## OUR BEST INTERESTS.

The Association Having Them at Heart.

Important Meeting Last Evening—Committee Reports—A Good Word for Chicago and the World's Fair—New Enterprises Talked of.

The regular monthly meeting of the Rock Island Citizens' Improvement Association was held in the rooms in Harper's theatre building last evening and the attendance was with the enthusiasm with which all entered into every subject that came up for discussion demonstrated fully that the same pushing, unyielding spirit which was responsible for the accomplishing of so much for the solid building of Rock Island last season is not lacking this year. President Hass occupied the chair and Secretary Medill was at his desk.

After regular routine proceedings the committees were called and the one on consolidation, through its chairman, E. H. Guyer, reported progress, outlining the outcome of the Moline meeting heretofore fully reported and at which there was a cordial interchange of views between the members of the joint committee and the adoption of the resolution that consolidation is desirable.

Mr. Oliver Olson submitted the following resolution which was adopted unanimously: Resolved, That considering the well known public spirit, ability and energy of the citizens of Chicago, that city's unrivalled hotel, railroad, water and terminal facilities, its central location and its being above all cities of this country a typical representative American city, that it is the most suitable place to hold the proposed world's exposition of 1893.

A communication was read from an enterprise desiring to locate in Rock Island, and referred to the committee on manufactures, with powers to act.

The subject of establishing a brick and tile factory in Rock Island was brought up by Mr. H. D. Folsom, who urged that all efforts be directed to that end. The extensive brick paving operations which Rock Island has just entered upon, and the fact that the material is in abundance hereabouts, the shipping facilities of the locality all tend to encourage a strong effort to establish a factory.

Mr. E. E. Parmenter sustained Mr. Folsom's views. He believed Rock Island had only fairly entered upon its paving operations. He would like to see the brick pavement extended to the plow works this fall, and would willingly pay his proportion to have it done. To be sure there are croakers who would oppose and some who would interpose objections on the ground of being too poor, but the march of this enterprise involving so distinctly the city's foremost interests, should not be checked on this account. Let the pavement continue to spread all over the city. Then there will be a demand for a brick factory here.

Messrs. Oliver Olson, E. H. Guyer, Dr. W. A. Paul and Ald. Winslow Howard also made remarks apropos to the subject. The old committee of the association was finally continued with the thanks of the association for past efforts and the addition of another member. The committee is now composed of Messrs. E. H. Guyer, Phil Mitchell and H. D. Folsom.

The plan of the association's work for the coming fall and winter was outlined, the principal enterprises to be sought being the removal of the Galena custom house to Rock Island, the viaduct at the foot of Twenty-fourth street, the Union depot and government building and the best plans of accomplishing these purposes were freely discussed and many valuable suggestions made.

The names of Messrs. John Crubaugh and Joseph Rosenfield for membership were mentioned and these gentlemen unanimously elected, and upon motion of Mr. R. Crampton the association resolved that the president appoint a committee of three to solicit new members.

Mr. Oliver Olson offered the suggestion that the committee on the viaduct and brick factory prepare to report at the next meeting of the association and give notice beforehand in the newspapers. Mr. Olson believed that the association should have specific objects to work to and then it would accomplish more.

The association then adjourned.

## POLICE POINTS

A Stolen Horse Identified and Returned to Its Owner—A Light-Fingered Girl—A Thief Caught.

In the Erie correspondence of the Argus of September 9, appeared an account of the stealing of a horse from the pasture of Irving Morgan, just over the Henry county line, the animal being the property of John Snively, who had just gotten it paid for. The horse—a fine six-year-old mare—was fully described in the same connection, and this fact it is now revealed led to the recapture of the horse. Yesterday Mr. J. D. Walker, a friend of Mr. Snively, came to Rock Island in search of any possible trace of the horse. Among those whom he called upon was the liveryman, Mr. W. J. Kerr, who was not long in putting him on to the location of the horse. Mr. Kerr, after reading the description in the Argus remembered it. He has a great eye for horses and the moment he sees one sizes it up from head to tail and notes its every characteristic at a glance. A few days since he saw attached to one of the delivery wagons of Long's grocery, a horse answering the description of the stolen animal. The more he saw the horse the more he became satisfied that he had "called the turn" correctly, but the circumstances led him to keep his own counsel. Put yesterday when Mr. Walker visited him he told him he believed he knew where the horse was, and to this Mr. Walker replied that there was \$30 in it if he could point it out.

As luck would have it the horse was at that moment driven by "There is the horse to which I have reference now," said Mr. Kerr. "And it is the one I am after as sure as I live" said Mr. Walker, who at once tele-

phoned to Genesee for a marshal, and that official in company with Mr. Snively came to Rock Island last night. Mr. Walker, it seems, and his wife had been visiting in Moline and there Mr. Walker boarded the train on which the marshal and Mr. Snively were coming to Rock Island and on the way a scheme was fixed up to recover the horse without paying Mr. Kerr for the important part he had taken. They called on Mr. Long, from whom they learned that he was bound west, was a little hard up and was obliged to dispose of his horse though he must do so reluctantly. The description of the man answered that of Sam Goodrich, of Hillsdale, who was noted in the Argus correspondence of yesterday from that place, as missing under suspicious circumstances, and who had been from the first the supposed thief.

The three gentlemen made a satisfactory settlement with Mr. Long and took their horse, thus entirely ignoring Mr. Kerr, who, by the aid of the Argus, had been the chief instrument in locating the stolen property. It was an ungrateful act, to say the least.

