I ask your attention.

I do not think it necessary or right for the ranchmen of any district to have to pay the salary and expenses of a traveling implement agent, and that is what you have to do when-ever an agent calls at your home to sell or make contracts with you for implements of any kind. You are in town every now and then anyway, and if you will call at my store I will take pleasure in showing you the most complete line of

Farm Implements, Wagons, Buggies, Etc.

That has ever been brought into the San Juan country, and I will guar an all ranch goods you may buy of me.
