LOCAL NEWS.

MR. BRYANT'S ACCIDENT.—Mr. B. F. Bryant had the misfortune to cut his foot with an ax a few days ago while splitting some timber.

CHURCH FEAST.—The ladies of St. Mark's Episcopal church in Halifax will give a feast on Tuesday, Wednesday and Thursday of the first week of court for the benefit of said church.

SECOND CROP OF PEARS.—Mr. Wilcox of Halifax handed us a pear Monday as large as a small-sized peach and informed us that it is the second crop for this year.

BIG PIGS.—Mr. M. T. Wood of Enfield has two pigs 5 1/2 months old which weigh respectively 287 and 262 pounds. When last he weighed them the gain in weight was about 2 1/2 pounds a day.

HUNTING SEASON.—It is now the hunting season and few places afford better opportunities for good hunting than the forests and fields in this community.

GOOD JOB PRINTING.—THE DEMOCRAT office is constantly turning out the very best job printing. We have just purchased some fine stationery. Prices as low as others and work guaranteed.

A LONG GOURD.—Mr. T. B. Haskitt exhibited a gourd on the streets Saturday which was something of a curiosity. The gourd proper would hold about a quart, and the gourd and neck, which was about as large as a walking cane, measured 3 feet and 8 inches.

SUPERIOR COURT.—Superior court will be held in Halifax next week. THE DEMOCRAT will be glad to see any who may be a little over due on our list or any who may wish to subscribe or any who need job printing of any kind.

OPPOSSUMS ENOUGH.—Mr. John T. Davis had a fine box of 'possums in town the other day. He had eight in one box and said he would have brought more if his box had been larger. His ability to supply a large number was only limited by the size of the box.

NOVEMBER 14TH.—Cards are out announcing the marriage of Miss Mary Octavia, daughter of Mr. and Mrs. J. J. Laughinghouse, to Mr. J. Bryan Grimes at Chocowinity, N. C., Wednesday, November 14th. The bride and groom are both accomplished and popular and the occasion will be one of very great interest to their many friends.

RUN OVER A LITTLE.—It being a campaign season we have allowed a few of our subscribers' names to remain on our list after the time of their subscriptions had expired. We hope they will now send us the small amounts due and renew their subscription. Next week we shall notify those who are behind. Please be prompt in your settlements and renewals.

BURGULARS AT WORK.—Last Sunday night while Mr. R. H. Shaw and family were at church some one entered his house and opened a trunk or two. Two purses were taken which contained \$15. Mr. Shaw took out a search warrant Monday morning. He said he could identify the purses. He suspects some parties, but thus far nothing has come of the warrant.

85 BARRELS ON 4 1/2 ACRES.—Mr. N. Biggs gathered 85 barrels of corn from 4 1/2 acres of land. He said that had not some hogs been on a part of the corn besides some casualties by the winds he believed he would have gathered 100 barrels. At any rate 85 barrels from 4 1/2 acres is a good crop. There ought to be no complaint that we can't raise corn.

RETURNED FROM JOHNS HOPKINS.—Mess. Earle Walston and Alpheus Vaughan have returned from Johns Hopkins hospital, Baltimore, where they have been for treatment. The former for shivered bone in the ankle from which he has suffered several years, and the latter for varicose ulcer on the leg. They were both much improved and expect to be perfectly restored soon.

BAD BEHAVIOR.—Last Monday night some one sneaked the show windows, doors and side of M. Hoffman & Bro.'s store with red paint. It was thought that it was done because Mr. Hoffman refused to close his store on election day. Indeed the words "close up" were written in the paint. All the other larger merchants here had agreed to close but Mr. Hoffman would not. If any one disliked Mr. Hoffman's action in refusing to close his store election day it was criminal to take that means of reproving it. THE DEMOCRAT regrets that any one in the community would stoop to such a thing, and we know that it is condemned by the good people of the town.

THE FOREMAN'S VOW.—One of the columns of our report of the speaking here got mixed up last week. It occurred by getting a stick of type in the wrong column while making up the forms. We were all very sorry it occurred, and our foreman begs pardon of our readers and asseverates under the stars, by the horseshoe of good luck which he has hung over his door, and by the magic in the left hind foot of a grave-yard rabbit that such a mistake shall not occur again.

