

NEWS OF THE NEIGHBORS

DAVENPORT

Davenport May Be Drowned.—A letter was received yesterday by Chief of Police Tom Atkinson from the chief of police at Kansas City, Kan., stating that a cat and vest were found on the bank of the Missouri river just outside of Kansas City, in the pockets of which were found two pictures of three men, and also a memorandum "My name is E. Erdman; I live at Davenport, Iowa." The pictures are very small, about one by one and one-half inches. One photograph contains the pictures of two men and the other of one, and the police say that two of the faces are familiar. The chief of police of Kansas City, Kan., D. E. Bowden, states that the owner of the garments, who is evidently E. Erdman, may have fallen into the river or may have committed suicide. The letter does not state anything about the body. Relatives in Davenport stated that the Erdman mentioned formerly boarded with Gus Pahl in Bettendorf, and that he left Davenport April 11 after having had some family trouble on his mind. A sister of the man says that when he left Davenport he had the two little pictures which were found in the coat or vest pockets with him. His sisters are Mrs. Fritz Brockman, 1007 West Fifth street; Mrs. Dunfield, West Fourth near Warren, and Mrs. John Ehlers, 1545 West Sixth street.

Davenporters Make High Scores.—Fred Nabstet, George Conger, Henry Claussen, Chris Jansen, William Fisher, Emil Berg and Frank Berg composed a contingent of local marksmen who went to Lyons Sunday and participated in the opening shoot of the season of the Lyons Gun club.

The Davenporters made the high scores in all of the events.

Big Drain Nearly Finished.—The last section of the big west end storm drain which has been under construction for several years will be finished this week, in two or three days. Tuesday morning the city will place a force of men at work on the continuation of the drain on Harris street, south of Rockingham road on the lower portion of the drain extending to the river. With the completion of the drain the city will have a most efficient drain system, which abolishes the creek which carried the water from Telegraph road and Cedar street, and does away with the necessity of bridges over streets.

May Be Hiding in Rock Island.—Although the police of Davenport, Rock Island and Moline have been working tirelessly on the case, the would-be murderer of George Tholis is still at large, although it is reported that he is being concealed by his countrymen in Rock Island. The victim of the attempt is still in a critical condition at St. Luke's hospital. The danger will not be passed until the expiration of four or five days. The trial of Gregoris Baromis, the brother of the assassin who is charged with assault with intent to commit murder by aiding and abetting, and holding the victim, while his brother shot Tholis, was postponed indefinitely awaiting developments in the case, to see whether or not the man will die.

Obituary Record.—At his home near Hollis, Green county, Okla., recently occurred the death of William J. Branigan, after one week's illness from consumption. Mr. Branigan was formerly a resident of Davenport, his home being at 804 East Locust street.

He was a carpenter, having worked for the prominent contractors of the 70's and 80's. He left here 17 years ago for west Texas, and later transferred his residence to Oklahoma. Alice Niemeyer, the infant daughter of Mr. and Mrs. August Niemeyer, 1718 West Second street, died Sunday morning at 6 o'clock at the home.

MOLINE

12-Inch Mill Resumes.—Yesterday the Sylvan Steel mill was again started in operation, about 150 men being put to work in the 12-inch mill, which has been idle for some weeks. The management announces that it is a temporary run but may continue indefinitely, depending altogether on the amount of orders which are received.

School Trustees Re-elected.—M. M. Aldrich, whose term expired as president of the East Moline school board, was elected president again Saturday by an overwhelming majority, as well as the remainder of the board ticket. The other candidates who were victorious were Erik Larson, Claus Lundquist, Arthur Swanson and Mrs. Sarah Mulera. The holdover members of the board are Mrs. J. R. Willey and P. G. Stange.

Boy's Arm Broken.—Seely Hecker, the 9-year-old son of Mr. and Mrs. C. E. Hecker, of Fortieth street, was thrown from his pony Saturday afternoon and sustained a broken arm. The lad was riding on Thirty-seventh street when the accident happened.

