PEN AND SCISSOR GRAPHS

The boycott in China is reported to be called off.

The dispenser at Fort Motte is in jail for a shortage of \$2500.

Sufficient capital has been subscribed to start work on Cheraw's cotton mill.

The storm Saturday and Sunday near Charleston was pretty severe.

The dispenser at dispensary No. 5 in Charleston has skipped, with a shortage of \$3000.

Russia and Japan have at last agreed to stop fighting and settle their differences in a better way.

Drunkenness has been made a misdemeanor in Georgia. Why not everywhere.

President Roosevelt is being deservedly showered with congratulations for his part in the peace conference.

Mr. Fred Miller, formerly of Marlboro, was married to Miss Irene Davis of Chesterfield on the 16th of August.

Rev. S. E. Bishop, son of the late Rev. P. E. Bishop at one time pastor of the Bennettsville Presbyterian church, died in Cheraw on the 22d of August.

The date and place for holding the next State Confederate reunion has not yet been fixed, but it is thought it will be held during Fair Week at Columbia. It is good time and more of the old Vets will go there than to Charleston.

It has cost Newberry about \$23,000 to vote out dispensary. The voters bought will now get their booze from Atlanta. Its just as easy to get and cheaper with the express paid. That's the way its done in Marlboro. No trouble to get it if you want any. A post card will ring it to the door. What better service could be desired by those using it?

FARMERS RALLY MEETINGS

The old adage "strike while the iron's hot" is good advice, and holds good in every undertaking where you want to succeed. Some farmers are slow to

plenty of the right sort, nothing will succeed. One man cannot carry the burden alone, if he could, it would soon become a selfish and one-sided affair. In union there is strength.

There never was a time when the farmers of the county were presented with greater opportunities for improving their condition than now. Then why not all come together (bankers, merchants and all interested in making Bennettsville a cotton market) as one man and grapple with these opportunities and get the most out of them for the good of the town and county.

Talk to your neighbors about the Standard warehouse system, and the benefit to be derived by the county having one at the center of trade and convenient railroad facilities, and all turn out to the Rally Meetings to be held tomorrow at Clio, Tuesday next at McColl, Thursday at the Brightsville school house, and Saturday at Smith's Grove, in Smithville, and you cannot help but being benefitted by what you will hear.

MEN FORTY IN DANGER.

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of prostate gland. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Barnett, Rock Part, Mo., writes, "I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 67 years old." For Sale by Bennettsville Pharmacy.

WANTED - A 1 or 5 Horse FARM.

Will take on share or rent, and will rent stock and feed. Address "G.", Care of "Democrat", Bennettsville.

Sporting By the Seaside.

Treasurer J. H. Thomas, with his two sons B. B. and W. A. and Mr. D. M. Hill, left Monday morning in a covered wagon well supplied with a plenty of eat, lot of fishing tackle, guns and ammunition for a ten days stay at Cherry Grove, on the coast between Southport and Georgetown, where is plenty of fish and game, and is about 90 away, but they expect to have a royal good time. We regret that we could not accept an invitation to join the party.

DR. FIONA'S Testimony Interesting.

Dr. Thomas Finn, of Boonsboro, Md., who has practiced medicine for 32 years, says he has used every prescription known to the profession for treatment of kidney and bladder disease, and says he has never found anything so effective in both chronic and acute kidney and bladder trouble as Foley's Kidney Cure. It stops irregularities and builds up the whole system.

They That Do Ten Things at The Same Time

He insults good people. 6. He profanes sacred things. 7. He shows bad bringing up. 8. He dishonors his parents. 9. He does what he is ashamed of. 10. He does what he will regret. - Selected.

A Clear Complexion and Bright Eyes.

In most cases a sallow, blotched complexion and dull heavy eyes are due to poor digestion and an inactive liver. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels and makes the complexion smooth and clear. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and pleasant to take. Heuse substitutes. For sale by Bennettsville Pharmacy.

Got the Chicken Thief.

For some time Mr. Ansel Rogers at the MARLBORO has been missing his chickens. By chance he discovered a big owl was a visitor, and on Thursday night he saw the owl in one of the oaks in front and shot him. He was a large one - measuring 3 feet and 6 inches from tip to tip.

THE ORIGINAL.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. For sale by Bennettsville Pharmacy.
