A bright, healthy child is a percential spring of joy in every well-regulated family, and whare is that father, who after the atrile and terminil of business; on religing to his home, is not beguiled of care by the innocent prattic of his child? Perhaps this father, it a world! MANUFACTURED BY all of the flesh where the blisters were applied has come off and his breast and back ning speciacle. He acreams constantly and loudly unless under the influence of power-ful opiates, and slow lies in a critical common.
