CITY NEWS IN BRIEF

Cairo Actor Receives Praise.

George Clancy, son of Col. John Clancy and brother of Dr. Clancy, of this city, continues to make good in the west. For years he has been prominently identified with the leading stock companies on the Pacific coast. Cairo friends are in receipt of San Francisco papers in which he is given much praise for his clever work as Bill Baxter in the farce of "How Baxter Butted In." Mr. Clancy it will be remembered, appeared here several years ago in the leading juvenile role of "Sporting Life."

NOTES.

Virgil Garvin, who used to pitch for the Chicago team in the days of "Cap" Anson, is confined in a hospital at Fresno, Cal., suffering with tuberculosis.

Owen A. McGrath, who was the star pitcher of the Dartmouth college team in 1901-02, has been ordained a priest of the Paulist order.

Its a hot race in the Southern league, with New Orleans, Montgomery, Memphis and Mobile all in a clutch at the top.

The White Sox Rooters' association of Chicago is wearing a pleased expression along with the usual summer togs.

Looks as though Manager George Stalling of the Newark team started an epidemic of "punching Umpire Sullivan." So many Eastern league players have taken up the game that Sullivan must like it by this time.

Like they played the game in '79. In a recent Cleveland-Boston game every Clevelander in the line-up got a hit in the fifth inning, and the finish was a home run by Hinchman which cleaned the bases.

Wood of Kansas City, Schmiberg of Milwaukee and Marquard of Indianapolis, are three American association pitchers who would look pretty nifty in major league uniforms.

Hans Lobert of Cincinnati, Jimmy Kane of Pittsburg and Danny Sullivan of the Boston American, all hold a record of making five hits out of five times at bat. Willie Keeler trails just behind with a record of four bingles for four times up.

BARRY KNOCKED OUT.

New York, June 19.—With a terrific right hand upper cut to the jaw Sam Langford knocked out Jim Barry, the Chicago heavyweight in the third round of a bout scheduled to go six rounds tonight. The men were battling on even terms when Langford saw an opening and slipped in a knockout punch. Barry claimed the blow was accidental.

FELL 30 FEET FROM A SCAFFOLD

ALVIN CAVENDER, DAY ENGINEER AT ELECTRIC PLANT SERIOUSLY INJURED.

CONCUSSION OF BRAIN

Is Feared—Patient Bleeds From The Ear Indicating a Dangerous Condition—Collar Bone Broken.

Alvin Cavender, day engineer at the Cairo Electric & Traction company's plant on Ninth street, was seriously injured yesterday morning by a fall while at work in the fire room about 8:15 o'clock, engaged in raising a shaft and was standing on a scaffold thirty feet from the ground. A negro was rasing the shaft and Cavender was attempting to put a block under it when the scaffold broke sending Cavender hurling to the ground.

He lighted on a concrete floor, his right shoulder and the right side of his head striking the floor with awful force. His collar bone was fractured and he was bleeding from the ear. Concussion of the brain is feared.

The injured man was removed to his home where Dr. W. F. Grinstead attended him and later he was taken to St. Mary's Infirmary.

The negro managed to cling to the shaft when the scaffold broke and escaped injury.

Cavender is a son-in-law of the late J. B. Anderson who died last winter at his home in Willard. The latter formerly was a commissioner of Alexander county.

Persona Au Gratin.

"I haven't heard of you going out to Subub's to dinner lately." "No; he says I can't do that any more." "Why, I thought you were his closest friend. What's the matter?" "He tells me their cook doesn't like me."

ECLIPSE OF SUN SUNDAY JUNE 28

TWO-THIRDS OF THE SUN WILL BE ECLIPSED — WILL LAST THREE HOURS—MIDDAY LIKE DUSK.

Residents of Southern Indiana and the Ohio valley will be afforded an opportunity on Sunday morning, June 28, to witness almost a total eclipse of the sun, and should the weather be clear on that day mid-day will seem like the dusk of the evening.

The almanacs say of this eclipse of the sun: "An annular eclipse of the sun June 28. Visible to North America, the northern portion of South America, the southwestern part of Europe, the northwest corner of Africa and the northern Atlantic and Pacific oceans, the path of annulus passing through the cities of Mexico, Tampa, Florida, and the Bermuda Islands."

According to authorities on the subject the time of the eclipse in this part of the country is as follows: Begins at 8:33 a. m. and ends at 11:36 a. m., lasting three hours; two-thirds of sun's surface to be eclipsed.

CLINTON CHAUTAUQUA.

Clinton, Ia., June 19.—The Clinton Chautauqua assembly, which is to have its formal opening at Mt. Pleasant park this evening and continue in session until the end of June, gives every promise of being highly successful. Excellent musical talent has been provided and the speakers will include former Governor Yates of Illinois, Father MacCorry, of New York, and several others of wide prominence.

METHODISTS OF DISTRICT MEET

MT. VERNON DISTRICT CONFERENCE HELD AT JONESBORO THIS WEEK—REV. W. T. MORRIS ATTENDED.

The semi-annual meeting of the Mt. Vernon District Conference of the Methodist church was held in Jonesboro Monday, Tuesday and Wednesday of this week, with Rev. J. W. McNeil, of Carbondale, presiding elder and Rev. M. C. Foltz, of Johnston City secertary.

The Mount Vernon district comprises the territory between Mt. Vernon and Cairo, and from Thompsonville to the Mississippi river. It embodies thirty six pastoral charges.

This conference is for the purpose of hearing reports from pastors, Epworth League presidents, Sunday school superintendents, class leaders and presidents of the various ladies' organizations in the church and to pass upon the character and competency of the local preachers and exhorters and renew their licenses. It also recommends candidates for admission on trial into the annual conference.

A synopsis of the reports which were not entirely complete from all the charges in the district shows 1,547 conversions; 948 accessions to the church; 5,808 pastoral visits; 174 marriages; 57 Sunday schools with an enrollment of 6,124 and an average attendance of 3,344. There are 23 Epworth Leagues with 769 members; 13 Junior Leagues with 250 members; six Ladies Aid Societies. Amount raised by them $1,566.23. This conference also licenses candidates to preach and conducts mid-year examinations.

About 100 delegates and ministers were present. Some excellent spiritual sessions were held at which the congregations listened to fine sermons by Rev. W. T. Morris, of Cairo, Schuman and Proctor, of Mt. Vernon and J. W. Flint, a former Jonesboro pastor.

The conference while not so largely attended as some of the other conferences have been, was nevertheless full of interest.

POLITENESS GOT HIM IN TROUBLE

NEGRO WHO ACCEPTED "LADY'S" INVITATION TO WALK HOME IS IN HOSPITAL WITH BAD WOUND.

Because he was too polite and gallant to refuse to accept an invitation from a dusky damsel to walk home with her Andrew Flippin is in the Marine hospital suffering from a bad knife wound in his right shoulder. The police are looking for Sam Foster, a jealous negro who cut Flippin and smashed his fist into the face of his fickle "lady friend" just as she and her new found acquaintance were nearing her home on Fifth street.

Flippin says he did not know the woman but that he didn't think it would be good form for him to refuse her invitation. Now he says he realizes that she scraped the acquaintance merely to make Foster jealous.
