The "Show Me" \$2,000 Touring Car

The Standard of American Automobile Value. If you are interested, we'll take you for a 50 or 100 mile spin and "show you." No obligation on your part. We'll "show you" how smoothly and easily the Mitchell "takes the road"—we'll "show you" the superior style, finish and construction of the Mitchell, and if the Mitchell doesn't "prove up"—if it does not fulfill your expectations, if it will not meet your needs as no other car can, at any price—just say so—and we'll retire without a word. Just let us convince you with this "silent argument." Just write us and say when you're ready—we'll have a car call for you.
