The readers of the Argus will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials. Address,

Fell Dead.
These words are very familiar to our readers, as not a day passes without the report of the sudden death of some prominent citizen. The explanation is "Heart Disease." Therefore beware if you have any of the following symptoms: Short breath, pain in side, smothering spells, swollen ankles, asthmatic breathing, weak and hungry spells, tenderness in shoulder or arm, fluttering of the heart or irregular pulse. These symptoms mean heart disease. The most reliable remedy is Dr. Miles' New Heart Cure, which has saved thousands of lives. Book of testimonials free at Hartz & Bannsen's, who also sell the New Heart Cure.

It is Prompt
In its action, being very penetrating, goes right to the seat of the disease. The skin is an absorbent, and takes up this Oil as the sun does water, parties who have used it stating that when briskly rubbed on the face for neuralgia, they could taste it. It is intended only as an external application, and yet it is harmless.
This wonderful remedy is known as Krause's German Oil, the poor man's friend. Only 25c a bottle.

What the Hon. George G. Vest says in regard to the superiority of the Hirschberg's diamond and non-changeable spectacles:
"I am using glasses which I purchased from Prof. Hirschberg and they are the best I ever tried; it affords me great pleasure to recommend Prof. Hirschberg as an excellent optician, and his glasses are simply unequalled in my experience."
G. G. VEST.