DIED.—Mr. John S. Savage, son of Mr. G. A. Savage, died in Richmond, Va., Sunday Nov. 4, at 4 o'clock, a. m., aged 26 years. He was taken suddenly ill Saturday afternoon at 4 o'clock and never spoke again. His remains were brought to Enfield Monday and interred in the old family burying-ground near there. Deceased married about 7 months ago Miss Cautts of Richmond who survives him. She came to Scotland Neck Tuesday to visit her deceased husband's parents. THE DEMOCRAT extends sympathies to the bereaved family. —At Braswell's Monday, Nov. 5, '94, Mrs. John Manning, aged 65 years.

Fire in Kinston.

News comes from Kinston that the entire plant of the Kinston Lumber Company was consumed Monday, besides several private dwellings. The insurance on the lumber plant partially covered the loss, and there was also some insurance on the dwellings that were burned.

Hyman—Jenkins.

At the home of the bride's father, Mr. Whit Hyman, near Hamilton, N. C., on Wednesday, Nov. 7, at 3 o'clock, p. m., Miss Maud Hyman was married to Mr. K. Jenkins, of Scotland Neck, Rev. W. J. Smith, officiating. A large number of friends of the bride and groom assembled to witness the marriage. Immediately after the ceremony the bridal party, consisting of the bride and groom and Mess. E. R. Ausborne and J. E. Lewis, who accompanied the groom returned to Scotland Neck. Quite a number of friends had been invited to the wedding supper which had been prepared at the home of the groom by Mrs. Joyner, Mrs. Bowers and Miss Jennie Joyner. The supper was most bountiful and deliciously prepared and the gay company of guests remained together several hours in pleasant conversation and then separated.

THE DEMOCRAT extends congratulations to the groom and wishes the happy couple a long and prosperous life together.

Tillery—Arrington.

At the home of the bride near Ringwood, Oct. 31, at 3 p. m., Miss Mary C. Arrington was married to Mr. Paul V. Tillery, of Tillery, Rev. R. E. Peele, of Wilmington, officiating.

The attendants were: Miss Cora Arrington of Rocky Mt., with Mr. Wells Tillery, of Tillery; Miss Kate Tillery of Scotland Neck with Mr. John Arrington, of Rocky Mt.; Miss Emma Arrington of Rocky Mt. with Mr. Lynn Draughan of Whitakers; Miss Mary Cotton of Dawsons with Mr. Paul Rasberry of Whitakers; Miss Pierce of Rocky Mt. with Mr. Lynn Branch of Dawsons; Miss Mary Parker of Rocky Mt. with Mr. Edwards of Rocky Mt.

The bridal party left immediately after the ceremony for the home of the groom near Tillery where about sixty friends of the contracting parties had gathered to enjoy the reception tendered. After many congratulations and pleasant wishes the spacious dining halls were thrown open and the jovial guests were conducted in where they partook of a most abundant and delicately prepared old time wedding supper, which consisted of every good thing needed to make it bountiful and satisfying to all.

The bride is beautiful and accomplished and popular and the groom is a young man of all the sterling qualities for noble manhood. THE DEMOCRAT joins their many friends in wishing them a long and happy and prosperous life together.

Do you have headache, dizziness, drowsiness, loss of appetite and other symptoms of biliousness? Hood's Sarsaparilla will cure you.

Messrs. S. I. Bell & Co., of Philadelphia, Pa., have an advertisement in another column, in which they say that from \$250.00 to \$400.00 can be made by working for them between now and the Holidays. If you feel inclined to avail yourself of their offer they will furnish you full particulars.

COMING AND GOING.

Folks You Know or May Know.

Mr. J. T. Sexton from near Enfield was here Friday night.

Rev. R. T. Vann attended the West Chowan Baptist Association last week.

Mr. and Mrs. E. B. Higgs, of Greenville, spent two days here last week on a visit to Mrs. Shields' family.

Miss Annie Pittman left this week for Salem. Her friends are sorry to lose her from Scotland Neck.

Mrs. J. Frank Brinkley and family returned to Halifax Wednesday after several days stay in Scotland Neck.

