Progressive Circle Entertains.

Wednesday afternoon the Ladies Primrose Progressive Circle held an open meeting to which all the Ladies of Roy and vicinity were invited. When this organization holds their open meeting, their invitations are always accepted and Wednesday was no exception.

The meeting was opened in the usual manner after which their worthy President Mrs. Wilcox, gave a synopsis of the Club from the time of its organization up to the present. This was greatly enjoyed by all present and especially so by those who were not members, as it showed the splendid work that is being done by the Ladies. After this interesting feature the roll was called to which each member responded with a news item.

The meeting was then thrown open to the guests, several of whom made short talks. Before they departed for their homes the guests were served with refreshments, of sherbet and cake and all voted the occasion a most enjoyable one and wishing that these open meetings were more frequently.

A Day At Carizo.

Last Sunday a jolly crowd, consisting of Mesdames Bushkevitz, Ogden, Lucas, Miss Jessie Crouse, Messrs. Fred Ogden, John Tasharski, Geo. Lucas, Floyd Ogden, Stanley and Roy Bushkevitz, spent the day at Carizo Creek in a very enjoyable manner.

The day was spent in the exploring of the green banks, drinking of the cool spring water and taking pictures. A real picnic dinner consisting of all the good eatables obtainable was served, while in the evening a light luncheon of sandwiches and coffee was partaken of, Messrs Martinez, Baca, Gonzales and Valdez being guests. Through the hospitality of these gentlemen the day was made a success for the pleasure seekers.

Late in the afternoon the crowd departed, voting Carizo creek as an ideal camp and promises to visit it again in the near future.

Andrews Not Coming

In our previous issues we announced that Hon. W. H. Andrews, would visit Roy, but on account of a telegraphic call from Mora, he was obliged to change his plans somewhat and leave out the Roy trip, as he had other engagements to meet all along the eastern line of the Territory. Although he assured a representative of our paper that he would make Roy a visit after the Territorial Convention and make a longer stay with us.

Mr. Andrews is sure of getting the nomination for Delegate to the Sixty-first Congress. Mr. Spiess, seems to have the support of Mora, San Miguel, and Colfax Counties, then it is reported that they are not all solid.

The Growler.

Occasionally one will hear the remark "I wish I was out of this town!" And then one feels like saying, "I wish you were." For a man who stands on the street corner chewing and spitting, telling obscene stories, cursing the town, finding fault with his grandmother because she was a woman, claiming that the merchants are a lot of thieves, that the lawyers and newspaper men would skin a man to a finish, and a whole lot more, is a nuisance and an abomination. Any town pestered with such worthless men would be justified in exercising cow-hide authority on the bosom of their pants. No one is obliged to live where he is not suited. If one hasn't any encouraging words for the business enterprise and institutions of his town, he should shut up and "go away back and sit down." If things don't suit you, move where they will. A growler and a sorehead in a town is an enterprise killer every time. It would pay a town to donate him five dollars, and tell him to move on.

Barbecue At La Cinta.

Mr. and Mrs. F. S. Brown, Mr. and Mrs. W. A. Brumage, and E. J. H. Roy, attended the barbecue and dance given by Mr. and Mrs. Henry Stone, at their home in La Cinta Canyon, on Saturday last. The threatening rain kept a good many of the less venturesome ones from going as the weather was rather hazardous.

All report a fine and elegant time, which, conjoined with the hospitality of the host and hostess will be long remembered.

Warning To Live Stock Owners.

I again wish to call the attention of all live stock owners to herd their cattle and pen up their hogs, as the law forbids live stock to be running loose at large.

I also wish to inform the property owners of the town to clean up about their premises so as to avoid diseases.

All rubbish and waste paper should be put in waste boxes and barrels and burned.

Guadalupe Garcia,
Justice of the Peace
and Health Officer.

New Game Laws.

The new game laws are out and show a few improvements over last year's crop. Among the changes which will please the public without regard to their sporting proclivities are the following:

The man who says is-it-hot enough for you may be killed any time during the months of June, July and August.

High-speed automobile fiends may be slaughtered at any time during the year; no limit as to number killed in one day.

Man whose thermometer is always 3 degrees above any other in the summer may be shot during dog days without license.

Fools who rock boats may be killed any time during the summer months. No license required, as there is a bounty on all scalps offered.

Umpires giving the home team the hooks may be shot, clubbed or hunted with dogs from April 14 to October 8. —Ex.
