H. G. Parrell's Arabian Liniment. H. G. Parrell's Arabian Liniment.

This celebrated medicine, skilfully composed as it is of the most healing balsams and penetrating oils, can never fail to cure almost every affliction that could be alleviated by an external remedy. Its superiority over all other Liniments is proven by the miraculous cures it performs, and by the great and constantly increasing demand. Thore has been sold within the past year more than There Million of Bottles, and there can be but few persons found who do not bestow upon it the highest praise for the rare virtues it possesses. Nothing, perhaps, since the creation of the world, has been so successful as an external remedy for all nervous diseases, as this wonderful curative. When applied, it in stantaneously diffuse itself through the whole system, soothing the irritated nerves, allaying the most intense pains, and creating a most delightful sensation. Read the following remarkable cure, which can be attested to by hundreds, who were fully ac quainted with the whole circumstance.