Mrs. N. B. Josey has gone to Wake Forest to attend the golden wedding of her parents, Mr. and Mrs. J. M. Brewster.

Mr. Earle Walston has returned from Johns Hopkins hospital, Baltimore, where he went for treatment of his ankle. He is hopeful that it will now be perfectly well when he recovers from the operation.

Mrs. W. S. Ballard left to-day for Anson county where she goes to visit her relatives. Mr. Ballard who has lived here for three years and occupied a mission field for the Tar River Baptist Association, will go elsewhere. The entire community have become greatly attached to Mr. and Mrs. Ballard and regret their leaving. They have made a host of friends here of all classes and they will long be pleasantly remembered in Scotland Neck and community. The best wishes of the people accompany them wherever they go.

Death of Theodore L. Crump.

The sympathy of the community goes out to Mr. and Mrs. W. M. Crump in the sudden death of their second son, Theodore Lyman, on Wednesday, Oct. 31st at 2 o'clock, a. m. On the Saturday previous he was in town in his usual health. On Monday he was taken with a chill which rapidly developed into hemorrhagic fever with the sad result as above stated. He was a boy of a bright mind and studious habits, with a strict regard for the truth. With such traits of character he bid fair to grow up into a good and useful man, but just as he was entering his thirteenth year he was suddenly called away to the other world. Let us believe and hope that "It is well with the child."

AHOSKIE, N. C., Nov. 3, 1894. Miss Emma Baker, daughter of Mr. and Mrs. R. S. Baker, of this place, was married to Mr. J. H. Downs in the M. E. church in Union last Wednesday evening, October 31st.

Turner's N. C. Almanac.

We are indebted to the publisher, Jas. H. Enniss, of Raleigh, N. C., for a copy of Turner's N. C. Almanac for 1895. This number of the Almanac is the most valuable that has ever been issued. To the farmer and housekeeper it is a mine of information for the whole year. In fact, the Almanac is valuable to everybody. If you have never had a Turner's N. C. Almanac in your house, buy one and hang it up by the fireplace for reference, and especially in sickness, emergencies or any other matter and you will never go without one again. It will save you many dollars in a year, and can be bought for the very small sum of 10 cents if you will address the publisher, Jas. H. Enniss, Raleigh, N. C. Don't fail to get one.

You should look at our clothing before buying. We bought them late and got them cheap. Suits \$3.50 and up. N. B. JOSEY.

A Pretty Marriage Near Ringwood.

(Correspondence to THE DEMOCRAT.)

RINGWOOD, N. C., Nov. 5, 1894.

A barbecue, a large crowd and fine speaking here 4th. Mr. Burkhead, the first speaker was introduced by Dr. G. E. Matthews in a short speech that was well received. Mr. Burkhead made a magnificent speech of an hour and a half which did much good. Congressman Woodard spoke for an hour and explained his votes in Congress to the satisfaction of all. Much good was done for Democracy.

Miss Mary Arrington, the pretty and popular daughter of B. F. Arrington, Esq., was married on Wednesday last to Mr. Paul V. Tillery, of Tillery, Rev. Mr. Peele, of Wilmington, officiating in a pleasing but impressive manner. Many friends were present and the presents were numerous, useful and pretty. A reception was given at the home of the groom that evening at which a large circle of young people greatly enjoyed the occasion.

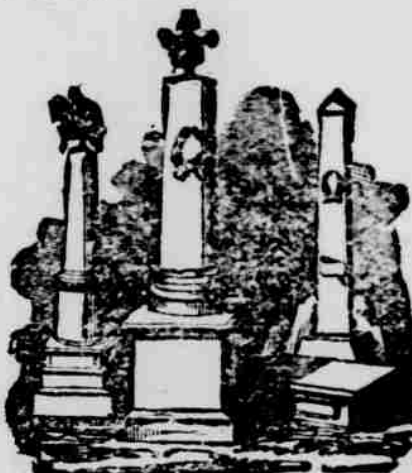

The low price of cotton is distressing to farmers and merchants. It costs 7 to 8 cents to raise cotton and something better will have to be looked for by our farmers unless there is an advance in price.

Wishing you much success in your efforts to build up our section through your excellent paper. G. E. M.
