S.S.S. FOR SUMMER SKIN DISEASES. During the summer most persons are bothered with people, boils, rashes or eruptions, while others suffer more severely with blisters, Acne, Tetter, Salt Rheum, or some kind of skin disease. All these afflictions come from humors and acids in the circulation. The blood is the source of the trouble, deposits these harmful poisons in the skin, and the skin breaks out in various ways. The great blood purifier, S.S.S., cleanses the blood, and in this way, the skin diseases are cured. S.S.S. cures because it purifies the blood and thus does away with the cause. Back or skin diseases and any medical advice you may desire sent free. S.S.S. is for sale at drug stores. THE SWIFT SPECIFIC CO., ATLANTA, GA.
