Proceedings of the Various Religious Bodies in Session.

The Rock River Presbytery at Geneseo—The W. C. T. U. at Moline—The Baptist Convention at Cordova.

Revs. W. S. Marquis and J. H. Kerr have returned from the meeting of the Rock River Presbytery which has been in session at Geneseo. About 20 from this city attended, including the delegates to the Women's Presbyterial Missionary meeting which was held in the First Baptist church, the First Presbyterian church being occupied by the meeting of the Presbytery.

The delegates to the Women's Presbyterial Missionary meeting met in the afternoon and considerable business of a routine character including reports of officers, etc., was attended to, after which the assemblage was addressed by Mrs. Galt of Aurora, and Mrs. Paul Bergen a missionary from China. The officers of the society made a most gratifying report, showing that upwards of \$2,500 had been collected for home and foreign missions.

A large amount of business pertaining to the Presbytery, which includes 37 churches in Rock Island, Mercer, Henry and Whiteside counties, was attended to and a very satisfactory report made of progress from all over the Presbytery. There are about 3,600 members in this district, and a report shows a total of \$3,900 collected for home and \$30.31 collected for foreign missions. The Presbytery adjourned to meet at Alledo in March, the time of the next semi-annual meeting.

**THE W. C. T. U.**

The annual convention of the W. C. T. U. of the Eleventh congressional district, opened at the Congregational church at Moline yesterday afternoon with a goodly attendance of ladies, some of them from various parts of the district. The Rev. T. B. Wilson and Mrs. W. A. Jones delivered addresses of welcome, and Miss Emma Bell of Warsaw, responded.

Last evening was devoted to the Y. W. C. T. U., an address being delivered by Rev. S. L. Guthrie of South Moline. Tonight Mrs. L. S. Rounds of Chicago, state president of the W. C. T. U., speaks.

**THE BAPTIST ASSOCIATION.**

Cordova, Sept. 15.—At Tuesday evening's session of the Rock Island Baptist association the work of the Young People's Baptist Union was taken up with Rev. T. S. Young, of Moline, president, in the chair.

Reports were made from the Detroit convention by Rev. L. H. Coffman. The union was addressed by Rev. T. H. Scott on the work. On Wednesday at 9 a. m. there was a song service.

Following officers of the union were elected:

President—O. L. Benway.  
Vice Presidents—Leonard Trost, Rock Island county; Miss Mabel Long, Henry county; and Miss Lucie Miller, Mercer county.  
Secretary and Treasurer—Mrs. Edith Brown.

Committee reports were adopted, and the union adjourned.

At 10:30 Sunday school work was taken up, Deacon L. D. Edwards acting for the president, who was absent.

The topic, "What is the Object of This Convention," was opened by Rev. L. H. Coffman. The topic, "The Personal Work of the Teacher Among the Pupils," was opened by Mrs. C. A. Taylor. Both topics brought out animated discussions and then recess was taken for dinner.

At 2 o'clock there was song service, and at 2:30 committees on enrollment and resolutions reported which was adopted. The election of officers for the ensuing year resulted in the choice of:

President—J. H. Buckley, Rock Island county.  
Vice Presidents—J. W. Weht, W. Warner, Henry county; Miss Lucille Miller, Mercer county.  
Secretary and Treasurer—W. B. Pettit, Rock Island county.

Reports were read from the Sunday school committees. Better methods in Sunday school work was exemplified by J. K. Groom. Rev. T. S. Young delivered the doctrinal sermon, and at 7 p. m. there was devotion of a half hour. Rev. W. L. Wood delivered a sermon on Sunday school work and half an hour was spent in a praise meeting. J. H. Buckley was then installed into his office.

The following committees made reports, which were adopted: Committees on resolutions, missionary, auditing, nominations, and obituaries, the latter showing 14 deaths among the churches of the association seven of whom were in Moline. The meeting then adjourned until morning. This morning at 8 o'clock the convention reassembled and after receiving various reports the convention adjourned to meet in Moline in September, 1903.

