FIVE MORE FOUND

New Indictments Are Brought Against William Nagel for Robbery.

RETURN OF 22 TRUE BILLS

Ignore Cases of Prosecution—Several Suppressed for Service—Certified to County Court.

After a session of about 15 days, the grand jury reported in the Rock Island county circuit court to Judge Gest this morning. In its findings are six new indictments against William Nagel, now in jail charged with the murder of Carl Brady. The new bills are for burglary, robbery, etc.

The summary of the work shows 22 true bills, the following having been ignored: J. W. Miller, larceny; Frank L. Brunell, incest; Frank L. Brunell, rape; Charles McHugh, William Ivins and Wallace Weigand, selling lottery tickets; William Burke, assault with a deadly weapon.

One hundred thirty-seven witnesses were examined. The report on the jail is to the effect that there is no complaint from the prisoners, and that the place is as well kept and maintained as is possible considering the means at hand.

Ignore Prosecution. It was only to be expected that the grand jury would take no action against Charles McHugh, William Ivins and Wallace Weigand, as the whole proceeding was looked upon as an attempt at persecution of Mr. McHugh, against whom the unfounded charges were previously aimed in the spirit of pure maliciousness.

Of the 22 true bills returned, six are suppressed for service and of these five are certified to the county court, as are all of the misdemeanor cases. Following are the indictments made public:

True Bills Returned. Myrtle Snyder, charged with assault with a deadly weapon upon McClelland Snyder, May 19.

Peter Van Neste, charged with assault with a deadly weapon upon Lew Sternbeck, Feb. 14.

Harry Johnson, charged with stealing brass boiler injector of value of \$14 from Tri-City Sand Stone Brick company, April 5.

William Nagel, charged with robbing Carl A. Briday of various pieces of personal property, June 9, 1905.

William Nagel, charged with burglary with intent to rob Carl A. Brady, June 9, 1905.

William Nagel, charged with burglary and larceny at the home of Carl A. Brady, June 9, 1905.

William Nagel and Josephine Collett, charged with fornication, Aug. 5, 1905.

Frank Coolidge, charged with malicious mischief, destroying mirror of value of \$14, the property of the Rock Island Brewing company, May 15.

Oscar Carlson, charged with cruelty to animals, torturing a horse owned by Harry Kniff with carbolic acid, April 23.

William Berglan, charged with stealing brass scraps from the C. R. I. & P. Railway company, Jan. 22.

Herbert Williams, charged with stealing overcoat and watch from Henry Schomberg, Feb. 9.

Edward McVey, charged with destroying property in the saloon of Ed Ward in Moline, April 19.

James Hanson, charged with entering house of James B. Cook and stealing jewelry and money of value of \$25.25, April 22.

Hall Golden, charged with assaulting John Oulis with a piece of iron pipe Jan. 18.

Ell Hoffman, charged with burglary at home of Albert H. Kreiter in Moline, April 1.

FRANK MILLS IN RUNAWAY

Old Settler of Drury Township Suffers Injuries.

A runaway accident that resulted seriously for Frank Mills, an old settler and proprietor of a store near Eliza, in Drury township, occurred yesterday afternoon. Mr. Mills had seated himself in a buggy, while one of his men was hitching a colt. Suddenly the young animal started on a wild run, and in a short distance Mr. Mills was jolted from the rig and thrown to the ground. He struck on his head and shoulders, and was rendered unconscious by the fall. No bones were broken, though he suffered severe contusions. Mr. Mills is 63 years old.

AUTOMOBILE IN MIDST OF FIRE

Stuart Harper's Motor Car Catches Blaze from Gasoline—Sets Fire to Barn.

A fire that considerably damaged Stuart Harper's steam automobile and for a time threatened to destroy the barn on the Harper homestead on Seventh avenue and Eighteenth street, occurred last evening about 8:25, when the man in charge of the machine was engaged in filling the gasoline tank of the automobile. Either from the ignition of gasoline that might accidentally have fallen on heated parts of the machinery, or from some other cause, the under part of the automobile broke into flames, and quickly spread to the gasoline. In a moment the entire interior of the barn was in flames. The fire department was summoned, and the men at the barn, attaching a small hose, extinguished the flames in the lower part of the building and about the automobile. The flames had spread to the upper floor however, and the services of the department were required to check this blaze.

The damage is largely confined to the automobile itself. The tires and all the upholstery and trimmings of the vehicle were destroyed. But slight damage was done to the building, though the furniture was badly scorched.

The conference opened this afternoon at 2:30, a luncheon for the visiting officers and the local board of directors being held at noon, at the association. This afternoon was devoted largely to a discussion of boy's work, and at 4:15 L. L. McDonald, who was formerly the general secretary of the Rock Island Y. M. C. A., conducted a meeting for the older boys of the association. Mr. McDonald's remarks were devoted to the coming boys' conference at Lake Geneva, which it is probable that a number from Rock Island will attend. Mr. McDonald's description of Lake Geneva and the conference work was illustrated with the stereopticon.

A luncheon for committeemen of the three associations, Rock Island Moline, and Silvis, will be held at 6:15, and over 40 acceptances have been received for this gathering. Following a program including addresses by the three state officers will be carried out.

TO TALK IT OVER

Retail Merchants Want Voice of Citizens on Telephone Matter.

MASS MEETING IS CALLED

Men Posted on Subject Will Be Heard—Merchants Also Recommend That Stores Close All Day May 30.

In view of the situation in which the city now finds itself with reference to its relations with the Central Union Telephone company, the directors of the Rock Island Retail Merchants' association request the attendance of every telephone user in the city at a mass meeting of citizens, which will be held at Turner hall Friday evening at 8 o'clock. The purpose of this meeting is to discuss the telephone question as it applies to the city's interests, that a consensus of opinion may be obtained as to the best method of procedure for the protection of telephone patrons as well as to the taxing public. Speakers well posted in telephonic matters will be present, and as this is a very important question, a large attendance is requested. Some time ago the merchants asked the council to go ahead with the fight in the courts, but under the circumstances the question arises as to how far the matter should be carried in a legal contest. It is now desired to consult the people who will be taxed to pay for the fight as to whether or not it should be carried further if a satisfactory agreement can be consummated.

To Close All Day.

At an adjourned meeting of the directors of the Rock Island Retail Merchants' association yesterday, the directors voted to recommend to the merchants of the city that the city's stores be closed all day Memorial day. It has been the custom of the merchants of the city to close their stores only in the afternoon, and to remain open all morning. This, it is felt, should be discontinued, and the stores closed all day in memorial to the country's fallen heroes. It is probable that this recommendation, coming as it does from the Retail Merchants' association, will meet with quite general favor.
