It is said will sell anything, this is true in a measure; but for staying qualities, merit is the test. Extensive advertising may sell anything where it is new or unknown, but after it comes into general use, it is judged according to its worth. The continued and steady growth of Swift's Specific

is the best evidence of its excellence. It is most popular where it is best known. Every bottle sold, sells ten others. Every one that takes it becomes its friend, and recommends it to their acquaintances.
