The Rochester Herald says Miss Lester opened a cold bottle with the ease and grace of an old rounder, which she isn't.

The Chicago Herald thinks this would seem to be Spain's opportunity while the Indians are attacking us from the rear. But you can't generally, most always, sometimes tell.

Workmen in an English manufacturing town struck the other day because their employers would not consent to their going to see Barnum's "greatest show on earth." The cause of liberty is still advancing, announces the Topeka Journal.

### FROST'S PHOTOGRAPH.

It is of great importance that the Territorial taxes be collected with reasonable promptness, but it is of much greater importance to insist that public funds be properly and economically expended. It is better politics to stop the leaks than to grind the faces of the poor. We know a man with a capacious measure under a big leak, who is continually patting himself on the back for his skill in prodding tax collectors, but he has never a word to say about leaks.—Cerrillos Register.

We have two children who are subject to attacks of croup. Whenever an attack is coming on my wife gives them Chamberlain's Cough Remedy and it always prevents the attack. It is a household necessity in this county and no matter what else we run out of, it would not do to be without Chamberlain's Cough Remedy. More of it is sold here than all other cough medicines combined.—J. M. Nickle, of Nickle Bros., Merchants, Nickleville, Pa. For sale by K. D. Goodall, Depot Drug Store.

#### A Narrow Escape.

Thankful words written by Mrs. Ada E. Hart, of Groton, S. D. "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for consumption, coughs and colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God I am now a well and healthy woman." Trial bottles free at Murphy-Van Patten Drug Co. and Browne, Manzanara Co. Regular size 50c and \$1.00.
