PROOF OF A GREAT KIDNEY MEDICINE

Several years ago I was taken violently ill. My trouble began with a pain in my stomach, so severe that it seemed as if knives were cutting me. I was treated by two of the best physicians in the country, and consulted another. None of them suspected that the cause of my trouble was kidney disease. They all told me that I had cancer of the stomach, and would die. I grew so weak that I could not walk any more than a child a month old, and I only weighed sixty pounds. One day my brother saw in the paper your advertisement of Swamp-Root, the great kidney remedy. He bought me a bottle and I took it. They could see a change in me so they obtained more, and I took in all thirty bottles of Swamp-Root. That may seem a great deal, but I spent more than the cost of thirty bottles of Swamp-Root for doctor's medicine, and it did not do me a particle of good. I was so weak and run down that it took considerable to build me up again. I am well now, thanks to Dr. Kilmer's Swamp-Root, and weigh 145 pounds, and am keeping house for my husband and brother on a farm. Gratefully yours,

"Distinctive Jewelry" Bargains

For the first time in our history we head an advertisement in this manner, but the word so exactly expresses what we are going to offer you Monday and Tuesday of every week that no other word could so fitly be used.

It has always been our aim to sell only such merchandise that we could conscientiously recommend to our patrons and we believe our success has been due to never falling short of that ideal.

To meet the requirements of our customers our stock must be of the latest patterns and designs and always in the best of condition.

In carefully going over our stock after the holidays we find we have a few patterns of silver that have been discontinued, a few novelties and some jewelry that have become a little shop-worn.

We are going to offer these to you at greatly reduced prices instead of selling them to some Mail Order House, thereby giving you the opportunity to purchase many useful articles at quite a saving.

Come into the store Monday and Tuesday of each week and ask to see the Bargain Table.