**South Rock Island Democrats.**

The democrats of South Rock Island met at the town hall last evening for the purpose of forming a democratic club. There was a large attendance, and the club was formed with the election of the following officers:

President—George Richmond.  
Vice Presidents—Winslow Howard, Scott Gardner, John Peterson.  
Secretary—George Eckert.  
Treasurer—J. E. Hornston.

The club decided to meet again one week from Friday evening and every Friday evening thereafter. A committee composed of Ed Jens, Otto Goettisch and Charles Baumann was delegated to solicit funds for a flag which will be erected in the near future.

**THE LAST SAD DUTIES.**

All That Was Mournful of E. P. Reynolds Tenderly Consigned to Its Final Resting Place.

The funeral services of the late Hon. E. P. Reynolds were held at the family mansion on Moline avenue this afternoon at 2 o'clock, being conducted by Rev. R. G. Pearce of Galesburg, formerly of Rock Island. There was an immense attendance of old friends of the deceased, and citizens generally anxious to pay their last tribute of respect. The remains reposed in a beautiful casket in one of the east parlors. Handsomely arranged about the casket were the floral offerings—many of them, rich in beauty and lovely in design.

A special choir composed of Mrs. J. W. Crandall, Mrs. Charles E. Adams, Miss Edith Kendall, Miss Nora Frick and Messrs. J. F. Robinson, Frank Collins, J. T. Nofsker, and Sewall Dodge, with Mrs. J. F. Robinson, accompanist, sang sweetly, "Rest in Peace," "Our Lives are in Thy Hands," and the "Sweet Bye and Bye," the latter being a particular favorite with the deceased. The services were exceedingly impressive, Mr. Pearce delivering an eloquent address, in which he paid a fitting eulogy to Mr. Reynolds and spoke words of comfort to the bereaved ones deprived of his companionship and counsel. The funeral arrangements were in the hands of Undertaker Ryan of Beatrice, who accompanied the remains to Rock Island. The mayor and other city officials and council were present, as were a large number of members of the Pioneers' society. The honorary pall bearers were: Thomas Saulspagh, Louis Saulspagh, Jacob Warner, John Crubaugh, H. P. Hull, Porter Skinner, John Warner, Mylo Lee, P. L. Mitchell, J. M. Buford, Dr. Patrick Gregg, Dr. C. Truesdale, S. W. McMaster, George Mixer, David Hawes, H. A. Ainsworth, Thomas Jenkins, W. H. Devore; the active pall bearers being, V. M. Blanding, George F. Downes, W. R. Pelton, A. L. Mitchell, George B. Brown, William Atkinson, C. W. Hawes, R. Loetch.

The solemn cortege as it moved down Moline avenue, presented an imposing appearance, the procession including the police force followed by carriages containing the council, Old Settlers' society, the honorary pall bearers, active pall bearers, the hearse, the family carriage containing the flowers, and a long line of carriages containing the family, other relatives and friends. The interment was in Chippianock.

**The Supervisors.**

At the session of the board of supervisors yesterday afternoon the clerk read the bond of Ezra L. Eastman as poor master of Moline, no action, however, being taken.

A petition from the Rock Island-Davenport Ferry company asking that the license granted S. W. Stewart for running ferry be revoked, was referred to the committee on roads and bridges.

Superintendent Vinton moved that the salary of the circuit clerk be fixed at \$1,500 per year. An amendment was then made by Superintendent Naylor that it be made \$1,700. On call of the yeas and nays the vote on the amendment was a tie, and Chairman Smith cast the deciding vote in the affirmative, the motion as amended then being carried.

A motion was then made by Supervisor Cralle that the bonds of poormaster of Rock Island and Moline be fixed at \$1,000 each. The chair ruled the motion out of order and on an appeal being taken the chair was sustained. Supervisor Cralle then moved that the bond of Ezra L. Eastman as poormaster be accepted and approved, which was also ruled out of order on the ground that there is already a poormaster there who was appointed by the county board at the July session and who furnished a bond which was duly accepted.

W. J. Entrikin then went before the board and offered to furnish bond for Ezra L. Eastman in any penal sum that might be required by the board.

