## Desirable Property for Rent

The first of the year finds me with two properties vacant—  
my mother's residence on Copper avenue; twelve rooms,  
bath room and toilet downstairs and one upstairs, a fine  
cement basement and washroom with a fine furnace. Also  
the Eleventh street property; connected with the sewer,  
electric lights, five rooms and five acres of ground. Would  
be fine for anyone wanting to raise chickens. A number of  
chicken houses, several acres seeded to alfalfa and a number  
of apple trees; also sufficient ground for a fine garden. I  
will rent these two properties cheap, but am particular about  
the tenants; they must be responsible and lease for one year.

### Firemen Rescue Woman From a Deep Cesspool

The Highland fire company was  
called out this morning to rescue  
Mrs. W. P. Dillon of 1215 East Cen-

spool was on the grounds, and fell  
into it while walking about the yard.  
It was a twenty-foot fall and as there  
were no ladders on the place the fire  
company was called.  
Mrs. Dillon was not hurt, but suf-  
fered considerably from shock.
