MY LADY'S GARTER

Only a dainty jewell'd garter—stolen! Yet its trail is romance, mystery, robbery, blackmail, daring deeds and thrills innumerable. This silken garter was lost by a gay court beauty centuries ago yet it caused a nine days gossip feat in New York's "Upper Ten" in 1920. The manner in which it entangled a young society bud into a maze of melodramatic incidents is told in the Paramount Art-craft Special Production that will keep your blood tingling for a solid hour and a half. It is a Maurice Tourneur Production. Also showing a two reel Joe Martin (The Monkey Comedian) Comedy and a Mutt and Jeff Cartoon. At the Lyceum Theatre, Saturday night, May 1st. Try to get in.

Better Teachers' Salaries Mean Better Teachers

A newspaper of national circulation recently carried this headline:

"TEACHERS UNDERPAID THROUGHOUT UNITED STATE"
This statement was true, but it missed the vital aspect of the situation. It should have read:

"SCHOOLS UNDERMANNED THROUGHOUT UNITED STATES" or more truly

"CHILDREN UNDERTAUGHT THROUGHOUT UNITED STATES"

Thus it would have emphasized and made plain the serious aspect of the present situation in every state in the Union, including our own. Except in isolated cases teachers are not greatly to be pitied. Usually they are young and competent persons and present industrial conditions are such that any young and competent person can command a living wage at almost any other occupation. If they cannot make a living at teaching they can easily pass to an occupation where-in they can; and this they constantly do, as is evident from experience in the schools of this and every county in New Mexico.

For a few—unfortunately too few—teachers who have made a life-work of the profession and are now too old to enter other lines of work the situation is truly serious. But these are the exceptions. For the rank and file of teachers themselves the situation is not serious.

But for the schools of this county and of N w Mexico; for the directors especially of rural schools, AND FOR THE CHILDREN SERVED BY THESE SCHOOLS THE PRESENT SITUATION IS CRITICAL.

CAN WE IN THE NEXT FEW YEARS FILL OUR SCHOOLS WITH COMPETENT TEACHERS AND GIVE OUR CHILDREN A FAIR START, OR CAN WE NOT?

WHEN WE GET TEACHERS CAN WE KEEP THEM UNTIL THEY APPROXIMATE THEIR MAXIMUM USEFULNESS, GAINED BY EXPERIENCE AND KNOWLEDGE OF OUR LOCAL CONDITIONS AND NEEDS, OR WILL WE BE FORCED TO LET THEM GO AFTER TEACHING A YEAR OR LESS AND BEFORE THEY ARE WORTH THEIR SALT?

IN THIS COUNTY WE MUST DO OUR PART TOWARD A SOLUTION OF THE HUGE UNSOLVED EDUCATIONAL PROBLEM NOW PERPLEXING NOT ONLY NEW MEXICO AND THE UNITED STATES BUT THE WHOLE ENGLISH-SPEAKING WORLD—THE SCARCITY OF COMPETENT AND TRAINED TEACHERS.

THE SOLUTION LIES IN PAYING SALARIES ADEQUATE TO HOLD IN OUR SCHOOLS COMPETENT AND TRAINED MEN AND WOMEN.

THIS IS THE ONLY SOLUTION AND IT IS DEMANDED NOT FOR THE TEACHER WHO GENERALLY CAN TAKE CARE OF HIMSELF OR HERSELF IN SOME OTHER OCCUPATION WHEN NECESSARY, BUT FOR THE PROPER MAINTENANCE OF GOOD SCHOOLS IN OUR COMMUNITIES AND FOR THE SOUND EDUCATION AND WELFARE OF OUR CHILDREN.
