INTERESTING FACULTY

In Regard to Rain-Fall and Tempera-

was 7 25 inches, which is three inches above the average. During the last three months the rain-fall was 161 inches, the bulk of which fell in Febru ary and March. During March the mean temperature was only forty two degrees, which was much below the normal. Prevailing winds were from the north. Rain fell on eighteen days. The highest temperature was 72 degrees on the 9th, which was decidedly summerlike. The lowest was 22 degrees on the 15 h, which was pretty windy.

A GREAT ORCHARD.

50,000 Peach and 5,000 Pear Trees to regarding his death

Bear for us all. The CHRONICLE learns from Mr J Van Lindley, who has with other parties just purchased 1200 acres of land near Southern Pines, that they do not pro pose to carry on any nursery business as far as it pertains to selling trees, but to ship the fruit borne by 50,000 peach and the funeral in Tarboro. 5 000 pear trees each season.

Several large capitalis's from New York and Outo are interested, and 350 acres are now being cleared to begin the planting. The grounds will be ready and the planting begun in December next. This will be one of the greatest orchards of the country.

Suggestions Invited.

The committee appointed by the Mass Meeting of citizens to present a plan for another meeting Monday and will carefully formulate the plan that seems b st to them. They would be glad to have suggestions in writing as to plans, and if any Democrat has a plan which he thinks will secure the desired result, the Send by 12 o'clock on Monday to either W N. Jones, J. C. Marcom, F O Moring or Josephus Daniels.
