OLDEST PASTOR IN CONFERENCE IS CALLED HOME

Rev. J. S. Cumming Active in
Methodist Church Three
Score Years.

OVER 80 YEARS OF AGE

Sudden Death from Apoplexy Comes
After Work in Preparation for
Sunday Was Done.

Rev. Joseph Smith Cumming, pastor of the Second Methodist church of Moline, and oldest active minister in the Central Illinois conference, passed away at his home in this city at 2 o'clock Sunday morning. The end came suddenly, apoplexy being the cause.

Mr. Cumming had the wish he had often expressed realized in that he died in the harness. With his deep reverence for the Sabbath, he had done all his work in preparation for the services of Sunday Saturday night before retiring. His sermon was prepared, announcements written and clothing cleaned and laid out ready for morning before he retired.

About 2 o'clock he complained to his wife of feeling ill. She helped him to take a simple remedy which was kept in the room. A few moments later he lapsed into unconsciousness and in a short time was dead. Two physicians were summoned, but they found that the spark of life was gone.

TOOK SLIGHT COLD.

Mr. Cumming was in his usual health, except that he had taken a slight cold a week ago while attending conference at Galesburg. Owing to the circumstances it was considered unnecessary to hold an inquest.

Mr. Cumming had been in the ministry three score years. He was born in Abingdon, Va., April 28, 1832, being 81 years of age. His parents were Rev. and Mrs. W. C. Cumming. When four years of age he came with them to Illinois, settling in Tazewell county.

When he had finished the common schools he graduated from the Mt. Morris academy at Mt. Morris and later taught school. He studied for the ministry and in 1853 was admitted to the Methodist conference of this part of the state, there being no Central Illinois or Rock River conference at that time.

The first work as pastor was done at Carthage. Among other cities in which charges were held were Peoria, Monmouth and Odell. He served as pastor in Moline three times, twice with the First church. The first time was in the 60's when the church was located on Fifth avenue. He again served with the First church from 1893 to 1896. He came to the Second church from Odell four years ago.

WAS DEDICATED.

Besides his pastoral duties, Mr. Cumming had served the church in many other capacities. From 1882 to 1896 he was president of Hocking college at Abingdon. For 50 years he was a member of the board of trustees of the Illinois Wesleyan university at Bloomington, from which he obtained the degree of L. L. D. The degree of D. D. was obtained from the Iowa Wesleyan university at Mt. Pleasant. For 14 years he presided over the Central Illinois conference and for three years he served as its secretary. As head of the home mission and church extension boards he presided at the recent conference at Galesburg. In all the three-score years of his membership he missed but one roll call at the Central conference and on that occasion he was called away to officiate at the funeral of an old friend.

Mr. Cumming was twice married. In July, 1852, at Washington, he was united with Miss Margaret R. Maris. Of the eight children born to the couple, six survive. Rev. Frank Cumming of Memphis; Mrs. Belle Gilbert, Mrs. Eva Sisson and Mrs. Gusset Metzger of Chicago; Mrs. Minette Patterson of Monmouth, and Mrs. Fannie Walker of Seattle. In 1893 Mrs. Cumming died and in 1895 the widower married Mrs. Sarah Dossow of Moline, who survives. There are also two

brothers and one sister, Rev. W. A. Cumming of Victoria, Ill., Harvey Cumming of Colorado, and Mrs. Jane Van Buskirk of Hastings, Iowa.

FUNERAL TUESDAY.
The funeral will be held from the First Methodist church at 2:30 Tuesday afternoon. Services will be in charge of Dr. Alexander Smith, district superintendent, of Kewanee, who will be assisted by Rev. A. K. Tullis, retired, and Rev. A. F. Bergstrom of this city, and Rev. T. E. Newland of Rock Island. Rev. J. E. Connor of Moline will offer prayer. The remains will be taken to Monmouth, where brief services will be held Wednesday afternoon at the home of the daughter, Mrs. Patterson.

