SPECIAL NOTICES.

IT IS A FACT ESTABLISHED and well known
that the Arabians attained a height in the knowl-
edge of medicine which caused the whole world to
wonder and admire. With them the science of
chemistry had its birth, and it is, therefore, not at
all strange that a people so eminently successful in
the healing art, and so persevering and daring in
character, should, by actual and unerring experi-
ment, discover remedies far surpassing in value
all others, for the cure of those diseases incident to
their mode of life. The greater part of their
time being spent in hazardous and bloody
warfare with the different tribes, they were subject
to the most violent attacks of rheumatism, neural-
gia, neuralgic pains, and various inflammatory dis-
eases, as also the most horrid wounds, sprains, swell-
ings, tumors, swellings, diseases of the joints, etc.
All these diseases they were so surprisingly ef-
ficient in curing, that the civilized world looked
with wonder and attributed their skill to the powers of
magic. It is a composition of balsams and oils, from rare
plants peculiar to this country, and it was by the
use of the articles comprising this great remedy, that
not only their physicians, but even the wild
Arabs of the desert, were enabled to perform such
miraculous cures. The Arab word is world-
renowned for his beautiful symmetry of form, his
unmatched speed and agility, and the incredible
fatigue it is capable of enduring. Why is it? Be-
cause from the time of his birth his limbs are care-
fully washed, and upon the first appearance of
disease the magic lotion is applied, and such things
as confirmed rheumatism, neuralgia, neuralgic
sprains, swellings, etc., etc., are unknown.
The same result will follow in all cases where it is
used. G. F. FARRELL'S ARABIAN LINIMENT is used in
time. Therefore delay not in procuring a good
supply of it, for every dollar spent in it will save
twenty, and a great deal of suffering, if not
your life.

LOOK OUT FOR COUNTERFEITS!

The public are cautioned against another coun-
terfeit, which has lately made its appearance
under the name of G. F. FARRELL'S ARABIAN LINIMENT, the most danger-
ous of all counterfeits, because its having the name
of Farrell, many will buy it in good faith,
without the knowledge that a counterfeit exists,
and they will thereby incur the loss of their money
when the spurious mixture has wrought its evil ef-
fect.

The genuine article is manufactured only by H.
G. Farrell, sole inventor and proprietor, and whole-
sale druggist, No. 17 Main street, Peoria, Illinois.
To whom all applications for agencies must be ad-
dressed. He will give you the letters of G. F. Farrell
before Farrell's name is used, and his signature
on the wrapper, all of which are counter-
feits.

Sold by all druggists and by regular authorized
agents throughout the United States.
Price 25 and 50 cents, and \$1 per bottle.

AGENTS WANTED in every town, village and
country, in all the States, in which no agent is
already established. Address H. G. Farrell as above,
accompanied with good character, responsibility,
etc.

MANY WHO ARE SUFFERING

from the effects of the warm weather and are de-
bilitated, are advised by physicians to take mod-
erate amounts of whisky two or three times during
the day. In a little while those who adopt this
advice frequently increase the number of "drinks"
and in time become confirmed inebriates. A be-
verage which will not create thirst for intoxicating
liquors, and which is intended especially for the
benefit of debilitated persons, whether at home or
abroad, is Dr. Schenck's Sea Weed Tonic. Con-
taining the juices of many medicinal herbs, this
preparation does not create an appetite for the in-
toxicating cup. The nourishing and life sup-
porting properties of many valuable natural pro-
ducts contained in it and well known to medi-
cal men have a most strengthening influence. A
single bottle of the Tonic will demonstrate its val-
uable qualities. For debility arising from sickness
over exertion or from any cause whatever, a wine-
glassful of Sea Weed Tonic taken after meals will
strengthen the stomach and create an appetite for
wholesome food. All who are about leaving their
homes, we desire to say that the excellent ef-
