

## A RECORD CROWD

Odd Fellows Attend Annual Tri-city Outing in Unusually Large Numbers.

### LOCAL TEAM WINS GAME

Victory at Baseball Gives This City Permanent Ownership of Trophy—Races Are Held.

The Odd Fellows of the three cities established a new record for themselves yesterday when some 3,500 of them turned out to attend the annual picnic which was held at Campbell's Island. Over half of these spent the entire day at the resort, the rest of them coming up in the afternoon or early evening. Up until yesterday the largest attendance at the annual picnic had been 600. The day was devoted to enjoying nature, and among the amusements were a number of foot and novelty races and a champion baseball game between the Rock Island and the Moline lodges.

#### Islanders Win Game.

The Rock Island team won the ball game and at the same time won the permanent ownership of the silver loving cup which has served as the prize for the ball games for a number of years. The victory over the Moline Odd Fellows yesterday made the third consecutive time that the local team has won it, and that settled its ownership. The winners of the cup lined up as follows: Patton, c; Church, p; Lemburg, 1b; Kerns, 2b; Graham, ss; Atkinson, 3b; Johnson, lf; Pauley, rf; Samuelson, cf.

The losers presented the following lineup: Carlmark, c; Appelquist, p; Kropp, 1b; Huey, 2b; Stewart, ss; Dyce, 3b; Adolphson, lf; Kelting, rf; Brown, cf.

The score of the game by innings was as follows:

Rock Island.....001043010-9 14 7  
Moline.....101213000-8 10 4

## DOCTOR ADVISED OPERATION

Cured by Lydia E. Pinkham's Vegetable Compound

Paw Paw, Mich.—"I suffered terribly from female ills, including inflammation and congestion, for several years. My doctor said there was no hope for me but an operation. I began taking Lydia E. Pinkham's Vegetable Compound, and I can now say I am a well woman."

Another Operation Avoided. Chicago, Ill.—"I want women to know what that wonderful medicine, Lydia E. Pinkham's Vegetable Compound, has done for me. Two of the best doctors in Chicago said I would die if I did not have an operation, and I never thought of seeing a well day again. I had a small tumor and female troubles so that I suffered day and night. A friend recommended Lydia E. Pinkham's Vegetable Compound, and it made me a well woman."

Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has proved to be the most successful remedy for curing the worst forms of female ills, including displacements, inflammation, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, and nervous prostration. It costs but a trifle to try it, and the result has been worth millions to many suffering women.

## BONDSMEN WANTED TO GIVE UP MAN

Cooper's Sureties Would Withdraw, But Attorney Could Not Be Located by the Police.

Charles T. Cooper, the Davenport attorney who was arrested yesterday on the charge of assault with intent to commit rape, was released today under bonds of \$2,000 which were furnished by J. Cecile Staggs of De Witt, Iowa. Soon after Cooper had been released, his bondsman got cold feet and desired to withdraw his bonds and accordingly the police tried to arrest Cooper again but he was not to be found. The preliminary hearing on the case has been set for August 4 at the request of Mrs. Mamie Layton, the plaintiff in order that she may arrange for a special attorney to conduct the prosecution.

Mrs. Layton reiterates her charges of yesterday and Cooper says that he believes a frameup against his reputation has been made. Cooper acted very strangely before and after being released on bonds and it is beginning to be believed by a number of people that he is either insane or is affecting insanity.

Word has been received here that Rev. Frederick A. Heisley, formerly assistant rector of Trinity Episcopal church and now of Corry, Pa., has recently come into money by a decision in Pennsylvania, which has awarded him the accumulations as well as the annual income of a bequest granted by a will in Philadelphia which became of force through the death of the testator in 1883, from which date the accumulation, under a misinterpretation of the law, began. He will continue his work at Corry and outlying missions, and assist in the labor of erecting a new diocese out of the present archdiocese of Erie.

## CLERKS PLAN EXCURSION

Railway Brotherhood Holds Meeting and Arranges Trip.  
The Brotherhood of Railway Postal Clerks, No. 16, held a meeting

last evening at Math's Hall and plans for an excursion on the steamer W. W. on July 20. On that evening, the clerks will entertain their friends on board the steamer. A communication from the Illinois state federation of railway clerks was read at the meeting and notification was given of a meeting which that organization will hold on August 8 at Davenport. The local branch will be represented at the state meeting.

## JENCKE IS CHOSEN

## SPECIAL MEETING IS HELD

Pt. Madison Sends Thanks for Support—Assurance of Success in Effort to Land Regatta.

## Delegates Report Success.

The delegates who represented the local association at the convention of the Mississippi Valley Power Boat association, which was held in conjunction with the annual regatta at Burlington, reported at last evening's meeting on what had been done at the convention. In addition to this, the delegates stated that they were practically assured by the convention that the regatta in 1911 will be voted to Davenport and Rock Island. The two cities were represented in Burlington by fully a thousand people and every one of them wore a little banner with the inscription, "Rock Island-Davenport, 1911." This was a very forceful way of bringing the matter before the convention and it was practically conceded before the meeting was called to order, that the 1911 meeting would be in this city and our neighbor across the way. A letter was read from Mayor Corsepius of Fort Madison, in which thanks were tendered to the local delegates for the stand taken by them in trying to vote the 1910 convention and regatta to Fort Madison. Although Peoria won out because of the absence of most of the delegates from the lower river cities, this city and Davenport won the admiration and friendship of the Mississippi clubs by standing steadily for Fort Madison throughout the fray. As a result, Fort Madison, Burlington, St. Louis, Muscatine, Clinton, Savanna and most of the smaller cities along the river have

conceded the 1911 regatta to the local clubs.

## Plan an Excursion.

The Island City club has planned for an excursion on the steamer W. W. for the 22nd of this month and it is hoped that a snug sum will be realized to apply on the standing indebtedness of the organization. The excursion will be a moonlight affair, and dancing, music and the usual refreshments will be the attractions. Committees to take charge of the trip have been appointed and the tickets have been placed on sale.
