THE FOURTH LIBERTY LOAN.

The campaign for the fourth
Liberty Loan begins September
26 and closes October 19. While
the amount has not yet been
announced, it is generally con-
sidered it will be for a larger amount
than any of the preceding loans.

The American people, therefore
are called upon to raise a larger
sum of money in shorter length
of time than ever before. There
is need therefore, for prompt
action—prompt and efficient
work and prompt and liberal
subscriptions.

We have a great inspiration
for a great effort. The news
from the battle front inspires
every American heart not only
with pride and patriotism but
with a great incentive to do his
or her part. There is no shirking
no shifting of the individual
burden, no selfishness by Ameri-
can soldiers in France; there
should be none here, we are both
supporting the same country
and the same cause—our Army
in one way, ourselves in another.
There is the harder part but
at least we can do our part as
promptly and loyally and effi-
ciently as they do theirs.

House Passes 8 Billion War Revenue Measure

LARGEST BUDGET IN HIS-
TORY OF ANY NATION NOW
GOES TO THE SENATE.

Unanimous vote greeted by
roar of cheers in the Chamber.

On Sept. 20—The house late
today passed the war revenue
bill designed to raise by taxation
approximately \$8,182,000,000 of
the twenty-four or more billions
needed by the nation for the
current year.

The huge measure, the largest
of its kind in the history of any
nation, now goes to the senate.

Passage of the bill was unani-
mous. An informal roll call de-
manded by Majority Leader
Kitchin, recorded 350 yeas and
no nays, which when announced
by Speaker Clark, was greeted
by a roar of cheers and applause.

On Sept. 20 (Havas)—Be-
cause of the aggravation of the
internal situation in Germany,
which continues to grow, the
German government has taken
measures to assure "rapid and
pitiless repression" in case of
revolt, a Zurich dispatch reports
today.

OUR INDIVIDUAL PART.

Some observers think that the
most characteristic thing about
the American soldiers in France
something which astounds the
enemy and excites the admira-
tion of our allies is the capacity
of the American soldiers to do
individual thinking and fighting.
The German fights successfully
only in mass formation in organ-
ized bodies while every American
soldier has an initiative and in-
dependence of action which gives
him remarkable efficiency in
open fighting. They are not
senseless cogs but each is an
individual working unit in a
great fighting machine.

Every American at home
should feel an individual respon-
sibility and do his or her indi-
vidual part in winning the war.
There is not an American citizen
who can not help win the war.
The Fourth Liberty Loan drive,
which begins September 28,
offers a great opportunity for
concerted action and for indi-
vidual action, and the loan will be a
tremendous success if each
American will do his or her indi-
vidual part as each American
soldier in France does his part.
Our soldiers deserve such sup-
port from the people at home.

AND BARRAGE.

Teutons Answer with their Ar-
tillery. Working on dugouts
near Pagny.

With the American Troops in
Lorraine, Sept. 22—American
troops made two successful raids
on the German lines northeast of
St. Mihiel early this morning
taking twenty-nine prisoners
southeast of Charey both raids
were preceded by barges.

Patrols from the region of Hau-
mont reported that at least forty
Germans were killed or injured.
Other patrols from the Charey
region estimated that the bar-
rage killed at least a score of
Germans.

Captives Machine Gunners
The prisoners taken southeast
of Charey were machine gunners
the Americans capturing two
heavy machine guns. At Hau-
mont the Germans were captur-
ed in dugouts where they have
taken refuge from the stiff Amer-
ican barrage.

The Germans answered with
their artillery along the Ameri-
can line. The first American
barrage began soon after mid-
night. The other started at
2 o'clock.

Both continued for two hours.

WHAT THE LIBERTY LOAN HAS BOUGHT FOR THE ARMY

From the beginning of the
war to June 30, 1918, the last
day of the past fiscal year, con-
tracts were placed by the Or-
dinance Department of the Unit-
ed States totaling \$4,300,000,000.
The estimate for the current
year is over \$7,000,000,000. The
major items of last year were
as follows:

Artillery, \$1,050,000,000; auto-
matic rifles, \$300,000,000; small
arms, \$100,000,000; artillery am-
munition, \$1,900,000,000; small
arms ammunition, \$340,000,000;
small arms ammunition (prac-
tice), \$80,000,000; stores and
supplies (personal, horse, and
organization), \$200,000,000; arm-
ored motor cars, \$100,000,000;
total, \$4,100,000,000.

Some other expenditures by
the War Department were \$375,
000,000 for engineering opera-
tions, mostly in France; \$37,
000,000 for flour, \$145,000,000
for sugar, \$48,000,000 for bacon,
\$12,000,000 for beans, \$4,000,000
for tomatoes, \$2,000,000 for rice,
\$47,500,000 for rolling kitchens,
\$127,000,000 for shoes, \$565,000,
000, for clothing; for blankets,
\$147,000,000.

Some smaller expenditures
were over \$6,000,000 for axes,
\$1,635,000 for field stores, \$2,
700,000 for carpenter, and \$224,
000 for blacksmith tools, \$2,500,
000 for shovels.

The department has bought
266,000 wagons and carts, cost-
ing \$37,000,000; and 410,000
horses and mules costing \$90,
000,000; food for them the cost
\$62,000,000, and harnesses \$2,000,
000.

These are only some of the
figures. They seem large, but
not so large when it is remem-
bered that we have nearly 2,000,000
men in France and almost as
many in training here at home.

All of this money and all the
other money raised by the
Liberty loans goes to make our
Army, our Navy, and our peo-
ple powerful and victorious in
their war for freedom and
right.

"We've got the men, we've
got the ships, and we've got
the money, too."