POLICE PENSION MAY BE ADOPTED

Moline Considers Taking Advantage of State Law to Aid
Veteran Guardians.

With three or four men now in position to take advantage of its provisions, one of them disabled and unable to perform his duties for three months, the city commission is seriously considering the adoption of the plan for pensioning policemen provided for by state laws. The question was brought up at the meeting today. Under the Illinois law cities between 20,000 and 50,000 are required to set aside a certain part of revenues derived from saloon licenses, dog taxes and fines collected by the department for the pensioning of policemen who desire to retire after they have served 20 or more years and are at least 50 years of age. There is a provision for taking care of men disabled in the service and those retiring are given half pay.

It is necessary for the mayor to appoint two members of a commission to have charge of the fund and these members name a third. The fund is perpetual and there is no method of disbursing it other than to retired or disabled policemen.

WATER NEAR BUT BUILDING BURNS

Youngquist & Henderson's Grocery Store on River Bank
Destroyed.

Youngquist & Henderson's grocery store at Forty-fifth street and River drive was completely destroyed by fire about 9 o'clock Saturday evening. Defective wiring is supposed to have been the cause. There was nobody in the store when the flames broke out, the place having been closed for the night. Both of the proprietors had gone away. Mr. Henderson to Silvis, where he was notified of the fire by telephone. Hurrying back in an automobile he found that the building was doomed.

Neighbors broke into the store and carried out the kerosene and gasoline and some of the flour. Otherwise everything in the structure was destroyed. The loss is \$3,000.

An alarm brought the Moline fire department, but owing to the fact that there were no hydrants in that vicinity nothing could be done. Though the building stood within a few rods of the river the water from that source was not available because there was no equipment to pump it. The circumstances are being used by the firemen as an argument for the purchase of a truck with pump attachment for use in case of fires such as this.

ALL STOCKHOLDERS TO ATTEND MEETING

At a meeting at noon today of the building and loan committee of the Greater Moline committee it was urged that all subscribers for stock in the Moline Loan and Homestead association attend the meeting tomorrow evening, which will be held at the Moline Commercial club for the purpose of reorganizing. Twelve directors are to be named to take the place of the old board, all having resigned.

PROMISES HELP TO GET MEETING

Charles W. Alexander Hears of
Invitation to Confederate
Veterans.

IS A NATIONAL FIGURE

Leader of Movement to Bring North
and South Together Enlisted
for Moline.

Results are being reaped from the seed sown when the Greater Moline committee two weeks ago adopted a resolution inviting the United Confederate Veterans' association to hold its next meeting here. Far and wide the news has gone through newspaper channels that the organization was invited here and there has been considerable comment, particularly in the south, and most of it favorable.

One of those interested is Charles W. Alexander of Philadelphia, prominent for many years in the effort to bring the north and south into a closer union. He has written promising his aid, and this means a great deal.

Mr. Alexander saw the story in the San Antonio, Tex. Express and immediately wrote to J. B. Oakleaf, with whom he has had correspondence on other matters. In his letter he said: "From the enclosed Texas clipping I note Moline is moving forward. Good. And your city could not have chosen anything that will bring her citizens more solid and enduring glory and patriotic satisfaction than in having the suggested 'gray' reunion in the state of Abraham Lincoln's birthplace and burial."

"For 48 years it has been the incessant labor of my life to help bring about a real reconciliation between the south and the north; the gray and the blue. So please ask your citizens' committee to send me papers and information literature and I will take the greatest pleasure in helping them to success."

MAN OF INFLUENCE.

Mr. Alexander has had sufficient influence in the past to head several national movements, the object of which was to draw north and south nearer together and wipe out the prejudices which arose as a result of the civil war and the issues which led up to it. His cooperation means that the invitation will receive serious attention at the hands of the confederates' organization.

DROP FRACTIONAL STREET NUMBERS

Petition from Residents on
Fourteenth-and-a-half Has-
tens the Reform.

