## THE THRICE-A-WEEK EDITION OF THE NEW YORK WORLD

Practically a Daily at the price of a Weekly. No other Newspaper in the world gives as much at so low a price.

There has never been a time when a newspaper was more needed in the household. The great war in Europe has now entered its second year, with no promise of an end for a long time. These are world shaking events, in which the United States, willing or unwilling, has been compelled to take a part. No intelligent person can ignore such issues.

The Presidential contest also will soon be at hand. Already candidates for the nomination are in the field, and the campaign, owing to the extraordinary character of the times, will be of supreme interest. No other newspaper will inform you with the promptness and cheapness of the Thrice-a-Week edition of the New York World.

THE THRICE-A-WEEK WORLD'S regular subscription price is only $1.00 per year, and it pays for 156 papers. We offer this unequalled newspaper and The Kenna Record together for one year for $1.65.

The regular subscription price of the two papers is $2.00.

## Every Intelligent Person Should Learn How to Write.

More than a million people are employed in the publishing business in the United States, and all of them "had to begin." They are dropping out every day, and some one must take their place. There must be writers for

**The Newspapers**
**Magazines**
**Moving Pictures**

They pay more for the same class of service than most of the professions. With a table, a chair, paper and a typewriter you can begin now; and you do not need to give up your present occupation or employment. Even if you do not wish to take up journalism as a profession, there is no better mental training than learning to write.

The man or woman who writes is automatically thrown in touch with the big people who are shaping the destiny of the state and the nation, and the big things that are taking place in the new development of the country.

The fundamentals are carefully and simply arranged in our Correspondence Course of Instruction. A Washington correspondent who has written for every class of publications during the past twenty-five years has arranged the work, and is in charge of the course. Money back if you are not satisfied.
