GORDON-CUMMING

WILL SOON MARRY.

HE HAS WON THE HEART
AND HAND OF A WEAL-
THY NEW YORK
LADY.

SOON TO WED MISS GAR-
NER.

No Matter How the Baccarat Trial
May End, the Marriage
Will Take Place.

(By the United Press.)

NEW YORK, June 4.—The Daily Continent, of this city, prints a sensational article concerning Gordon-Cumming, who is now on trial in England, and it appears that, however, the suit for the slander brought by Sir William Gordon-Cumming against certain English society people turns out, it is said that the unfortunate baronet will shortly be consoled by a matrimonial alliance with a wealthy and beautiful young New York lady.

A dispatch from London, dated May 31, states that as soon as the trial, which is now attracting such general attention on both sides of the ocean, is over, Sir William will marry Miss Florence Garner of this city. It has long been rumored that such a marriage had been arranged, and the rumor is now confirmed.

Miss Garner's friends in England state that she is confident of the innocence of Sir William of the charge of cheating at the famous game of baccarat at which the Prince of Wales was banker, and she will prove her confidence by giving him her hand in marriage, whatever the result of the trial.

Miss Garner is now in England with her mother, and nothing could be learned yesterday of the approaching marriage at the Garner house, No. 18 East Thirty-sixth street.

The reporter found Mr. Ward McAllister and asked him if he could throw any light on the matter. He said:

"I have understood for some time that Sir William Gordon-Cumming and Miss Garner were engaged to be married, and so far as I know, the London dispatch which you show me is correct, to that extent. But I hardly think the marriage will take place as soon as that indicates, for the reason that Miss Garner is now on her way to this country in company with the Marquis and Marquise de Berteuil."

WALL STREET PROTESTS

And Asks Secretary Foster to Con-
tinue the 4 1-2 Per Cent. Bonds
at 2 Per Cent.

NEW YORK, June 4.—Secretary Foster met a large number of bankers at the Sub-Treasury this morning to discuss the extension of the four and a half per cent. bonds. After the discussion Mr. Seligman was called to the chair and the following resolution was unanimously adopted:

RESOLVED, That this meeting, composed of representatives of banks, trust companies and bankers of New York, hereby express to the Secretary its unanimous opinion that in view of the necessity for an increase of circulating notes for the movement of the abundant coming crops of every variety it is to the interest of the country to extend the maturing four-and-a-half per cent. bonds at the rate of two per cent. interest payable at the pleasure of the government and that at a lower rate of interest would tend to contract the currency at a time inconvenient to all business interests. Secretary Foster reserved his decision and made no announcement as to what his policy would be, but it is generally understood that he will act in accordance with the resolution. The National Banks represented notified the secretary that they stood ready in case the bonds were extended to buy them in the open market, and take out circulation against them. This would increase the amount of the currency in the country by \$28,000,000.

Against the R. & D.

(Washington Evening Star, 3d.)

The case of Silvester L. Stockbridge, of Baltimore, against the Richmond and Danville Railroad Company, on trial in the Circuit Court for over a week, was concluded today by a verdict for the plaintiff for \$60,000. The suit was for \$100,000 for damages occasioned by the derailment of a train in which the plaintiff was a passenger, near Clifton, Va., in 1888, when he was badly hurt, and was confined to his bed for several months paralyzed and prematurely incapacitated from following his profession at the bar. The plaintiff was represented by Judge Wilson and Mr. R. Hagner, and Mr. L. Kent appeared for the defendant.

A WAKE COUNTY BOY FOUND
DEAD IN BED AT HIS NEW
HOME IN GEORGIA

HE USED TO LIVE IN WAKE
COUNTY.

And Went Sometime Ago to Mount
Vernon, Georgia, Where he
had Become County
Surveyor.

(Special to STATE CHRONICLE.)

MOUNT VERNON, Montgomery County, Georgia, June 4th, 1891.—The friends of a dead young man whose widowed mother lives in Wake county, North Carolina, have tried to reach her by telegraph but have failed, and as the CHRONICLE is widely circulated they have devised the plan of sending it to you for publication.

On last Tuesday morning a young man named Charlie Hicks, was found dead in his bed by his friends here. He was a native of Wake county and once lived at Wake Forest, where, as he told friends here, he was educated. His mother, a widow lady, lives there now.

This young man came here several years ago and was recently chosen county surveyor, which position he has filled with credit. He was very popular and his death is deplored. Will some one please communicate with the authorities.

The CHRONICLE was pained to learn of such a sad and sudden affair and immediately notified its Wake Forest friends.

THE SMALLEST YET.

How the Republicans Have Done
Away with the Surplus.

(By the United Press.)

WASHINGTON, June 4.—The net surplus in the Treasury to-day is \$5,000,000, a smaller sum than has been in the Treasury within the memory of the oldest officials. To increase this surplus Secretary Foster to-day called in \$3,000,000 of deposits from some of the National Banks. It is probable that other calls will be made from time to time on these and other National bank depositories until their holding shall have been reduced to about the amount needed for the proper transaction of current public business.

PROBABLE NEW CABINET.

A Prominent Canadian Gives Out
the Proposed Reorganization of
the Government.

(By the United Press.)

NEW YORK, June 4.—The Herald has received a telegram from Canada saying that it is declared on the authority of a prominent French Canadian that the Cabinet will be reorganized by Sir John Thompson with the following changes:

Premier and Minister of Justice—Sir John Thompson.

Minister of Railways—Hon. J. A. Chapleau.

Minister of Public Works—G. A. Kirkpatrick.

