Benver, Colo., Jan. 10.—Leo Leydes post of the American Legion
at a meeting last night adopted a
resolution branding Jack Dempsey
as a "sincker," and declaring opposition to holding the proposed
Dempsey-Carpentier fight in Colorado. Copies of the resolution will
be sent to all American Legion
peets with a request that similar
action be taken by each.

The resolution branded Dempsey
as "a slacker" and provided that
American Legion posts in every
state take steps to prevent the
champion from boxing anywhere
in the United States.

That Earl Mack, son of Connie Mack, will be the manager of the 1920 Three-Eye baseball club in Moline is the announcement today of the Moline Fans' association They stated this morning that young Mack has been sent a contract to be signed, and expectance of its early return, endorsed, is based upon correspondence seem-ing to favor a conclusion, which has been exchanged.

Quite a reputation in managing minor league clubs is being gained by Earl Mack. He comes here from North Carolina, where he managed the Asheville team. Previous to that he piloted other eastern clubs. As yet he has not broken into big time stuff.

A press report from Evansville. would have young Mack an applicant for the position as manager of the Evansville team. Three but the Moliners are confident this is a mistake.
