IMPORTANT NOTICE.

Mrs. Dr. Keck will be in personal attendance at her Medical Infirmary Sept. 3d, and for the following ten days.

Second Letter from an Illinois Lady,

CONFIRMING A REMARKABLE RECOVERY.

SEYMOUR, Champaign Co., Ill., June, 1885. I want the public to know how I have improved under the treatment and by the advice of Mrs. Dr. Keck. To the surpise of friends and neighbors I am up and doing a part of my house work, after so many years of inability to do anything and so much suffering. Can be up all day without lying down to rest even; those terrible bad feelings have nearly all left me; I am fleshier than ever in my life before, have a good appetite, and teel as though life is worth the living; I am not troubled any more with that cold clammy sweat and have no more long, sleepless nights, but can go to sleep as soon as 1 retire, and sleep well all night. I took the trian at Seymour and went to Champaign to see Dr. Keck, a short time ago, returning home the same pay, and walked from the depot an eighth of a mile to our house; this was a great thing for one who had for years been pronounced hopelessly incurable Mrs. Keck being the only one who gave me hope. People whom I have not seen during the years that I was confined to my bed now stare at me as they would one from the dead. I carnestly advise the afflicted to go to Mrs Keck, and by following her advise implicitly, as I have done, they will, without doubt, be greatly benefitted. MRS. WM. ANDERSON.

Respectfully, MRS. DR. KECK'S INFIRMARY.
