**One Million Dollars for a Good Stomach**  
This Offer Should be a Warning to Every Man and Woman

The newspapers and medical journals have had much to say relative to a famous millionaire's offer of a million dollars for a new stomach.

This great multi-millionaire was too busy to worry about the condition of his stomach. He allowed his dyspepsia to run from bad to worse until in the end it became incurable. His misfortune should serve as a warning to others. Every one who suffers from dyspepsia for a few years will give everything he owns for a new stomach.

Dyspepsia is caused by an abnormal state of the gastric juices. There is one element missing—Pepsin. The absence of this destroys the function of the gastric fluids. They lose their power to digest food.

We are now able to supply the pepsin in a form almost identical to that naturally created by the system when in normal health, so that it returns to the gastric juices their digestive power, and thus makes the stomach strong and well.

We want every one troubled with indigestion and any pains to come to our store and obtain a box of Rexall Dyspepsia Tablets. They contain bicarbonate and Pepsin prepared by a process which develops their greatest power to overcome digestive disturbances.

Rexall Dyspepsia Tablets are very pleasant to take. They soothe the irritable, weak stomach, strengthen and invigorate the digestive organs, relieve nausea and indigestion, promote nutrition and bring about a feeling of comfort.

If you give Rexall Dyspepsia Tablets a reasonable trial we will return your money if you are not satisfied with the result. Three boxes, 25 cents, 50 cents and \$1.00. Remember you can obtain Rexall Remedies only at—The Rexall Store.

**Do You Gamble?**

Some people put the savings of a life time into a home, and then trust to LUCK to avoid the thousand and one daggers of fire. Do you? Others invest their entire assets in a store and then carry the whole or a part of their insurance themselves, thinking they can do so as well as the insurance companies. Do you? Insurance is based on the law of averages, and can be safely conducted, but only when based on the experiences of tens of thousands of cases scattered over the entire country.

**ONLY ONE.**

The Record in Laurens is a Unique One.

If the reader has a "bad back" or any kidney ailment and is looking for relief and cure, better depend on the only remedy endorsed by people you know, Doan's Kidney Pills. Doan's Kidney Pills relieve quickly—cure permanently. Laurens citizens testify to this. Here is a case of it: W. C. Eichelberger, 115 W. Main St., Laurens, S. C., says: "I shall always be glad to say a good word for Doan's Kidney Pills, as they proved of great benefit to me several times being obliged to lay off from work on account of it. There was also a dull, heavy ache across my loins and when I caught cold it always settled in my kidneys, greatly increasing my suffering. The kidney secretions were too frequent in passage and on this account I was obliged to arise several times at night. After trying numerous remedies without benefit, I was led to use Doan's Kidney Pills, by reading of the cures which they were performing. I procured a box at the Palmetto Drug Co. and began using them. They acted very satisfactorily in my case and I did not have to take them long before a complete cure resulted. I advise anyone having kidney trouble in any form to give this remedy a thorough trial."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
