Warren Mungeon, 84 Second avenue, Daytona, Florida, says: "For over a year and a half kidney trouble clung to me and I was told that I could not be cured. I suffered from backache almost constantly and was at a loss to know how to rid myself of the trouble. I finally read about Doan's Kidney Pills and concluding to try them, I procured a box at Hankins' drug store. I soon felt like a different person and am now in better health than I have been for a long time. It would be impossible for me to speak too highly in tavor of Doan's Kidney Pills."
