Read what Mrs. Jas. E. Blair of Boston has to say about Bloodine.
My daughter had suffered from birth (for twenty years) from Eczema, and had tried many so-called cures and dozens of physician's prescriptions with little or no relief, until I was advised to have her try "Bloodine," and I am thankful today to be able to inform you that she has been entirely cured after using six bottles of "Bloodine." "Bloodine" is positively the only remedy known to science that has the full power to drive this much dreaded disease out of the system; no matter how long you have been afflicted with it. What Mrs. Blair says is enough to convince the most skeptical that "Bloodine" will cure any Blood Disease. Bloodine costs but 60c per bottle, six bottles for \$2.50. Mail orders filled promptly. Bloodine Liver Pills cure Constipation and Liver Ills, 25c per box. Sold on a positive guarantee by
