CONGRESS DECREES DOLLARS DULGING IN LUXURIES MUST FIRST SALUTE THE FLAG.

War Revenue Tax of \$105,000,000 Levied-Beer Bears Brunt of

Congress has levied a war tax of \$105,000,000 to offset a similar amount of loss on import revenue due to the European disturbances and of this amount beer is the heaviest contributer, having been assessed approximately \$50,000,000; a stamp tax on negotiable instruments, it is estimated, will yield \$31,000,000; a tax on the capital stock of banks of \$4,300,000 and a tax on tobacco, perfumes, theater tickets, etc., makes the remainder.

Congress has decreed that the brewer, the banker and the investor must shoulder the musket and march to the front; that milady who would Sam, and a dollar that seeks pleasure must first salute the flag; that Pleasure and Profit—the twin heroes of many wars-shall fight the nation's battles and by an ingeniously arranged schedule of taxation congress has shifted the war budget from the shoulders of Necessity to those of Choice and Gain, touching in its various ramifications almost every line

of business. All hail the dollar that bleeds for its country; that bares its breast to the fortunes of war and risks its life to preserve the stability and integrity of the nation's credit. .

The market place has always been a favorite stand for war revenue collectors. The trader is a great financial patriot. His dollar is the first to rally around the star-spangled banner and the last to hear the coo of the dove of peace. He is called upon to buy cannon; to feed and clothe the boys in blue and each month cheer their hearts with the coin of the realm. Men can neither be free nor brave without food and ammunition, and money is as important a factor Be A Millionaire and money is as important a factor in war as blood.
