BILL PREPARES TO MEET MAYTORENA IN BATTLE AGAIN

Naco, Sonora, Mexico, Sept. 26.—
Under orders from General Carranza,
General Benjamin Hill began mobilizing troops here today
for another stand against Governor Jose Maytorena of Sonora, who
defeated him in battle yesterday at
Santa Barbara.

General Hill officially reported to
Mexico City today that only 26 of his
men were wounded yesterday. None
was killed. He also declared that
Maytorena lost 28 killed and 82
wounded. Soldiers who fled from the
field of battle declared, however, that
at least 200 dead were left where
they fell.

General Hill expects reinforcements
from Agua Prieta as well as
from Carranza, which is reported to
have been deprived of all troops. He
declared also that General Jesus Carranza
was en route from Tehuacan with
10,000 men.

Since is being entrenched with a
semi-circle of ditches stretching from
the international boundary on both
sides of the town, Hill's troops are
lying on their arms in the trenches
awaiting the approach of Maytorena,
but a battle is not expected before
tomorrow.

TWO HUNDRED KILLED IN YESTERDAY'S BATTLE

Naco, Sonora, Mexico, Sept. 26.—
Two hundred were left dead on the
field between Santa Barbara and
Santa Cruz, after the battle between
the forces of General Maytorena and
General Benjamin Hill yesterday, according
to fugitive Carranza soldiers.
General Hill is here today awaiting
orders from Mexico City as to whether
he shall make another stand at
that point against Maytorena.

Meantime 700 of Hill's men have
evacuated Carranza and come here.
Seven hundred others were marooned
when locomotives pulling their troop
trains "died" from lack of coal, about
twenty miles east of Santa Cruz. Two
other locomotives were sent from
here today to rescue the stranded
troops.

The rout of Hill's troops yesterday
is said to have been primarily due to
the wounding of Lieutenant Colonel
Gomez, commanding the advance
guard. Gomez had Maytorena's
Yankees in sight when he received a bullet.
Discovering their commander was
wounded, Gomez's men fled.

Santa Cruz has been cut off from
communication since 9 o'clock last
night. General Heriberto, the
Caranza commander in Sinaloa, is re-
ported to be at Mazatlan today with
several thousand troops on the way
to Sonora to check Governor Mayto-
rena.

MAYTORENA REPORTS A FEW OFFICERS KILLED YESTERDAY

Nogales, Sonora, Sept. 26.—Governor
Maytorena reported today that among
those of General Hill's army
killed at the battle of Santa Barbara
yesterday were Majors Widal and
Durazo, Captains Florencio Padros and
Ramon Gasteiz, and Lieutenants Estrada and Willar. Maytorena
took 25 prisoners.

The governor declared Hill's forces
had been routed at two points be-
tween Santa Barbara and Santa Cruz.

ACTION DISCLOSES HIGH COST OF SOME LAND

**Badaracco Puts Value of \$3,
500 on Forty Inches of
Property at Third and Ti-
jeras and Copper.**

Land in the vicinity of North Third
street and copper and Tijeras avenues
according to a suit filed today
in the district court, is worth more
than \$1,000 a foot.

The plaintiff in the suit is G. Badaracco.
He is young Giulio Carlucci
for \$2,500. He wants \$300 because
he alleges in conveying a piece of
property at Third street and Copper
avenue to her one foot and three
inches on Third street was mistakenly
included. He says the value of the
15 inches is \$100 and he wants that
sum and the land back. He asks for
\$2,000 because, he alleges, the de-
fendant put up a building that
enriched two feet and three inches
on his property at Third street and
Tijeras avenue. That is what the
land and the use of the wall she has
enjoyed is worth, he says.

The plaintiff is represented by
Pierce & Pierce.
Judge Haynes today sustained
the demurrer of the A. T. & S. F.
Railway company against the suit in-
stituted by the county to recover tax
money due on a levy made for 1913.

The levy was for the boarding of
prisoners and the railway company
resisted it. An appeal to the su-
preme court was granted after the
suit was dismissed.