Scarcely any business hearing the reading of the journal and report of reports was done by the board of supervisors this morning. A communication was read in regard to claims of an illegal election in South Moline and was tabled. The road and bridge committee to whom was referred the matter of reporting on the revoking of the Stewart ferry franchise, recommended that it be revoked for the reason that the law had not been complied with.

At this afternoon's session the matter was discussed pending the vote on the motion, W. H. Gest appearing for the Rock Island-Davenport Ferry company and Mr. Stewart speaking for himself. The vote resulted in the franchise being revoked.

How soon his sense of rapture dies  
If there's no sweetness in your breath;  
If by your falling teeth be shown  
That FOZODONT to you's unknown,  
And that your mouth is suffering death.

**GOOD USE FOR IT.**

The Warren Lot Apposite the Post-office Site.

It Would Be a Most Desirable Location For the Head Office of the M. W. A.

P. L. Mitchell, who has probably done as much as any other citizen of Rock Island to hasten the Rock Island public building, and through whose hands the Warren lot, at the southwest corner of Second avenue and Sixteenth street, passed into the hands of the government to be converted from a disgraceful eyesore into an architectural ornament to the city, stated this morning that in view of the prospects of operations being commenced on the public building site early in the future he had the opposite lot on the southeast corner in his hands for sale, subject to order of court, and he would like to dispose of in some manner that would insure the erection thereon of a building that would be somewhat in keeping with the public building, and like it credit to the city.

The head camp of the M. W. A. meets at Omaha about the middle of November. Among the important business to be transacted will be the re-location of the offices of the head clerk. They will be transferred somewhere from Fulton, there is no question about that, and they must remain in Illinois. Rock Island stands perhaps the best chances of any competing city to secure them. But there are other cities striving for the prize, and Rock Island cannot succeed without vigorous effort. It would be just the proper thing for the Improvement association to take some steps looking to the securing of this lot and so submitting it to the order that it will serve as an inducement toward bringing the office to Rock Island. The lot is admirably located, being accessible to the postoffice, which Head Clerk Hawes has stated is an important consideration, as the mail matter going through his office is tremendous.

**Met a Painful Accident.**

Charles Ott, residing on Marquette street in Davenport and employed on this side of the river, in looking after the refrigerator cars in the C. R. I. & P. yards, met with a painful accident about 8 o'clock this morning. He was at work on top putting ice into a car, and in handling a barrelful of ice he, in some way, lost his footing and fell to the ground breaking two ribs and otherwise bruising himself about the back. Dr. Plummer was immediately summoned and the injured man was taken to his home in Davenport. He complained of a pain in his chest, from which he suffered considerably.

A Belgian who had been working a couple of days for the Rock Island Lumber company, and whose name is unknown to the company, got in front of a timber on a roller in the mill today, and was knocked down, fracturing his left leg. He was taken to his boarding house on Twenty first street, where he was attended by Dr. Barth, who reduced the fracture.

**In Holy Bonds.**

William Lucas and Miss Emma Luckenbiel were united in marriage by Rev. J. H. Kerr in a pretty cottage at the head of Twentieth street, prepared by the groom, last evening. The couple were attended by Miss Lizzie Luckenbiel, sister of the bride, and F. C. Skinner, about 100 guests being present to witness the ceremony. During the evening a sumptuous wedding spread was served and the happy couple received many tokens of remembrance from admiring friends. Both are well and favorably known and have hosts of friends who will wish them much joy and prosperity through life.

**Things Worth Remembering.**

When you feel a kind of goodness about the stomach it is a sign that your food does not sit well, and that you are about to have a fit of indigestion.

When you begin to feel nervous and are unable to sit still comfortably; when your clothes suddenly seem to lose their fit and become too tight in places, the fit of indigestion is surely upon you.

When this fit of indigestion is repeated from day to day it finally resolves itself into dyspepsia.

Remember that three to 10 of Brandreth's Pills will cure the worst case of indigestion or dyspepsia, or both, and that a regular course of them, say two every night for a week or 10 days, will act as a preventive of either complaint.
