MANY ORIGINAL TOUCHES SEEN IN

WOMEN'S NEW SPRING APPAREL

When all outdoors is busy putting on new colors and new verdure, it is but natural that we too seek excuses to lay aside winter's apparel for the light, bright, airy new things that Springtime always brings. To be in tune with the season we will be glad to adopt the straight and slender silhouette as brought to us in these latest apparel arrivals, for they add to our youth, in appearance at least.

There is no use of enumerating ALL of the many things when a short R visit to the store is now so interesting, and the glaner can enpture in a moment what cold type would take an hour to tell. Representative styles of Fashion await you in the new