President of the Council—W. B. Ives.

Leader of the Senate—Lieutenant-Governor Angers.

The politician said that the remaining portfolios would remain the same, except that some French Canadian member would succeed Chapleau as Secretary of State, and that Hon. J. Garling will probably retire from the Cabinet to make room for Meredith, the present leader of the opposition in the Ontario House. Sir Hector will be made Lieutenant-Governor of Quebec, and Sir Charles Tupper will stay where he is. It is all "bosh," he declares, about Sir John Thompson refusing the Premiership.

REMEMBER THE "HOME."

Mr. M. O. Sherrill Makes a Plea
for the Old Soldiers.

(Special Correspondent to CHRONICLE.)

Now that the "Home" is an established fact will not all who are able lend a helping hand, either in money or something else? A number of old soldiers are now in the Home and other applications on file. In order to make this a "Home" indeed and in truth, these men must be provided for.

There are a number of men and women in North Carolina who are ready to give to this cause if their attention is called to the necessity of the case. When I was canvassing for the "Home" a number of persons promised to help "when ever a Soldiers' Home was an established fact." Therefore I confidently expect them to respond.

Yours truly,

M. O. SHERRILL.

KERNERSVILLE, N. C., June 4.—Last night at eight o'clock, Hon. R. B. Glenn, of Winston, delivered a forcible address in the Methodist church in the interest of the Y. M. C. A. When the crowd had about half gathered to hear him a young cyclone struck the town and kept things in a roar for half an hour. Trees were twisted and shrubbery and glass damaged.

All our tobacco factories are in full blast and Kernersville is on the hum. Our tobacco box factory is running day and night.

THE NEW HANOVER

ELECTION CASE.

THE ENTIRE COUNTY BOARD
OF CANVASSERS ARE UN-
DER INDICTMENT IN
THE FEDERAL
COURT.

FORMER DECISIONS DO NOT
SATISFY REPUBLICANS.

And They Have Brought Honest
Men Before the Court Charged
With Violating a Law
They Really Pre-
tected.

Yesterday afternoon a number of prominent citizens of Wilmington came up to Raleigh to the Federal court. The Board of Canvassers of New Hanover have been indicted for failing to canvass the vote in Cape Fear precinct at the last election. The Board is composed of the following gentlemen:

E. G. Parmelee, Ch'm'n.
Walker Taylor, Ass't Sec'y.
Capt. James M. McGowan.
Capt. E. W. Manning.
B. S. Montford.
Will West.
T. G. Pickett.
Will Ulrich.
W. M. Evans.

The precinct was thrown out because the registrar could not obtain the books. His clerk (a negro) held the books and would not give them up. He is now a fugitive. When the Board met, Mr. Cowan, the Registrar, stated on oath that the negro had the books—and kept them unlawfully—and that the election was not lawful. The Board decided that, in view of this sworn statement, that the vote of Cape Fear precinct ought not to be counted.

This case in substance has been decided in VanAurine vs. Taylor by the N. C. Superior and Supreme Courts, and the court held that the Board of Canvassers had acted properly.

But this did not satisfy the spleen of the Republicans, and for pure malice they resorted to the prosecution of these citizens in the Federal Court.

The following witnesses in the case also came up: Messrs. J. J. Jackson, J. T. Kerr, David Chadwick, H. S. McFadden, Jas. Baker, Samuel Blessom, Senator Jno. D. Ballany, Jr., Capt. W. P. Oldham, Col. John D. Taylor, Clerk of the Court, Jas. Cowan and P. B. Manning.

The defendants are represented by Messrs. Marsden Bellamy, Geo. Rountree, Col. A. M. Waddell and W. S. O'B. Robinson.

The prosecution is represented by District Attorney Cook.

Judge Russell is the principal witness for the prosecution.

The case is to come up for hearing to-day.

Our Jelly Fourth.

The committee on arrangements for the Fourth of July celebration met last evening and decided on a plan to raise some funds with which to carry out their designs and make it a success. They have asked for another committee from the Board of Aldermen with Mayor Badger as chairman, and propose to raise \$150 if that new committee will do the same.

Coughs and colds kept off by taking Simmons' Liver Regulator to regulate the system.

Tim Keefe Pitches Great Ball for
the Giants and Only Allows

Cincinnati Three Hits.
(By The United Press.)

NEW YORK, June 4.—Tim Keefe made his second appearance of the season for the Giants to-day, and pitched great ball, the Cincinnati only being able to touch him up for three hits. In the last inning he only pitched 11 balls in retiring the side on strikes. Latham's excellent base running gave the visitors the first run, he having been given first on ball. Attendance, 1,500. Score: New York 4, Cincinnati 2. Batteries, Keefe and Buckley, Rhines and Harrington.

Couldn't Hit Esper.

PHILADELPHIA, June 4.—The Pittsburgs were unable to hit Esper to-day, and they were unfortunate in making their errors at the wrong time. The Phillies got on to Baldwin pretty well and pounded him for 12 hits. Esper was well supported by the home team. Score—Phillies 9, Pittsburg 2. Batteries—Esper and Clements, Baldwin and Mock.

Brooklyn Not in It.

BROOKLYN, N. Y., June 4.—Anson's men pounded Hemming unmercifully to-day, making 17 hits off him. Brooklyn's errors helped the visitors along in the slaughter of the home team. Hemming was very wild at times.

Boston, June 4.—The game between Boston and Cleveland to-day resulted in a walkover for the latter by a score of six to one. Batteries: Nickolls and Fazelle for Boston; Young and Zimmer for Cleveland.
