land Christian churches for membership will close tomorrow. The three local churches, the Memorial, Fifteenth Avenue and Second Christian, have held a lead of points all through the contest, but the Davenport church has made an extra effort the past week and just what the results will be is a problem. The local churches have worked hard throughout the contest and many new names have been added to the bible school roll and the attendance has been prompt each Sunday. Souvenirs will be distributed tomorrow to everyone of the bible school who is on time at 9:30.

Chicago is asked to provide \$1,322,000 for a garbage disposal system.

BOWEN MAKES A PLEA FOR MERCY

Secretary of State Charities Commission Speaks at Watertown Hospital.

ONE NURSE IS GRADUATED

Conception of Duty to Humanity Crude but Big Advances in Near Future Is Predicted.

With a plea for kindness and mercy in the treatment and care of the insane, A. L. Bowen, executive secretary of the state charities commission of Springfield, addressed the graduating class of the nurses' training school of the Watertown state hospital last night. Mr. Bowen said that the commencement day of a training school for nurses is not an ordinary commencement day. The graduating nurse has been through a practical schooling. While she has been studying she has been working. While she has been getting from books the theory of nursing she has been actually applying it in practice on wards.

Mr. Bowen said that while we speak piously and seriously of our duty to humanity, and of our responsibilities to the unfortunate our conception of it is crude and almost barbarous. He referred to the 25th chapter of Matthew, and said it should be the text and guide of every employee of a state hospital or state charitable institution, because "it contains the whole creed of humane, personal service to the unfortunate."

Are Still Pioneers.
The training schools of the state hospitals of Illinois are yet in their infancy, and necessarily are incomplete, crude and ineffective. They are still pioneers in new and unexplored realms.

In his plea for mercy and kindness, Mr. Bowen said, "These are the two noblest attributes of man. There is one place where there can be too much of them. I mean the hospital for the insane. The state of Illinois, through its highest authority, demands of every one of its employees in these institutions that he be kind and merciful to these patients. In my own mind, the man or woman who abuses an insane patient, who is helpless by reason of his confinement and his mental weakness, is capable of any brutality. I do not conceive of punishment severe enough for him. If I had my way I would make it a crime of the first degree for an employee of the state to lay hands upon an insane patient committed to his care and protection."

Sees Triumphs of Science.
"In the treatment of the insane, he said, 'we have scarcely scratched the surface.' He predicted that in the next 20 years the triumphs of medicine and surgery will be greater than those which have marked the last hundred years.

Concluding the speaker said, that it is "the spirit in which an act is done which makes it great or mean. A little act may attract the world and live in history, because its spirit was sublime, while a great deed will sink into oblivion because its spirit was selfish. Do, therefore, even the littlest things for your patients in the spirit of humanity and brotherhood."

The commencement exercises of the class were held in the chapel, Dr. J. A. Campbell, superintendent, presiding. The room was beautifully decorated. On the platform were the members of the staff and a number of guests. Mitchell's orchestra furnished the music. Rev. J. M. Osborne offered the invocation and pronounced the benediction. There were vocal solos by Mrs. R. F. Windsor and Miss Grace T. Lucas.

Zeller Presents Diplomas.
The diploma was presented by Dr. George A. Zeller, alienist of the board of administration, who made an interesting address on the growth and development of hospitals for the insane throughout the United States. He referred to the fact that Illinois is one of the most progressive states in work among the insane and feeble minded. He said that this state is one of the most successful in its training schools for nurses. This week the eight hospitals for insane in Illinois have graduated 41 nurses whose salaries on July 1 will automatically be raised. If these 41 graduates remain in the service their increase in pay will amount to \$10,000 a year. Dr. Zeller made it a point that there is wonderful opportunity for advancement in the state charitable institutions, but he said that it is necessary in order to reach the higher grades and the better pay to study, work and apply oneself.

The class pin was presented by Miss Grace Williams, the chief nurse of the institution. The class this year consisted of only one graduate, Mrs. Nora Avert. Next year, it is expected, to graduate a class of seven or eight.

