

#### Was Getting Old.

Cholly—While I was calling on your daughter last evening, Mr. Butts, your dog growled at me.  
Old Butts—Did he bite you?  
Cholly—Oh, no—only growled.  
Old Butts—I'll have to get rid of him and get another.

#### Never Said It.

"I hear you have been saying you would take a great delight in attending my funeral."  
"I have never said anything of the kind."  
"I think I should prefer to believe the man who told me."  
"Very well; believe him, if you like; but I never said it. I should not think of permitting myself to be seen at your funeral."

#### Turn About Fair Play.

Attorney General Wickersham was describing an unfair law.  
"The people under this law," he said, "are very much in the position of a young Washington attache."  
"As the attache was breakfasting the other morning, his servant said to him:  
"You are out of whisky, sir. Shall I get a bottle?"  
"Yes, I think you might, Jamca," the master replied. "It's your turn."

#### His Invention.

Dr. Arthur William White of Yale delights in telling of his experience with an inventor of the unlettered type who came to the professor with a model of a perpetual motion machine.  
"H'm; looks plausible," observed Dr. White, "but it won't work. What are you going to about gravity?"  
"Gravity!" said the visitor scornfully. "T'ell wit' gravity; we'll use plenty o' grease."

## RECIPROCITY PASSES SENATE

VOTE STOOD 53 TO 27—CANADIAN  
QUESTION IS FINALLY  
SETTLED.

## MR. TAFT DELIGHTED

BITTER STRUGGLE EXPECTED IN  
THE SENATE OVER  
WOOL TARIFF.

Western Newspaper Union News Service.

Washington.—By a vote of 53 to 27 the reciprocal trade agreement between United States and Canada embodied in the reciprocity bill that proved a storm center in two sessions of Congress, passed the Senate without amendment.

A majority of Republicans voted against it. Of 53 votes for it, 32 were Democrats and 21 Republicans; of the 27 against, 24 were Republicans and 3 Democrats.

This action settled the whole Canadian reciprocity question so far as Congress is concerned, and save for executive approval and the Canadian parliament's ratification, virtually made the pact the law of the land.

Congressional practice will delay the affixing of the President's signature. The bill, having originated in the House, must be returned there for engrossment and for the signature of Speaker Clark while the House is sitting.

The Canadian parliament has not yet acted on the agreement and with one exception, the provisions of the bill as passed by Congress, will not become effective until the President issue a proclamation that Canada has ratified the pact.

The exception to this procedure is in the paper and pulp section of the bill, which it is announced will become immediately effective when the President signs the law.

An analysis of the vote showed that twenty four Republicans voted against the bill and twenty-one in favor of it, while three Democrats voted against and thirty-two in favor of it.

"I am very much gratified and delighted that the bill passed," said President Taft. "It indicates the increase of mutually beneficial relations between Canada and this country."

The President received many congratulations before departing for Beverly to spend the week end. In reply to these he declared he was getting entirely too much credit out of the matter, and that Secretary Knox really was entitled to the greatest praise.

Senator Penrose ventured the prediction that Congress would adjourn not later than August 9th or 10th.

A bitter struggle is expected in the Senate over the wool tariff. A wool revision bill already has passed the Democratic House. Several substitutes have been offered in the Senate and a vote will be taken.

The wool bill was made the unfinished business and was taken up immediately. There were many exchanges of views on this bill, especially among the Democrats, and a suggestion for a caucus was made.

Nothing is settled, but the indications are there will be a Democratic conference before the vote on the bill. The indications also are that the House bill will be voted down without effort to amend it, and that subsequently the La Follette wool bill, already introduced in the Senate, may be adopted as an amendment to the House free list bill, to be finally dealt with when the free list vote is taken August 1st.

#### ITS STRONG POINT.

De Auber—Yes, I've just finished that painting. Do you like the perspective?

Orville Blunt—Yes, it's great. The further away you stand from it the better it looks!

#### DISFIGURED WITH CRUSTS

"Some time ago I was taken with eczema from the top of my head to my waist. It began with scales on my body. I suffered untold itching and burning, and could not sleep. I was greatly disfigured with scales and crusts. My ears looked as if they had been most cut off with a razor, and my neck was perfectly raw. I suffered untold agony and pain. I tried two doctors who said I had eczema in its fullest stage, and that it could not be cured. I then tried other remedies to no avail. At last, I tried a set of the genuine Cuticura Remedies, which cured me of eczema when all else had failed, therefore I cannot praise them too highly.

"I suffered with eczema about ten months, but am now entirely cured, and I believe Cuticura Remedies are the best skin cure there is." (Signed) Miss Mattie J. Shaffer, R. F. D. 1, Box 8, Dancy, Miss., Oct. 27, 1910.

"I had suffered from eczema about four years when boils began to break out on different parts of my body. It started with a fine red rash. My back was affected first, when it also spread over my face. The itching was almost unbearable at times. I tried different soaps and salves, but nothing seemed to help me until I began to use the Cuticura Soap and Ointment. One box of them cured me entirely. I recommended them to my sister for her baby who was troubled with tooth eczema, and they completely cured her baby." (Signed) Mrs. F. L. Marberger, Dreherstown, Pa., Sept. 6, 1910.

Although Cuticura Soap and Ointment are sold everywhere, a sample of each, with 32-page book, will be mailed free on application to "Cuticura," Dept. 4 L, Boston.

#### Honors More Than Even.

Mrs. Patrick Campbell is not kindly inclined to criticism of her work. At a rehearsal of a new play, one morning, her manager, Charles Frohman, stopped Mrs. Campbell and said: "Mrs. Campbell, it seems to me that those lines should be delivered thus," repeating the lines in question. Mrs. Campbell drew herself up and said: "Mr. Frohman, I am an artist." "That is all right, Mrs. Campbell," replied the urbane manager. "I assure you I will never reveal your secret."

#### CURE THAT SORE THROAT

Sore throat is inflammation of the mucous membrane of the throat, and if this membrane happens to be at all sensitive a predisposition to sore throat will exist.

Paxtine Toilet Antiseptic is both a preventative and a cure for sore throat because it possesses extraordinary cleansing, healing and germicidal qualities. Just a little in a glass of water, used as a gargle, will quickly relieve all soreness and strengthen the mucous membrane of the throat, and thus overcome all tendency to sore throat.

Paxtine is far superior to liquid antiseptics or Peroxide for all toilet and hygienic uses.

Paxtine may be obtained at any drug store, 25 and 50c a box, or sent postpaid upon receipt of price by The Paxton Toilet Co., Boston, Mass. Send for a free sample.

#### And Then He Escaped.

"William," said Mrs. Peckem, sternly, "did you ever stop to think that some one might steal me when you are away?"

"Well," responded the poor husband, with a far-away look, "I was a little alarmed when a horse thief was prowling these parts last week."

Mrs. Peckem stiffened up haughtily. "A horse thief, eh?"

"Yes, I heard that he carried off two or three nags from this district." And then Peckem made a bee-line for the door.
