The Success of the Columbian Exposition Assured.

If Rock Island Will But Do Its Duty the Great Project Will be Carried Through on Time.

While Rock Island has taken hold of the matter with a vim and a spirit of liberality that has taken the breath away from the croaker, that individual has, nevertheless, been attempting to build up a wall of obstruction to the enterprise in the past day or so on the ground that Moline was going to fail in doing its part and therefore Rock Island need do no more.

The Cause of Nellie Ford's Death Needs Explanation.

Was it the Result of Improper Dentistry—Inquest and Post-Mortem in Progress—Developments Promised.

A case which may develop some sensational features, has been brought to the notice of the proper authorities in the death of 17-year old Nellie Ford, which occurred at the home of her widowed mother, Mrs. Anna Ford, 732 Thirty-fifth street, at 11 o'clock last night.

An ARGUS reporter called at the home of the young lady this morning and from relatives learned that she had been sick since a week ago last Monday night when she came home sick from Moline.

Up to 3 o'clock the coroner's jury had made no progress, all the witnesses who had been subpoenaed failing to put in an appearance at that time.

Arrangements have been made by the young girl's relatives for the funeral to take place from St. Joseph's church tomorrow afternoon at 2 o'clock, but the state's attorney having ordered a post mortem examination it may interfere with the funeral.
