Thousands of people afflicted with this hideously disfiguring discase are daily suffering the most exeruciating mental anguish, believing they are doomed to carry its awful scaling blotches until death relieves them. The medical profession, and the greatest skin specialists of the world have always considered the disease as absolutely

incurable Now positively cured by that wonderful medicament known as

MR. W. B. JENNISON, of the Natio Express Co., Chicago, 1ll., suffered horrible and agonizing tortures of this ease for more than twenty years. The best skin specialists of Chicago, New York and Philadelphia pronounced his case as incurable. The terrible blotches of this disease had covered his face, head, hands and entire body. His appearance was so repulsive that he had not been able to attend any social or public gathering for years. Mr. David Robinson, head clerk of the People's Drug Store, in Chicago, who had cured himself of a bad case of Psoriasis of ten years standing, with the D. D. D. Remedy, prevailed upon him to try this preparation. Mr. Jennison, speaking of his treatment with this marvelons medicine says;—"I commenced the use of the D. D. D. says:—"I commenced the use of the D. D. D. Remedy, and during the first two months I saw little, if any improvement, but was persuaded by Mr. Robinson to continue its use. I persevered in using the remedy, and I now devoutly thank God hat I did. For the first time in twenty years I am free from the awful, scaling plotches of this terrible disease. Once blotches of this terrible disease. Once more I am free from the bondage of these torments of hell, and can again make a presentable appearance before my fellownen. I earnestly beg every sufferer from a disease of the skin to immediately begin treatment with the D. D. D. Remedy. Use it persevere with it—slick to it—and you will find that it will cure you. Specialists said I had the worst case ever recorded. I know that what cured me will cure anyone. now that what cured me will cure anyone
