### Beware of Ointments for Catarrh That Contain Mercury

Mercury will surely destroy the sense of smell  
and completely derange the whole system when  
entering it through the mucous surface. Such  
articles should never be used except on promiss-  
sions from reputable physicians, as the damage  
they will do is ten fold to the good you can pos-  
sibly derive from them. Hall's Catarrh Cure,  
manufactured by F. J. Cheney & Co., Toledo, O.,  
contains no mercury, and is taken internally,  
acting directly upon the blood and mucous sur-  
faces of the system. In buying Hall's Catarrh  
Cure be sure you get the genuine. It is taken

## HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging

Conditions, Mrs. Bullock Gave

Up in Despair. Husband

Came to Rescue.

Catron, Ky.—In an interesting letter  
from this place, Mrs. Bettie Bullock  
writes as follows: "I suffered for four  
years, with womanly troubles, and during  
this time, I could only sit up for a little  
while, and could not walk anywhere at  
all. At times, I would have severe pains  
in my left side.

The doctor was called in, and his treat-  
ment relieved me for a while, but I was  
soon confined to my bed again. After  
that, nothing seemed to do me any good.

I had gotten so weak I could not stand,  
and I gave up in despair.

At last, my husband got me a bottle of  
Cardui, the woman's tonic, and I com-  
menced taking it. From the very first  
dose, I could tell it was helping me. I  
can now walk two miles without tire  
diring me, and am doing all my work."

If you are all run down from womanly  
troubles, don't give up in despair. Try  
Cardui, the woman's tonic. It has helped  
more than a million women, in its 50  
years of continuous success, and should  
surely help you, too. Your druggist has  
sold Cardui for years. He knows what  
it will do. Ask him. He will recom-  
mend it. Begin taking Cardui today.

## OBSERVATIONS

### PUMPKIN HILL ITEMS

Mrs. A. Gossip broke three of  
the teeth out of her galvanized  
comb Monday and had to take it  
to Dr. Yanker, the Pumpkin Hill  
dentist, who claims he'll have to  
put in some bridge work. Doc  
Yanker has quite a reputation in  
these parts, as he put four teeth  
in Hank Parsnip's harrow last  
spring and they are there yet.

Bill Mutton had a queer ex-  
perience Friday night. While  
he was snoring the last strain of  
Swanee River, a blade of slough  
grass from his bed tick flew up  
his nose and now every time he  
blows it, the Pumpkin Hill fire  
whistle gets jealous. Our May-  
or is thinking of firing the whistle  
and hiring Bill.

Rufus Beans, the colored man  
who files all the razors in Bob  
Cutter's barber shop and has  
been calling on the chickens in  
Mrs. Leghorn's hen house every  
Saturday night, was arrested  
Sunday. Mrs. Leghorn testifies  
that she caught Rufus cloping with  
two nice hens.

Dr. Killem, Pumpkin Hill's  
prominent pill distributor, has  
accepted the local agency for the  
Pickleville undertakers. Give  
Doc a chance. He is a hustler.

Si Flip brought a load of flour  
seed to the Pumpkin Hill Mill  
Tuesday.

### A LETTER

Mr. Ed Shearer, Inventor,

Lordsburg, N. M.

Dear Mr. Shearer:

During the spare moment you  
have when you invent low water  
alarms, noiseless soap spoons and  
other automobile accessories  
could you not come to the rescue  
of the printing element and for  
my own benefit invent some kind  
of a printer's high temper alarm.  
We've been putting on some  
power fixtures on our press, Ed,  
and if you have ever worked  
around machinery (joke) you  
know what that might mean.  
You know Ed, I'd make a better  
lineman on a wireless outfit than  
a mechanic so when I gave Jess  
(our humble combination printer-  
mechanic) some suggestions as  
to reducing the speed on the  
shafting and got it all bawled up  
it made him hot. That's why I  
write you for help. How can I  
tell when he's going to blow up  
like that? I tried to tell him  
some of those jokes you told us  
out in front of the St. Elmo one  
night—but it didn't work. So  
please invent something if you  
think anything of my health.  
I'm afraid the next time I'm  
going to be sick 'cause Jess is a  
prize-fighter some times when he  
gets tired of printing. And I'm  
no good at prize-fighting.

What's the answer, Mr.  
Shearer.

P.S. Say Ed, if you don't  
think this stuff is kinda funny  
why don't read it. You know  
I've got to fill up this space and  
not everyone laughs at that  
Pumpkin Hill stuff so I'm writing  
this sort 'o personal like and  
maybe someone will laugh.
