From a small beginning, our trade in this brand of shoes has grown until, with our new fall stock, sixty feet of our store building is filled from floor to ceiling with Selz Shoes. But one conclusion can be formed from this growth, these shoes have given satisfaction, else we, like others, would be jumping from one brand to another, offering you one brand one season and when you found it unsatisfactory, would be ready for you with some other brand and ask you to experiment on that. We have satisfied our regular customers for years with Selz Shoes, and ask you to give us an opportunity to satisfy YOU.
