SALTS IS FINE FOR
KIDNEYS, QUIT MEAT

Flush the Kidneys at once when Back hurts or Bladder bothers—Meat forms uric acid.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

In his campaign speeches a Democratic candidate for a State office is telling voters that the Oklahoma constitution has "put the man above the dollar." Since statehood the machine-controlled Democratic legislatures have appropriated and spent more than \$20,000,000 of the people's money, without counting the outstanding indebtedness of millions which remains unpaid for lack of funds. How many crimes are committed in thy name, O, Constitution of Oklahoma?

DIRE NECESSITY DEMANDS A CHANGE.

Candidates for the Democratic gubernatorial nomination are making frenzied declarations about what they would do in lowering taxes, practicing economy, and cutting down the millions of dollars of indebtedness which the Democratic machine had saddled upon the people. Democratic candidates have been making this same old talk for the last four or five years. It was the key-note in the "Sunshine and Prosperity" campaign of Lee Cruise, but under the Cruise administration, as under his predecessor, there has been no falling off in the waste of the people's money and in the paralyzing growth of the State's debt. The Democratic party is in the grip of the Democratic machine. The machine is so powerful that no Democratic candidate can shake loose from it. This is why the taxpayers of Oklahoma, regardless of party, are demanding a change and supporting John Fields.

Teach the children that saving is a duty they owe to themselves. Old age comes to all, but it's often hard to make youth realize it. Early formed habits are lasting ones.