Following the exercises there was a reception and dance during which refreshments were served.

SCRIPTURE

I. Timothy 2:1-10.

I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men;

For kings, and for all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty.

For this is good and acceptable in the sight of God our Savior;

Who will have all men to be saved,

and to come unto the knowledge of the truth.

For there is one God, and one mediator between God and men, the man Christ Jesus;

Who gave himself a ransom for all, to be testified in due time.

Whereunto I am ordained a preacher, and an apostle, (I speak the truth in Christ, and lie not); a teacher of the Gentiles in faith and verity.

I will therefore that men pray everywhere, lifting up holy hands, without wrath and doubting.

In like manner also, that women adorn themselves in modest apparel, with shamefacedness and sobriety; not with broided hair, or gold, or pearls, or costly array;

But (which becometh women professing godliness) with good works.

FAREWELL GIVEN BY THE "Y" BOYS

Three Hundred Turn Out in Honor of H. B. Hayden, Former Department Head.

ALSO WELCOME MR. BURTON

Retiring School Superintendent Complements the Lads on Efficiency Program Shows.

Over 300 members of the boys' department, their parents and friends attended the reception last evening given at the Y. M. C. A. by the boys' department in honor of H. B. Hayden, retiring city superintendent of schools, who was formerly chairman of the boys' work committee. The evening was pleasantly spent watching the swimming exhibition, listening to the numbers of the program given by the boys themselves, and to the farewell addresses.

Herman Hill told how Mr. Hayden had watched the department grow from a membership of zero to 100, then 200, then 300 and finally at this date to see a membership of boys reaching the 420 mark, placing this department third in the state outside of Chicago and fifth including the Chicago departments. Bert Metcalf welcomed the new chairman, A. J. Burton, and assured Mr. Burton that the boys would stand behind him and help push Rock Island first on the list of boys' memberships.

Praises Efficiency.
Mr. Hayden said in his response that he was pleased to note how efficient the boys were, for the entire program put through by the boys themselves without any mistakes or interruptions, gave proof of the fact that somewhere in this department there was a smoothly running machine manned by capable fellows that were efficient enough to place Rock Island first, not only in membership but in everything else as well.

After the program everyone turned his attention to the punch bowls, placed here and there in the big lobby, especially efficient were the boys in their efforts to keep them empty.

Go to Church! No Man Too Busy to Give an Hour Each Week to God

GO TO CHURCH!

Is there a man in any community who is too busy to spend one hour each week in church?

There are one hundred and sixty-eight hours in every week. No man is too busy to eat during the week. No man is too busy to snatch a few hours of recreation in every week. No man is too busy to sleep during the week. Yet there are men who will declare that they are so busy they can't afford to give one hour in every one hundred and sixty-eight to worship in God's house. In church you will find spiritual food and rest.

Of all excuses for lack of attendance at church the "too busy" one is the flimsiest. Why isn't a man honest and admit that he doesn't want to go to church? Isn't it a fact that a man has a better feeling within himself and the world in general after he has spent an hour in the house of God?

ONE OF THE FINEST SIGHTS OF THE LENTEN SEASON WAS THE NOONDAY CROWDS IN THE CHURCHES LOCATED IN THE BUSINESS AND FINANCIAL DISTRICTS OF NEW YORK CITY. THERE MIGHT BE FOUND SOME OF THE GREATEST MEN IN THE COUNTRY. IT IS A HOPEFUL SIGN OF THE TIMES. NONE OF THESE REALLY BIG MEN WAS TOO BUSY TO GIVE SEVERAL MINUTES DAILY TO THE WORSHIP OF GOD. INCIDENTALLY, THESE BIG MEN BY THEIR EXAMPLE PREACHED POWERFUL SERMONS.

Don't hide behind the "too busy" pretext. It is too thin. If you have an important business or social engagement you will find time for it. God asks you to meet him for at least an hour every Sunday. Can't you arrange your engagements so that you can meet him? The visit will not be a disagreeable one. Surely you are not ashamed to be seen in church? You no doubt have been seen in worse places.
