TERRAPINS LEAD FEDERAL LEAGUE

Down Tinker's Feds at Baltimore and Advance Into First Place.

CUBS LOSE COSTLY GAME

Rube Marquard Too Much for Chicago Aggregation—Old Time Jinx Still Pursues White Sox.

Baltimore, Aug. 5.—Big Jack Quinn pitched the Terrapins into first place in the Federal league pennant race when he defeated Chicago, the leaders, in the opening game of the series here yesterday afternoon by the score of 2 to 1. Quinn hurled an excellent brand of ball, and although six hits were collected off him, they failed to come at opportune times.

LET'S HOPE THESE FOUR PUT UNCLE SAMUEL'S NAME ON DAVIS CUP

Above, Maurice McLaughlin and Norris B. Williams. Below, Karl Behr and T. C. Bundy. Center, Davis Cup.

Boston, Mass., Aug. 5.—The sides of the beautiful Dwight Davis tennis trophy are engraved with the names of the teams that have won it season after season and with the dates and the places of the contests. A close examination shows that the team from the British Isles has had its name there often more than the team of any other nation.

Dwight Davis of St. Louis first offered the cup in 1900, and in 1903 the English team won it from the United States. The American boys

were unable to recapture it till ten years later, last season. It was then that Maurice McLaughlin and Harold Hackett, through brilliant playing, were able to bring it back to the land of the free.

It is being seriously hoped that the American team this year will be able to withstand the warmest battling of the opposition and keep the cup. Within less than a fortnight the fate of the Davis cup will be known. A nation will have its eyes on Forest Hills, L. I., Aug. 13 to 15, when the challenge rounds will be played.

OLYMPIAN WINS THE LONG DISTANCE RACE ON LAKE

Mackinac Island, Mich., Aug. 5.—Living on raw eggs and ginger snaps half of the time and bucking into stiff northern winds from start to finish, State Senator Frank J. Snites' class P sloop Olympian crossed the finish line here at daybreak yesterday morning victor in the Chicago Yacht club's 11th annual long distance cruising race. The little black racer took 61 hours and 36 minutes to beat down the lake from Chicago against northerly winds. It sailed more than 600 miles to make the 331 miles of the course, and all of this time it was reached by a good seaway, which made things on board more uncomfortable.

Pacer Sets World Record.

Lexington, Ky., Aug. 5.—At the Blue grass fair yesterday afternoon, Hunter C. Moody drove the yearling bay pacer, filly, Rose McGee, by The Abbe, dam Vonis, worthy, by Axworthy, a mile against time in 2:19.4, thus establishing a new world record. The previous record for yearling pacer filly was 2:20.4, made here in 1911 by Present Queen, who also was driven by Moody. Moody likewise has the distinction of having driven Airdate, when, in 1912, he set the world record for yearling trotting colts at 2:15.4. Rose McGee was foaled at Failand farm, and is owned by Moody and former Senator Joseph W. Bailey.

Tennis Honors Divided.

Kansas City, Mo., Aug. 5.—Honors at the Missouri Valley championship tennis tourney yesterday were divided between J. J. Armstrong, St. Paul, Harvard champion, and Gordon Parker, Neodesha, Kan., American clay court champion in 1914. Both won their matches easily, Armstrong defeating Leon Fletcher, Kansas City, 6-1, 6-0, and Parker winning from Davison Obeor of St. Louis, 6-2, 6-2. In an earlier match Obeor had defeated L. P. Bristall, Kansas City, 6-3, 6-0.

GREEK DEMON IS BACK HERE AGAIN

William Demetral Says He Is in Good Condition for His Match With Roller.

CLINTON TAKES A SLUGGING MATCH

Betsil Twirls for Galesburg, but Waterloo Wins—Muskies Trim Ansons.

William Demetral, the "Greek Demon," has returned to this city from Starved Rock, where he has been in training for two weeks. The Demon says the injury he sustained in the recent bout with Dr. Roller is entirely off wind, etc., while the wrestler is perfect having been tested during the last week with daily 12 mile jaunts.

He will go into training with Gus Stamos, a heavyweight wrestler and two other fast grapplers, with whom he will work each day until the match. Demetral says he will win his second match with Roller on August 12, but he predicts that the bout will go for at least two hours.

Speaking of rough tactics, Demetral declared this morning that he had wrestled according to rules in the last match. Picking up an opponent and slamming him to the mat is real wrestling, he says, but he does not favor the method of jabbing eyes, shutting off wind, etc., while the wrestlers are still on their feet as employed by Roller according to Demetral. The people don't come to see that sort of thing, he says.

Dr. Roller is at present in Chicago, where he has been appearing in benefit and handicap matches. At his last writing he was in fine condition. He is expected in Rock Island next week.

Kilbane to Fight Dundee.

Los Angeles, Cal., Aug. 5.—Johnny Kilbane, featherweight champion, and Johnny Dundee, the New York Italian, were matched late yesterday to fight 20 rounds at Vernon, Sept. 22, for the featherweight title. They agreed to make 122 pounds ringside. Charles Eytan will referee. Their previous encounter was called a draw. Dundee is now here and Kilbane telegraphed he would start immediately.

Johnson Jumps to Feds.

Cleveland, Ohio, Aug. 5.—A Rankline Johnson, the right handed pitcher secured from Boston in the deal that made Veon Gregg a member of the Red Sox last Tuesday, jumped to the Federal league. He so informed members of the Washington team here yesterday morning, announcing that he had closed with a representative of the Chicago Federals and would leave at once to join Joe Tinker's team.

Polo Invasion Given Up.

New York, Aug. 5.—Tentative plans for a polo invasion of England next year in an attempt to recapture the international polo cup have had to be abandoned because of the general European war. Piping Rock club members had planned to finance a team and forward a challenge, with Devereux Milburn, Louis E. Stoddard, and Harold C. Phipps as the ground work on which a new team of challengers was to be built.

400,000 Settlers a Year

Immigration figures show that the population of Canada increased during 1913, by the addition of 400,000 new settlers from the United States and Europe. Most of these have gone on farms in provinces of Manitoba, Saskatchewan and Alberta.

Lord William Percy, an English Nobleman, says: "The possibilities and opportunities offered by the Canadian West are so infinitely greater than those which exist in England, that it seems absurd to think that people should be impeded from coming to the country where they can most easily and certainly improve their position."

New districts are being opened up, which will make accessible a great number of homesteads in districts especially adapted to mixed farming and grain raising.
