## INDICTED MAN IS DECLARED INSANE

Henry Johnson, Moline young man, indicted by the recent grand jury on a charge of incendiarism, was this morning declared insane in county court and committed by Judge Nels A. Larson to the state hospital at Watertown.

Johnson, it will be recalled, was arrested through the assistance of detectives of the Rock Island road, at Moline, on a charge of setting fire to box cars on Rock Island and Burlington tracks. The case was hard fought in police court, but he was bound over and the grand jury returned an indictment against him.

His sanity from the start had been questioned, and when declared insane this morning, the indictment was dropped. Drs. W. A. Crooks and C. T. Foster were on the medical commission.

## FRESHMEN TAKE RIVALS IN CAMP

Defeat Sophomores in Decisive Manner in Initial Basketball Game.

### SENIORS GIVEN SURPRISE

Juniors Tounce Older Boys by Score of 25 to 15—Great Interest in Tournament.

Contrary to expectations the freshmen and juniors were the winners of last night's basketball tilts in the inter-class tournament at the high school. The yearlings defeated the second year men by the score of 24 to 20, and the juniors dished out a wallop to their upper classmen, the seniors, the final score being, juniors 25, seniors 15. The freshmen were dark horses and caused great surprise by their exhibition of last night.

They won on fine teamwork, good guarding, and a fast pace which the sophomores seemed unable to keep. Much promising basketball material was shown in the freshmen lineup, the work of Durling at center, Tabor at forward, and McMullin at guard, being the features. Dempsey, Barker and Wilson for the sophomores, were the stars, the former making 8 out of a possible 14 free throws. The freshmen showed their superiority early in the game, the first half ending 14 to 6 in their favor. The second period again went to them, the score being, freshmen 20, sophomores 14. The lineup of the two teams was as follows: Freshmen—Tabor, L. F.; Owens, R. F.; Durling, C.; Heinbeck, L. G.; R. McMullin, R. G.

Sophomores—Cox, L. G.; Dempsey, R. F.; Henry, C.; Titterton, L. G.; Fitch, R. G.

Substitutions—Barker for Cox, Bassett for Henry, Wilson for Barker.

Summary—Field goals—Tabor 8, Durling 6, Dempsey 1, Barker 2, Wilson 2. Free throws—Tabor 5 out of 9, Heinbeck 1 out of 3, Dempsey 8 out of 14, Wilson 2 out of 5. Time of halves—20 minutes.

### Seniors Beaten.

The second game between the seniors and juniors promised to be more interesting at the start, both teams fighting hard the first half. The seniors forged in the lead early in this period, but were overtaken by their opponents, the half ending: Juniors 12, seniors 8. From that time on the juniors were never in danger of being headed, while the "pep" of the senior team dropped considerably in the second half, the juniors rolling in baskets almost at will. The upper class boys were looked upon to win the tournament and last night's defeat was a "crucial blow" to the rosters of that class. The present indications point to the juniors as the champions, although the freshmen are expected to put up a great battle against them. H. Clark and McGinnis starred for the seniors, while Thomas and Tabor did stellar work for the juniors.

The line-up: Juniors—McCallough, L. G.; Tabor, R. F.; Thomas, C.; Anderson, L. G.; James, R. G.

Seniors—Cavanaugh, L. F.; Aackley, McGinnis, R. F.; Clark, C.; U. Clark, L. G.; McGinnis, Aackley, R. G.

Substitutions—Ray McMullin for McCallough.

Summary—Field goals—McCallough 2, Tabor 3, Thomas 3, Anderson 1, McMullin 1, Cavanaugh 1, H. Clark 3, U. Clark 1.

Free throws—Thomas, 5 out of 10; U. Clark 1 out of 4.

Time of halves—20 minutes. Referee—W. Robb. Umpire—W. Gleason. Timekeeper—Reeves.

Tonight the juniors will clash with the freshmen, while the seniors will take on the sophomores. The gymnasium was packed yesterday afternoon by enthusiastic students.

### Robb in Charge.

Last night the local high school basketball five practiced for the first time under Will Robb of the faculty as their coach. R. C. Cook who formerly had the team in charge and who did such good work in preparing the squad for the Tiskilwa contest, was forced to resign the coaching job on account of the great increase in his school duties. Physical Director H. N. Roe has charge of the grade school work and could not spare the time for the basketball team, so Will Robb was chosen by the athletic board.

Robb has had much basketball experience as he was an all state guard on the Augustana quintet for two successive years, and has been a popular referee in many contests in this city since. Robb told the men in practice last night that if Wedderquist and Shalberg of the Moline five could be held down that the locals would have no trouble in coping the long end of Friday night's score.

## THREE MORE ARE SEEKING OFFICE

Trio of New Petitions Are Being Circulated by Prospective Commissioners.

Petitions were being circulated today by three more Rock Island men seeking the nomination for city commissioner. They are William Klinck, William S. Hill, and John Johnson. Added to the list of yesterday the trio today makes nine petitions which are out. There are others who are being talked of for candidates but as far as is known now, their papers are not being circulated.