Tired of having the thoroughfare they live on designated by a fractional number of residents of Fourteenth-and-a-half street today petitioned the city commission to change the name to "Prospect Drive." The petition pointed out that the street has three names. It is Fifteenth from the river to Sixteenth avenue, Fourteenth-and-a-half from Sixteenth to Twenty-third, and Fourteenth from Twenty-third to the southern limits.

While the commission is not ready to do away with the system of numbers for the designation of streets, the petition will probably have the effect of hastening maturing of plans for the doing away with fractional numbers used, there being many of these. Commissioner Clark G. Anderson, to whom the petition was referred, stated that the plans had been under consideration for some time, but nothing definite had been decided upon. However, it has been determined to make the changes outlined.

TIPTON HIGH SCHOOL SWAMPED BY MOLINE

Reorganized during last week, the Moline high school football tribe swamped the Tipton team Saturday afternoon by a score of 62 to 0. After the showing against West Liberty a week earlier the reversal caused surprise and much joy to admirers of the maroon and white. Not only did all the men who started out in the lineup show up well, but all the substitutes introduced during the contest proved their class. The contest was characterized by fast play and an irresistible attack which carried the visitors off their feet and kept them guessing what was coming next. Wilson, the visiting quarterback, was injured and had to be carried off the field, but his condition was not serious.

OPEN NEW HOTEL BY DEC. 1

Campbell's Establishment on Sixteenth
Street Modern.

Efforts are being made by the contractor, P. H. Lorenz, to have the hotel being erected for C. O. Campbell on Sixteenth street between Fifth and Sixth avenues ready for opening by Dec. 1. The building is three stories in height, of pressed brick and with Bedford stone trimmings. There will be 40 guest chambers, all on the upper floors. Cafe, bar, lobby, barber shop and manager's apartments are on the

ground floor. There will be running water in every room and a lavatory on each floor.

OLSON DECLINES FEDERAL HONOR

Former Mayor of Moline Unable
to Join Panama Exposi-
tion Commission.

Andrew Olson, former mayor of Moline, will not go to South America as member of a United States commission to interest Latin-American countries in the Panama exposition in 1915. In spite of the fact that he has no wife to insist upon taking and is therefore entirely qualified, the undertaking will not have his co-operation for the reason that there is not sufficient time for him to arrange his business affairs.

Even a bachelor cannot always throw a couple of clean collars into his suitcase and take the next train out for an absence of several months. By the time Thomas Rees of Springfield had been found ineligible because married, the time was so short that even a single man could not get ready for the trip. The commission is due to sail tomorrow for Colon.

Both Mr. Olson and Mr. Rees are understood to be marked for preferment in the federal service, the former being favored for a place as consul.

ASSAULTED GAME WARDEN

Charge Against J. J. Calvin, Orion
Man, Under Arrest.

J. J. Calvin of Orion is held for a hearing 10 days hence by Magistrate Kale of Silvis, the charge being assault and battery. The complainant is Game Warden Roberts of Hillsdale, who happened along the road when Calvin is alleged to have taken a shot at a covey of quail. Being reminded by the state officer that it was against the law to shoot quail at this season, Calvin is alleged to have become abusive and was placed under arrest. Then, Roberts claims, the Orion man assaulted him. The officer stuck to the job, however, and finally brought his man into court.

FEDERALS HEM CHINESE BANDITS

Hankow, Oct. 6.—Four thousand government soldiers completely surround the town of Tsaoyang, where a number of American and Norwegian missionaries are in the hands of Chinese bandits.

Official telegrams received yesterday at the office of General Li Yuen-Hang, vice president of the republic, report an attempt on the part of the bandits to make their way out of the city.

Thursday evening they opened all the gates and tried to escape through the strong government cordon, but failed. Desultory fighting ensued for several hours and the bandits retired within the walls of the city. Two hundred bandits and eleven soldiers were killed.

One report estimates that the bandits number 1,000, all of them well armed. Skirmishes are occurring daily.