## A YOUNG FEMALE THIEF.

Officers Boland and Carlson arrested a girl fourteen years of age, named Florence Anderson, whose father lives near Hillsdale, and who had been employed in Richard Hill's hotel at that place, and from whom Marshall Miller had received a message in the afternoon to arrest the girl for larceny on her arrival here. The girl had stolen \$30 from Henry Kramline, a boarder at Hill's tavern, and skipped out. While in the custody of the police she attempted to throw away a roll of bills, which contained \$10, and this she confessed as all she had left of the stolen money. This morning she told Magistrate Willard the name of the person to whom she had given the rest and it was recovered, and she was bound over in the sum of \$300. The case is a really pitiful one, and there seems to her no alternative—to send the girl to the reform school.

## A THIEF CAPTURED AT GENESSEE.

This morning Sheriff Gilroy received word that James A. Bennett, of Carbon Cliff, indicted by the grand jury shortly before its adjournment Wednesday for on the previous day robbing the till of Clark Corbin's store at Carbon Cliff of \$15. The sheriff traced him to Genesee and telegraphed there for his arrest.

## HENRY DART DEAD.

The Well Known Rock Island Merchant Passes Away in California.

Last night dispatches came to the Messrs. C. J. and A. C. Dart that their father, Henry Dart, was dying at his home at San Jose, Cal., and this morning brought the news of his death—the result of old age.

Mr. Dart was one of the pioneers, as well as one of the best known and most successful merchants of Rock Island. His full name was Henry Braddock Dart. He was born in New London, Conn., May 19, 1879, and came to Rock Island in the spring of 1857, establishing a wholesale and retail grocery. He afterward disposed of the retail department and embarked in the wholesale trade exclusively and his business became known all over the west. Later his three sons—C. J., A. C. and W. H.—became associated with him, and in 1869 Mr. Dart sold out, and since July, 1881, his home has been on the Pacific slope. In 1877 Mr. W. H. Dart died, and the Messrs. C. J. and A. C. have since conducted the business which has grown to immense proportions.

Mr. Dart was twice married. His first wife's maiden name was Emilie Peak, and their marriage was celebrated Aug. 26, 1830. By this union there were the following children: Frances Jane, who died in infancy; Emeline Augusta, deceased; Cyrus J. and Albert C., of this city; William H., deceased; Rowell P., of South Kaukauna, Wis.; Alvin S., of San Jose, Cal.; J. Stuart, of Norfolk, Neb.; and Alice M., deceased. Mrs. Dart died in 1866 in Rock Island. Mr. Dart remarried eighteen years ago, his second wife being formerly Mrs. Lucy E. Dowe, of Davenport, whose death occurred in April, 1888, at San Jose, and since that time Mr. Dart has made his home with his second wife's daughter, Mrs. C. E. Fleming, of that city, where his death occurred.

Mr. Dart was in his day one of the most energetic and successful business men of the Mississippi valley. His business career won him wide esteem.

A telegram this afternoon announces that the funeral will occur at San Jose tomorrow with interment there, according to an often expressed wish of the deceased.

## WHAT THE BOARD DID.

It discontinued the subscription for the Daily Argus and Union to the poor farm and ordered that the Weekly Argus and Union of this city and the Dispatch and Republican of Moline be furnished the inmates, after rejecting a resolution to include the Rock Islander.

It defeated a proposition to put a telephone in the circuit clerk's office. It provided for the removing of flagging on the Second Avenue side of court house square and replacing the same after the walk is filled to grade by the city.

It authorized the sheriff to ascertain the cost of a new flag for the court house. It selected the following grand jurors to serve at the January term of the circuit court:

Mr. A. C. Thompson, of Ellis, Kan., is in the city visiting old friends. Thompson was at one time connected with the Argus and was also a school teacher in the county for a time. Now he is chief clerk and cashier in the office of the U. P. road at Ellis, Kan. and climbing higher.

Reserved seats for the Jolly Pathfinders will be on sale at annual place tomorrow morning. Rock Island people will certainly not see this season a more excellent comedy attraction than this. They have a national reputation, and carry the finest band and orchestra on the road. Manager Rutherford owns the most successful and valuable repertoire of musical comedies owned by any one manager. Prices 10, 20 and 30 cents.

The Cable boys were given a test by Night Watchman Barney McCabe, of the upper saw mill, at 3 o'clock the other morning, who sent in a telephone alarm and in two minutes and five seconds the Cables were on the ground, having run their electric band and orchestra on the road. Manager Rutherford owns the most successful and valuable repertoire of musical comedies owned by any one manager. Prices 10, 20 and 30 cents.

Everybody enjoys clean, bright, sparkling comedy, especially when a feature of the entertainment is superb music. This is what the Jolly Pathfinders furnish, and their entertainment at the opera house next week will be a rare treat. Every programme is full of fun and music, and the Pathfinders are the leading exponents of this class of entertainment. For twelve years they have played in the leading cities in the country, but their prices here are 10, 20 and 30 cents.

Mrs. Dimick, of Rock Island, who shot her husband, Lute Dimick, a little over two months ago in a disreputable house across the river, was indicted by the grand jury this afternoon for manslaughter. It was believed that the case would never come to trial, as most of the people in Rock Island acquainted with the Dimicks believed at the time that Mrs. Dimick helped at the time that Mr. Dimick shot her husband accidentally and not intentionally. This finding of the grand jury will cause surprise throughout Rock Island county.—Davenport Democrat-Gazette.
