## MORE CLEAN WORK.

There is more than appears on the  
surface in the rail made Thursday  
night in the negro crap game in the  
barber shop on lower Commercial  
avenue, under the leadership of Night  
Sergeant French; and it may be of  
interest to the public to point it out.

There is reason to believe that this  
barber shop has been under police  
protection until very recently—prob-  
ably until last Tuesday night when  
Officer Wm. French sent his resignation  
to the city council. It will be  
remembered that Officer Kennedy  
made a raid on the place recently,  
gathering in thirteen negro crap-  
shooters; but they were all released  
during his absence, through the inter-  
ference of Officer French and Ex-  
Officer Casey. This is one instance  
which justifies the conclusion stated.  
Another occurred last week when a  
shooting affray took place in the  
Brooks saloon across the street from  
the barber shop, when Officer French  
arrested the barkeeper, the keeper of  
the lunch counter and a negro  
woman, none of whom were the ag-  
gressors in the trouble; but failed to  
"find" the negro who started the  
trouble by shooting into the saloon—  
a negro named John Jones, who was  
a hanger-on at the barber shop, be-  
longing to the crowd of crap shoot-  
ers who made this their nightly re-  
vion.

It is stated, by the knowing ones,  
that the proprietor of the Brooks  
place had been given to understand  
that he was "in bad" with the police  
department as represented by Of-  
ficer French, because he had been  
against the administration candidate  
Alderman Meehan, in his fight for  
re-election; and that his place would  
be, therefore, kept under strict police  
espionage. On the other hand, as  
the proprietor of the barber shop  
across the way had been for Mr. Mee-  
han, the crap game in progress there  
would not be interfered with.

The foregoing state of facts is pre-  
sented in order to justify the conclu-  
sion that may be drawn from the  
second raid made Thursday night, on  
the barber shop crowd, which as in  
the case of the Ford saloon robbery,  
seems to indicate a healthy and laud-  
able change of attitude by the police  
department. In both these instances  
there seems to be a repudiation of the  
long-prevailing policy of police favor-  
itism and police protection for the  
lawless element for political or other  
reasons; and The Bulletin feels that  
again it owes Chief Cowell and his  
men an expression of hearty approval.

WHATEVER your

neglect any paint-need.  
Good paint is the best in-  
surance against the deprecia-

wear of winter and early  
spring is something you  
ought to protect against.

want to be sure of your qual-

## THEY'RE NOT DEMOCRATS.

The Anna Democrat, leading Demo-  
cratic paper in Union county, that  
Democratic stronghold of Southern  
Illinois, gives us the following some-  
what remarkable and certainly very  
strong expression of views regarding  
recent political occurrences, and how  
these ought to be interpreted:

"The big black headlines say Maine  
Has Gone Democratic. This is as  
near the truth as the headlines care to  
get. It is a lie, Maine has not gone  
Democratic. There is no Democracy  
for it to go to. It has not gone to the  
Roger Sullivan—Lee O'Neil Browne  
brand of Democracy. It has not gone  
to the Wm. Joel Stone—high-tariff on  
anything the Republicans want to  
get it on lead and zinc Democracy.

Maine has not gone to the southern  
Democracy that voted with the Re-  
publicans of the east against the Re-  
publicans of the west on the tariff  
question. Maine has gone anti-Re-  
publican-machine-slavery. Republi-  
can voters have a new emancipation  
proclamation. This document was  
written by Theodore Roosevelt some  
time ago and the news has just  
reached Maine. The Maine Republi-  
can voters believe they were  
shackled to the Republican grafters  
without hope of release until Roose-  
velt spoke the word that gave them  
their freedom. LaFollette, Cummins,  
Burton and others heard it and spread  
it over the prairies and plains of the  
west; but no one dreamed that Mas-  
sachusetts and Maine ever wanted to  
be free. The voters of Maine are not  
Democrats; they are Republicans.  
They felt compelled to express their  
political freedom from criminal Re-  
publican rule and the only way to do  
it was to vote the Democratic ticket.  
Honest Democrat should not lose  
their heads over this election or those  
to follow in November. The Demo-  
cracy of Illinois is now in the hands  
of a splendid gang of hoodlums who  
are seeking and perhaps will find  
vindication at the hands of the Dem-  
ocratic voters, while in our own Dem-  
ocratic Union we are unable to pro-  
tect the school funds from Democratic  
politicians. Many of the Democratic  
members of the last congress voted  
with the Republicans; and in every  
instance where Democracy joined  
hands with the Republicans it was for  
the purpose of committing a crime  
against our constitution or institu-  
tions. Roosevelt has freed the Republi-  
cans from party slavery. Where is  
and who is the man to free the Demo-  
cratic voters from this same servi-  
tude. The man is not in sight, but he  
WILL come.

"The days of political slavery are  
past. The worst element in the  
Democratic party were the first to  
throw it off and they are now vot-  
ing for and with Republicans from  
the most corrupt motives, including  
hire at so much per vote. Politics  
so far as parties are concerned is  
doomed. It has damned the people  
and the people will now damn it."

The Cairo Bulletin has been the  
leading paper of Southern Illinois  
since 1868.

## SOFTNESS OF SEALSKIN.

is Rivalled by Human Hair Where  
Dandruff is Eradicated.

Sealskin is admired the world over for  
its softness and glossiness; and yet the  
human hair is equally as soft and glossy  
when healthy; and the radical cause of all  
hair trouble is dandruff, which is caused  
by a pestiferous parasite that saps the  
vitality of the hair at its root. Newbro's  
Herpicide is the only preparation that is  
fatal to the dandruff germ. Without dan-  
druff there is no falling hair, but a luxu-  
riant growth of glossy, soft hair is cer-  
tain. Scouring the scalp with cure dan-  
druff. Kill the dandruff germ. Thou-  
sands of women owe their beautiful locks  
of hair to Newbro's Herpicide. Sold by

ENDS MISERY FROM INDIGESTION  
OR A SICK, SOUR, GASSY STOMACH.

A little Diapiesin makes your out-  
of-order Stomach Feel Fine in  
Five Minutes.

The question as to how long you are  
going to continue a sufferer from  
Indigestion, Dyspepsia or out-of-order  
Stomach is merely a matter of how  
soon you begin taking some Diapiesin.

If your Stomach is lacking in di-  
gestive power, why not help the  
stomach to do its work, not with dras-  
tic drugs, but a re-enforcement of di-  
gestive agents, such as are naturally  
at work in the stomach.

People with weak stomachs should  
take a little Diapiesin occasionally,  
and there will be no more indigestion  
no feeling like a lump of lead in the  
stomach, no heartburn, Sour risings.

## The Pyramid.

Vast as modern skyscrapers are, not  
one has yet equaled the weight and  
massiveness of the pile of great stones  
which the swarming human ants of  
the Nile valley laboriously dragged  
together thousands of years ago, until  
they had built the Pyramid of Cheops.  
It would make a solid block of 600  
feet square and 350 feet high.

Leisure.

## Look Out.

The habit of puckering up the lips  
is said to be fatal to the contour of a  
beautiful mouth, for the lips are so  
flexible that after a while the puck-

them and they stay puckered.
