

"I help take the tire out of tire trouble"

—Chesterfield

LIGHT up! Atta boy! Even the toughest job seems easier if you can "draw" on Chesterfield.

Those fine Turkish and Domestic tobaccos and that can't-be-copied Chesterfield blend "satisfy" as no other blend of tobaccos ever did before.

In 2000 Counties This Month

The Forces of the Church of Christ Will Gather To Face the Facts

IN 2000 counties in the United States the pastors and laymen of 30 great denominations will meet in conference this month.

It is the kind of conference that generals hold before a critical engagement; that business men hold before entering a new market. A conference of judgment, not emotion; a clear-eyed facing of the facts.

A Survey that Business Men Must Admire

For more than a year hundreds of workers have been quietly engaged in making a scientific survey of the mission fields, and of America county by county.

The facts developed are startling. No such picture of America's religious situation has ever before been drawn.

On the basis of these surveys thirty Protestant denominations are uniting in a

Nation Wide Cooperative Campaign

Each of the thirty denominations has its own "Forward Movement" organized and officered. The Interchurch World Movement is the clearing house for all of these.

It is the agency which the churches have created to avoid duplication, to foster cooperation and make sure that every man and dollar render the utmost service possible.

The month of April will be devoted to making the facts of the survey known to America; in the week of April 25th-May 2nd, will come a united simultaneous financial campaign.

Whether You Are Inside the Church or Out

To every man and every woman who loves his country, these 2000 county conferences are vitally important.

For the facts developed by this great survey show vividly what forces are at work in America—and what kind of a country this country is to be.

See that the pastor of your church appoints delegates. Any pastor can tell you the conference place and date. Or write direct to the

To the members of the Democratic State Central Committee, Advisory Committee, Executive Committee, County Chairman and Committeemen at Large:

The Democratic State Central Committee is hereby called to meet on

In New Quarters

We are now located in the Klein corner, across the street west of Barry's Hardware store.

We have a good roomy office and want our friends to call in when in the city and have a rest and a visit whether you have any business to transact or not.

Sometime ago we told you in our advertisement that if you ever expected to buy the farm adjoining you, not to wait too long, as it would go higher. Ask yourself if it has not already proven true. We think it has and we think it is still going higher, if you want it, better buy it now. If you are fortunate enough to have the money, use it; if you don't happen to have enough, come in and talk it over with us. We think we can help you—we have helped others. Ask your neighbor about us.

We buy, sell and trade farms and city property and cattle. Clerk sales and buy sale paper. When in need of our services in any of our lines, call on us or write a letter explaining your wants.

Yours for business,

Union Mortgage Co.

Monday, April 12, 1920, in the city of Albuquerque, at Jefferson Hall, 110 North Third Street, at ten o'clock, A. Committeemen may give their proxies to women of their County and they will be recognized by the Chairman.

May I urge that we have a full attendance.

ARTHUR SELIGMAN,
Chairman.