Peking, Oct. 6.—The American legation fears the consequences of the fighting which has already occurred between the government forces and the bandits at Tsaoyang, in spite of instructions issued at Peking.

The government has telegraphed to the authorities at Siang-Yang-Pu to offer liberal rewards if all the missionaries at Tsaoyang are recovered alive. It is urged that the gentry act as intermediaries. Up to the present no official news has been received here regarding the fate of missionaries.

Edward T. Williams, the American charge at Peking, notified the state department at Washington yesterday that the legation as yet had not been able to learn the nature of the brigands' demands.

The American vice consul general at Shanghai, J. P. Jameson, has informed the legation that one of the foreign women was injured, probably when the town was attacked.

The captives, according to the latest report, are: Rev. George Holm, wife and son and Miss Sather, Americans; Miss C. L. Rasmussen, Mr. Herdahl and Rev. H. Fauske and wife, Norwegians. The little son of Mr. and Mrs. Fauske was killed.

POURS KEROSENE ON A FIRE; DEAD

Mrs. Edward De Boo, Wife of
Grocer, Fatally Burned When
Oil Explodes.

SUFFERS GREAT AGONY

Flames Eat Clothing from Her Body,
Nearly Every Part of Which
Is Scared.

Mrs. Edward De Boo, 1225 Sixteenth avenue, died at the city hospital Sunday morning at 11 o'clock from the effects of burns received while lighting the kitchen fire Saturday evening. Nearly every inch of her body was seared by the flames and her agony was terrible. She was conscious till within a short time of the end.

Mrs. De Boo, who was 32 years of age, undertook to build a fire to prepare the evening meal about 5:30 Saturday evening. The flames died out and apparently there was not a spark left. She secured a gallon can of kerosene and poured some of the oil into the fire box. In an instant there was a flash and an explosion of the can she held in her hands, the fire having ignited the oil in the container.

With blazing oil all over her the frantic woman rushed through the house to the sidewalk in front, where her husband was. Throwing her arms around his neck she implored him to help her. He struggled to free her and attacked the flames with his hands. Seeing, however, that this method would not avail he secured a blanket and tried to smother the fire. By this time, however, nearly all the clothing had been burned from the woman's body.

HAD NO CHANCE.

A physician was called and Mrs. De Boo was taken to the hospital. It was seen at once that she had no chance to recover. An inquest was held at the Danielson & Furgie undertaking rooms this morning by Police Magistrate Frank Gustafson, acting in the absence of the coroner. The verdict was accidental death.

Mrs. De Boo's maiden name was Mary Sperralar. She was born in Belgium in 1881. July 23, 1909, she married Edward De Boo and they came to America and to Moline. Three years ago a son was born to them, and he, with the husband and father, survives.

A week ago the couple bought a small grocery store on Sixteenth avenue and took possession of it. They lived in rooms in the rear of the store.

The funeral will be held at 9 o'clock tomorrow morning with services at Sacred Heart church in East Moline.

HUSBAND SEVERELY INJURED.
The husband's burns about the hands and arms are severe. He will be laid up for weeks. Wrapped in bandages he testified at the inquest, telling his story with difficulty because of grief.

CROXONE SAVES ELDERLY PEOPLE FROM KIDNEY AND BLADDER MISERIES

Sleep Disturbing Bladder Weak nesses, Backache, Stiff Joints,
Rheumatic Pains Disappear After Few Doses Are Taken.

While people along in years are naturally more subject to weak kidneys, they can easily avoid the tortures of backache and rheumatism and be saved the annoyance of getting up at night with disagreeable bladder disorders.

Croxone relieves these conditions by promptly reaching the cause and making the kidneys filter the blood and sift out the poisonous acids and waste matter that cause these troubles.

It soaks right in and cleans out the stopped up, inactive kidneys, dissolves and drives out the uric acid and other poisonous impurities that lodge in the

joints and muscles and cause rheumatism. It neutralizes the urine so it no longer irritates the bladder, overcomes unnecessary breaking of sleep and helps the kidneys and bladder regain health and strength.
