone company vs. Dr. J. E. Bennett, in which the Telephone company sued for \$14 for seven months' service and in which Dr. Bennett filed a counter claim on the ground that he was delayed from his business by being given a wrong number to his phone and also resisted the payment of the bill on the further contention that paragraph six of the telephone company's contract was contrary to public policy and therefore the entire contract was null and void. Justice Ditzen in his decision, states that no breach of contract has been shown by Dr. Bennett and that therefore the court is not called upon to determine whether or not paragraph 6 is contrary to public policy or not. Justice Ditzen further refuses to allow the counter-claim of Dr. Bennett and finds him liable for \$14 for seven months' service of the telephone installed at his place of business. Dr. Bennett still shows fight, however, and has taken an appeal to the district court.

Bank in New Quarters.—This morning the patrons of the Security Savings bank found that institution located in their handsome new home on the ground floor of the building recently purchased by them at the southwest corner of Second and Harrison streets for a consideration of \$35,000. Although less than two years old, the Security Savings bank has outgrown its original quarters in the basement of the building now occupied by them.

In Great Demand.—That there is a great demand for John C. Fisher's production of "San Toy" from all over the country is demonstrated by the fact that when the season of 40 weeks, which the present tour will consume, was booked, enough time had been refused to fill another equally long season. "San Toy" will be here Saturday, Nov. 18.

Dan Sully.—In the midst of the troubles that confronted the men of the church on the frontier, Dan Sully appeared last night at the Illinois at Father Day in Boom City, Idaho. The first scene is typical of the small western town with the cosmopolitan population, most of the business of the village being done at "Tom's Place." Sully's part in this play, "Our Pastor," is one full of natural situations and for that reason there is a variety and frequent change from the sublime to the ridiculous. Through all of these he plays the part of the Irish Catholic priest, the character full of wit and wisdom, afraid of nothing and ruler over all.

"An Orphan's Prayer."—If the criticisms in exchanges are to be believed, a satisfactory performance of "An Orphan's Prayer" will be given at the Illinois tomorrow night. The efficiency of the presenting company is assured, while the scenery and trappings are beyond the ordinary.

You Must Watch Your Weight

HOW JOHN S. SOLIS WAS SAVED.

Should any person ever express a doubt as to the merits of Dr. Richards Dyspepsia Tablets please send the doubting person to me. I can show him or her how I was once practically a total wreck; how I went through every phase of dyspepsia and how the disease undermined my constitution and made me lose flesh until I was the shadow of my former self.

Why, many of my friends believed I had consumption, and I myself began to fear it and to make plans for removal to a warmer and drier climate and for the abandonment of my business.

When, on the recommendation of a friend, I got some bottles of Dr. Richards Dyspepsia Tablets, I received more benefit by far than I ever expected. I was CURED and cured so radically that for the last eight months I have not had even a slight symptom of nervousness or indigestion.

I have gained nearly twenty pounds in weight. I am a perfectly healthy man, and Dr. Richards Dyspepsia Tablets did it. I will back up every word of this letter at any time.

Yours faithfully,
JOHN S. SOLIS,
37 Fulton Street,
Brooklyn, N.Y.

MOLINE MENTION.

Establish New Business.—F. E. Smalley, who has been employed for many years as shipper for the Moline Plow company, and Nemo Elmstedt, assistant manager of the Denver branch office of the Moline Plow company, will establish an implement house in Colorado. The resignations of both gentlemen have been tendered to the company and will be effective Dec. 1.

Alderman Injured.—Andrew Nelson, alderman from the Fifth ward, was quite painfully injured Saturday evening about 7 o'clock at Thirteenth avenue and Fifteenth street, while attempting to board a street car which was coming down the hill. Fortunately his injuries were not serious, consisting of a few bruises and a general shaking up. From what could be learned of the accident, Mr. Nelson was standing on the south side of the avenue with a friend waiting for the car coming north. The car stopped on the north side of the avenue, and seeing

no one attempting to get on, the conductor gave the signal to go ahead. Mr. Nelson ran to catch the car, and in some manner fell as he was attempting to jump onto the platform. He was dragged for some distance, and then fell to the pavement in a semi-conscious condition. Mr. Nelson will probably be confined to his home for a few days, but it is thought that his injuries are only of a temporary nature.

Art Exhibit.—Pictures by famous artists from the collections of well known families of the three cities and the work of local artists will be on show at the Art gallery this week under the auspices of the Moline Art association. The exhibit will continue for 10 days, and 50 per cent of the net proceeds will be given to the Woman's Hospital association to aid in the work of maintaining a training school for nurses at the city hospital. The doors of the exhibit will first be opened at 9 a. m. Wednesday, and thereafter the exhibit will be open during the forenoons, afternoons and evenings for 10 days.

Former Resident Dead.—Wesley

If you are naturally thin don't worry.

If you are losing weight—look out—do something.

The primary cause of consumption is a constitution broken down by some other condition. Disease germs cannot live in a healthy, well nourished body.

In the blood are a host of white corpuscles whose duty it is to seize and destroy all germs and poisons that enter the circulation.

Keep the blood rich and pure and it will fight off disease for you.

Where does the body get its strength?

From the food we eat and the air we breathe.

If the food is properly digested, the body's storehouse of strength is kept filled. If not—even though we eat plenty, we starve.

It is not what we eat but what we digest.

Dr. Richards Dyspepsia Tablets Restore Perfect Digestion

That means health to the whole system.

These Tablets don't do the digesting for you—that would only make the stomach weaker—they make it possible for your digestive organs to do their own work.

The first dose after the first meal will show you what they can do.

If you have anything the matter with you try Dr. Richards Dyspepsia Tablets.

Remember a well nourished body is a healthy one.

A trial costs nothing. We will gladly send you free sample when you ask for it.

At all druggists 50 cents, or we will send it direct to you. Each package contains some Laxocomfits for constipation. Say Richards *twice* to the druggist.

Write to-day for free sample.

Give Him a Pension

He's old and decrepit—worn out with the rubbings and scrubbing of a whole generation of "old timers." He has no friends left either—he's no more use to anyone in this age of the world. It's all done differently now; women don't break their backs for long hours over a washboard; they buy

Maple City Soap

Self Washing Soap

—do the washing with ease, and have clean, shining, wholesome clothes "out" in a fraction of the time their mothers and grandmothers used to take. Maple City Soap is the "easy time" soap; it does the work for you. You hardly need to put your hands in the suds at all for a whole washing; and when you're done it "cleans up" perfectly. Maple City Soap "fills the bill" anywhere and everywhere, if there's cleaning to be done. Cleanses woodwork, windows, floors and paint—makes the whole house immaculate. A large, solid cake costs 5 cents.