William Klinck is manager of the Illinois theatre in this city, and has been for several years.

William S. Hill for years has been circulation manager for The Argus. Previous to this he was employed at the Rock Island arsenal.

John Johnson is a member of the Rock Island police force, having at present a "beat" in the west end of the city.

There are constant stories on the streets in which various persons are mentioned as candidates for mayor and commissioners, but thus far but nine applications for commissioner and one for mayor are in circulation.

William Tool, who is in one of the departments of the district offices of the Burlington road in this city, is being mentioned as a candidate for commissioner.

## CASE ECHOES OF EUROPEAN STRIFE

Question Comes Up of Whether Grandparents in Belgium Were War Victims.

An echo of the present strife in Europe crept into a dependency case, which was up before Judge Nels A. Larson in county court this morning. The only relatives, grandparents of a little Moline girl, live in Belgium, and the question was brought up as to whether or not they were alive.

Some time ago dependency papers were made out for Madeline Huzpad and this morning the hearing came up, but the case was continued for 20 days and the name changed to Madeline Hutebout.

Replication of the notice was ordered but further than the grandparents, if they are alive, the girl has no other living relatives. Judge Larson declared that if the grandparents were in that part of Belgium where fighting had been most fierce, that chances are that they were not living now.

## SUIT OVER CAR OF CEMENT IS BEING TRIED IN COURT

Attorney George Wood is representing the company and Peter F. Ingelsou, Mr. Ed. The defense is basing its case on the contention that the consignment was not as claimed.

## The New Silent Seven OLIVER

The Standard Visible Writer

## One-third Lighter Touch This Saves a 5-ton Load Per Day

Old standards are overturned again by Oliver invention.

For not since we first gave visible writing to the world has the labor of thousands been lightened so. Now we give you the new model Oliver—the Silent Seven. It operates with one-third less exertion than required by the average typewriter!

### Touch by Weight

This is the great weight test that tells the story. You can make it—you can prove all we say.

Just place enough weights on the key tops of various typewriters to make the type print. Thus you measure the force you

must strike with your finger to run each kind of machine.

Please note that this equals 10 ounces of pressure on the keys of the average typewriter. Note too, that the Oliver writes when you touch the keys with a tap that equals the weight of only 6 1/2 ounces.

It takes a load of 3 1/2 ounces every stroke. And the average typist strikes the keys about 50,000 times per day.

Thus the Oliver relieves each typewriter operator of the needless work of moving daily 5 full tons.

### Accept Deliverance

Turn your back on the old-style wearing grind. It is fruitless labor, like moving mountains a spoonful at a stroke.

Accept, as thousands of others, the Silent Seven Oliver—accept the freedom it brings you from fatigue.

Link your ability to this master achievement—visible reading, visible writing, regular or Printype, interchangeable carriage and lightest touch known.

It has the universal arrangement of keys, yet fewest keys to operate.

Then the famous U-shaped type-bar—the firmest, strongest in all the world for clean, clear writing—20 sheets of manifold at once. Then too, our automatic spacer that advances your paper to another line without your having to remember.

## JUDGE DISMISSES OLD CAPMAN CASE

Suit Instituted Against City Four Years Ago for Salary Stricken From Docket.

### AGREEMENT LONG REACHED

Personal Injury Claim of Mary Cox Against Rock Island Is Continued for the Present.

A case which was instituted against the city four years ago, and settled outside of the courts two years ago, was wiped off of the circuit court docket this morning by Judge R. W. Olmsted.

The suit was filed by Attorney George McCaskin for Mrs. Bert Capman, who was stenographer in the mayor's office, under Mr. McCaskin's regime. The basis of the case was back salary and when the former mayor went out of office he started suit to recover the salary for Mrs. Capman.

Two years ago a settlement was reached between City Attorney James F. Witter and Attorney McCaskin. The case remained on the docket and was set for today. Judge Olmsted dismissed it when Mr. Witter explained that it had been settled. The sum in question was nominal.

### Cox Case Continued.

The city was ready to go to bat in another case this morning in which it is defendant. The suit instituted some time ago by Attorney John K. Scott, for Mrs. Mary Cox, this city, asking \$10,000 damages was continued for the present when it was called. It was

the first case set for today. Attorney Scott asked for a continuance, claiming that Mrs. Cox is now in the hospital. Mrs. Cox fell at the corner of Seventh avenue and Seventh street, in the summer of 1912, injuring a limb. This is the basis of the case against the city.

## SAYS HUBBY USED RAZOR IN THREAT

Wedded Life of Local Woman Was Short and Exciting According to Bill Filed.

According to the divorce suit filed by Attorney Ben A. Stewart this afternoon for Mrs. Bertha Somelroth, this city, her married life was a short but eventful one with excitement reigning supreme. One of the charges she makes against her husband, Alonzo, who is in the employ of the Tri-City Railway company, is that he picked up a razor and threatened to cut her throat.

The bill declares that the couple were wedded in Davenport, Dec. 8, 1913. On March 5, 1914, a few months after the wedding, the wife alleges her husband threatened her with the razor. She also makes other charges of cruelty and inhuman treatment.