New Saloon Broken Into.—Burglars broke into Henry Huyvaert's new saloon, on the corner of Sixth avenue and Fifteenth street, sometime early Sunday morning, and smashed the cash register. No money was secured, but four quarts of whiskey and as many quarts of champagne and a few cigars were taken. Mr. Huyvaert opened up the new place Saturday night and who ever entered the place no doubt expected to find some money. Entrance was gained by forcing a rear window.

Fugitive Arrested.—Joseph Jacquin of Peoria was arrested by the authorities Saturday afternoon for Sheriff Hines of that city, and taken back Saturday night. He was residing with a brother in this city and told the police that he was just recovering from an attack of sickness.

Lundgren-Swanson.—The marriage of Carl J. Lundgren and Miss Ella V. Swanson was solemnized at 6:30 Saturday evening in the Swedish Lutheran parsonage by Rev. L. A. Johnston. The couple were attended by Gustaf Anest and Miss Wilma Wicklund. Mr. Lundgren is a driller at the Deere & Co. plant. His bride has lived in Moline for a number of years, although her parents do not make their home here.

A little backache at first. Daily increasing till the back is lame and weak. Urinary disorders quickly follow. Diabetes and finally Bright's disease. This is the downward course of kidney ills.

Don't take this course.

James Grimes, 1728 Third avenue, Moline, Ill., says "I suffered from kidney disease and its kindred ailments for years. The most severe symptoms were pains across my loins and continual backache. I could not stoop or lift anything without enduring sharp shooting pains through my back and shoulders. The secretions of the kidneys were very irregular, causing me much annoyance, particularly at night when I would have to get up many times. I tried many remedies but was unable to get any relief until I heard of Doan's Kidney Pills. I immediately procured a box and after taking them in accordance with the directions, the pains began to leave me, the secretions became regular, and in a very short time I was completely cured. I can conscientiously say that I owe my present good health to Doan's Kidney Pills, and am glad to recommend them to anyone suffering from any form of kidney disease."

ALMOND BLOSSOM
Complexion Cream
GREATEST
TOILET LUXURY
MADE

Cleanses, softens, purifies, whitens and beautifies the skin. Soap and water only cleanse superficially.

Mme. Yale says: A Little Almond Blossom Complexion Cream should be applied every time the face and hands are washed. It removes the dust, dirt, grime, and most and soundest from the interstices of the skin and makes the surface smooth as velvet.

A daily necessity, at home and abroad; a treasure when traveling by land and water. Protects the skin from cutting winds, burning rays of the sun and every injurious effect of the elements. Prevents and cures abnormal redness of the nose or any part of the face, also chapping, chafing, cold sores, fever blisters and all irritations of the skin. It is the greatest known specific for burns, takes the fire out quicker than anything else, soothes, heals and prevents scars and suppurations. Indispensable for use of infants and every member of the household. An exquisite natural beautifier. A grateful application after shaving. Excellent for massage purposes. Mme. Yale's Almond Blossom Complexion Cream is now sold in two sizes.

84% Nutriment

Beans are Nature's choicest food. Better than meat—cheaper by far

You don't eat enough of them, because beans cooked at home are not cooked rightly. And cooking takes too long. Beans, to be digestible, must be factory cooked. It requires a fierce heat to break down their fibre, and you can't apply it. That's why your beans are heavy. Ours are baked 90 minutes at 245 degrees.

Let us cook for you. We are experts on beans, and we have the facilities

Ours is the accumulated knowledge of 47 years applied to baked beans and tomato sauce. No wonder we know. We bake in live steam. That is why our beans are all baked alike without bursting. They are nutty, yet mealy. And we bake the beans, the tomato sauce and the pork all together, and secure a delicious blend.

Van Camp's pork and beans baked with tomato sauce

Then we get better beans than you get. And we pay seven times what some beans cost to get them. We use only the whitest, the plumpest, the fullest-grown. Our sauce is made from vine-ripened tomatoes. It costs us just five times what some sauce is sold for. But to that sauce is due Van Camp's superlative zest.

You eat beans once a week now, maybe. You'll eat them daily when you know

You will eat them because of their food value. Because they are appetizing—delicious. What else do you know that compares with them?

You will serve them because they are convenient. A dozen cans in the house means a dozen meals always ready. But be sure to get Van Camp's. Other brands are not like them.
